Bylaws

ARTICLE 1 - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article 22 of the Bylaws and make known their desire to become members of the Association at the annual meeting of the Association when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall be the responsiblity of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amendable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE 2 - OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, Youth Director, Auditor and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice Moderator shall become the Moderator of the Association. When the need arises to replace the Vice Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice Moderator. This person shall assume the position of Vice Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches.

In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the calendar year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE 5 - PROCEDURE

The business of the Association shall be conducted according to *Robert's Rules of Order,* where not otherwise provided by this Constitution or the Bylaws.

ARTICLE 6 - AMENDMENT

This Constitution and Bylaws may be amended at any session of the Association by a two-thirds vote, provided:

1. The proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the committee on Constitution and Bylaws for clarification and correlation.

or

2. Between annual meetings, the committee on Constitution and Bylaws may recommend changes to the Associational Executive Committee. If approved by the

Executive Committee, then each member church will be furnished a written proposal of any change and not earlier than 20 days thereafter, a special called meeting of the Association may be held for the purpose of voting on the changes.

All amendments shall become effective at the close of the meeting at which they were approved for adoption. No resolutions adopted by this Association shall become a part of this Constitution.

ARTICLE 7 - TIME OF ANNUAL MEETING

The Association shall meet annually on the Tuesday and Wednesday immediately following the fourth Sunday in October. However, in case of some unavoidable circumstances that make a change in the date of the annual meeting necessary, the Executive Committee shall have authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks before the stated time for the annual meeting and at least two weeks in advance of the new date for the annual meeting.

A special meeting of the Association may be called by the Executive Committee, provided that a notice of the time, place, and purpose of such meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the called meeting.

*The Baptists of this Associaiton came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

She asked everyone to stand in memory of our beloved dead. She led in prayer.

93. Congregational hymn, "Sweet By and By."

94. Special music was brought by Miss Tina Helms.

American Bible Society Report

Right now the Word of God is alive and well throughout the world. During the coming decade, the American Bible Society will be asked regularly to help keep the Word alive in the hearts of all people by making it available for so many who do not have a Bible. For 175 years the American Bible Society has shared God's Word with the world.

The year 1990 presented unbelievable opportunities to reach out to people with 259 million Bibles and Scripture portions being distributed. In the United States, special Scripture portions were produced for the homeless, drug addicts, and youth. A rewarding ministry is the provision of Bibles and Scriptures for people living on the edge of life. Bibles and pocket calendars were provided for the Union Baptist Association prison ministry. Holiday Scripture portions were given for the county's nursing homes. Also, a new translation

that can easily be understood by today's generation was introduced by A.B.S.

Overseas, the people of Central and Eastern Europe, as well as the Soviet Union, became open for people to read and search the Bible. A taxi driver in Moscow declined taxi fare when offered a Bible with it by two Bible Society workers. When asked why he wanted a Bible, he said that he wanted to search the Bible for himself. He said, "How can I keep the money when you people bring us Bibles?" When one of the passengers told him, "The Bible says a worker should be given his pay," he was speechless. Reluctantly, he took the money because of an awesome reverence for what the Bible says. In Nepal, where the proclamation of the Christian Gospel has been strictly forbidden for many years, the Word was unchained.

The crisis in the Persian Gulf offered A.B.S. another opportunity to respond to an immediate need as they sent special camouflage Scriptures for the service men and women in Desert Shield/Desert Storm.

The hand of God is continually opening new doors for the dissemination of His Word to all people. Individuals and churches can bring the Word of God to others through gifts to the American Bible Society.

Marian Hume, ABS Coordinator

Baptist Children's Homes Gives Children a Chance!

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future!

Three pillars that uphold that futuristic foundation are: 1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "Give a child a chance!" financial campaign, and 3. Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A&T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there paved their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our western-most campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, *BCH-North Carolina will donate 10 percent of everything it receives over the $500,000 goal for work in that desperately needy land.*

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half, Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

The North Carolina Baptist Foundation

The North Carolina Baptist Foundation is your means of making your witness continue through the local church, Baptist Institutions, or mission activities even after you are gone. Your Baptist Foundation will help you in Estate Planning, writing your will, setting up trusts or endowments for Baptist Institutions or causes, execute your will, act as your power of attorney, manage your assets, and also underwrites loans to churches with the Church Extension Department of the Baptist State Convention.

Your estate, if you turned it over to the Foundation, can pay you a regular income as long as you live, including support of your church program and/or Baptist Institution or cause, and continue to do so after you have died. Or, if you only have $25.00 you want to give as a memorial to a Baptist cause, it will be joined with other similar gifts and go on giving even after you have gone.

There are many programs and possibilities for you in this program which has grown from $2,000.00 in 1920 to $27,000,000.00 in assets today, all pouring support to continuing ministries in the name of Christ through Baptist Programs and Institutions.

Report to Baptist Associations
North Carolina Baptist Hospital 1991

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake

Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereoactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

Baptist Retirement Homes of North Carolina, Inc.

1991: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State - the Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retire-

ment Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the State.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive . . . a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults . . . The Best of Times!

The Biblical Recorder

ASSOCIATIONAL REPORT - 1991

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help.

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

This is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Brotherhood Report

The "official" purpose of Brotherhood is "Helping Churches involve men and boys in missions." The philosophy of Brotherhood work is based on an understanding of God's reconciling work in the world. You can rely upon the Associational Brotherhood aiding you in this purpose, any way we can.

An Associational Baptist Men and Royal Ambassador Leadership Workshop was held in October. We thank Lee Park Baptist Church for hosting this workshop. We also thank Austin Grove Baptist Church for hosting the Associational Pinewood Derby in February. This Spring marked our tenth Associational Track Meet, which was held at Forest Hills High School. Steve Little, our Associational R.A. Director, did an excellent job organizing and directing the meet.

We are excited about a "Mission Expo" that will be held at Wingate College November 2, 1991. We will have booths with representation of as many Missions as possible. We trust you will attend this "Expo," as it will be of exceptional value for learning how you can get involved in Missions.

Thanking you for your help in Baptist Men and Royal Ambassador work.

Christian Life and Action Committee

The Christian Life and Action Committee emphasizes good government, race relations, Christian relations, and Christian literature. One of the primary objectives set forth in the 1990-91 church year was to include encouraging messages in each newsletter regarding special days such as Baptist Men's Day, Race Relations Sunday, Life Commitment Day, Senior Adult Day, Christian Home Week, Christian Citizenship Sunday, Religious Liberty Sunday, Day of Prayer for World Peace, Single Adult Day, World Hunger Day, and holidays. We would like to encourage churches in our association to be doers of the Word, not hearers only by promoting good citizneship in our communities today.

The Christian Life Commission of the Southern Baptist Convention

The Southern Baptist Convention has charged the Christian Life Commission with the responsibility of assisting Southern Baptists in understanding the moral demands of the Gospel and helping them apply the principles of the Christian faith to moral and social problems. One of the Commission's paramount tasks is to challenge and energize Southern Baptists to engage our culture through informed and committed involvement with moral, social and public policy issues. During the past 12 months, the Commission has engaged in a series of programs and activities designed to help Southern Baptists apply Christian truths in family life, citizenship, race relations, drug abuse, world hunger, religious liberty and a host of other moral and public policy concerns.

One of the Commission's most challenging and exciting assignments during the past year has been responding to Convention action in 1990 which expanded the Commission's program assignment to include religious liberty. The Commission has long had the responsibility of challenging Southern Baptists to understand their responsibility as Jesus' disciples to be salt and light in society. It has proven to be very helpful to also have the freedom, under its expanded program assignment, to help Southern Baptists understand their historic right to be involved as citizens in public policy issues faced by our nation.

The Commission continued its long-standing efforts to work closely with state Baptist conventions with full-time and part-time Christian ethics workers and active Christian Life Committees and with associational and local church Christian Life Committees. At the national level, the Commission gave ongoing attention to development of closer working relationships with Convention agencies with related assignments and interests. Cooperation with these agencies greatly enhanced and extended the Commission's effectiveness. The Commission also sought to develop and maintain good working relationships with Christian ethics departments of the six Southern Baptist theological seminaries.

During the past year, the Commission provided support materials to Southern Baptists for observance of six special emphasis Sundays related to Christian ethics on the denominational calendar. These are Sanctity of Human Life Sunday, Race Relations Sunday, Alcohol and Drug Abuse Prevention Sunday, Christian Citizenship Sunday, Day of Prayer for World Peace and World Hunger Day. Support materials provided in these areas by the Commission included special themes, topics, art work, photographs, posters and bulletin inserts.

Frequent news releases, photographs, issue analysis articles, guest editorials and special features have been used by Baptist Press, Baptist Bulletin Service, Baptist state papers and secular print and electronic media to support the Commission's assignment of "helping changed people change the world."

Through its Washington, D.C. office, opened in 1987 at the Convention's request, the Commission played an increasing role in moral leadership in the nation's capital. Program staff based in Washington include the Director of Government Relations, the Director of Media and News Information-Baptist Press Reporter and the General Counsel-Director of Christian Citizenship and Religious Liberty Concerns. Tripling of Washington office staff in the past year has enhanced greatly the Commission's ability to fulfill the portion of its program statement which calls on the Commission to "bring to bear Baptist statements, convictions and insights in the field of Christian ethics and religious liberty upon important policy making groups" and to "present Southern Baptist insight for consideration in the planning of Federal government programs on children and youth, aging, housing, employment, public health and other matters pertaining to social welfare." During the year, the Washington and Nashville staffs have worked diligently to share with Congress and the White House numerous convictions and concerns of Southern Baptists. Commission staff have been active in corresponding and meeting with members of the Legislative and Executive branches of Federal government concerning areas of Southern Baptist concern.

The Commission played a major role in arranging a meeting with the President, his chief of staff and senior advisors during which the Commission's Executive Director and the Con-

vention's President were able, in concert with a small group of other evangelical leaders, o present their concerns directly to the President in several areas including homosexu- lity, abortion issues and federal funding of sacrilegious and obscene art. Other issues dis- ussed included child care legislation and the Persian Gulf crisis. The Executive Director lso met with the President and the Attorney General concerning the issue of vigorous pro- ecution of child pornography and obscenity by the U.S. Justice Department.

The Commission has also been active during the past year in leading a strong coalition f numerous groups supporting both the Sensible Advertising and Family Education Act nd former Surgeon General Everett Koop's initiatives on tax increases on beer, alcohol nd wine. Abortion, drug abuse and pornography are among other issues with which the ommission staff has been involved through the Washington office. The Commission remains articularly concerned about serious threats to religious liberty posed by recent Supreme ourt decisions and worked closely with a coalition of groups endeavoring to remedy the hreat both through legislation and judicial action. The Commission also continued to pur- ue fulfillment of its program statement through filing *amicus curiae* "friend of the court" riefs in cases involving abortion, pornography and religious liberty.

The Commission's 1991 annual national seminar in Fort Worth, Texas was entitled 'Christians and the Environment: Finding a Biblical Balance Between Idolatry and rresponsibility." The program combined interpretive biblical themes with addresses such s "A Biblical Theology of Ecology," "A Biblical Ethic of Ecology," "Humanistic and New Age Ideas on Modern Environmental Movements," "How a Local Church Can Begin Recycling Program," and "Biblical Imperatives on Stewardship of God's Creation."

The Commission continued its long-standing leadership in the field of race relations and rovided leadership in the National Coalition Against Pornography and during Bible reaching-Church Administration Weeks and National Student Weeks at Ridgecrest and lorieta. Commission staff also served as resource persons in events held in numerous state onventions and for other Southern Baptist agencies and entities.

The Commission continued its responsibility assigned by the Convention for education nd action related to the issue of hunger. Commission staff produced the 1990-1991 World unger Awareness/Action Guide entitled *Endangered Earth: Helping Southern Baptists Feed a Hungry World."* This guide was mailed to every church in the Convention to encourage nd to support the observance of World Hunger Day.

The Commission continued to focus attention on an old concern about the dangers of alcohol nd drug abuse through the preparation of material for the second annual Alcohol and Drug Abuse revention Sunday on the denomination's calendar.

The circulation of Light, the quarterly moral concerns journal of the Commission, grew o 72,000.

Church Extension Director's Report

Looking back over the past year, it is amazing what God has accomplished in Union Baptist ssociation. The Lord has blessed our association in the area of new church starts. Union aptist Association is in the top three associations in North Carolina in the number of new hurches started in 1990-91. We have a goal of starting two new works a year. In 1989-90, ve had five new church starts, since that time another mission was started by Mt. Moriah aptist Church. We hope to have a seventh new congregation in the Sun Valley area by aster of 1992. This will put us ahead of our goal for these three years. However, we must ot back off from beginning new churches. The years ahead promise to be more exciting nd challenging than any we have seen to this point.

"STATUS OF OUR NEW CHURCHES"

Morgan Mill Road Baptist Church is now two years old. The church has grown from 34 members when they constituted to a present membership of 62. The church has begun construction on her first building. Many churches and individuals are assisting with the construction. We would like to say a word of thanks to those who have shared their talents and time to help this young congregation. The members hope to be in their new building sometime the first of 1992.

First Baptist Church of Weddington has also entered into her first building program. The church held their ground breaking service on August 25, 1991. This was an exciting time for all who attended. This service was the kick off for a campaign to raise $500,000 in individual loans to finance their building program. The church hopes to reach their goal by the first of October. They will begin construction by the first of November and hope to be in their building by Easter of 1992. Weddington has 128 members and they continue to meet at the Latin Day School in Charlotte.

The Good Shepherd, a mission of Oakland Baptist Church, continues to be an effective means of ministering to the Hispanics in Union County. The Baptist Men of Oakland have done much to assist this mission in the past year. They have provided transportation, social ministries and strong leadership for this young congregation. Rev. Tommy Concha is the pastor of The Good Shepherd. He is doing an excellent job sharing the message of Christ with our Hispanic community. Please continue to pray for this congregation.

Pathway Baptist Church came under watchcare of Union Baptist Association at our last annual meeting. They have gone through some struggles since that time. The church called their second pastor this summer. He is Rev. Bobby Helms of Monroe, North Carolina. Pathway is averaging about 25 in their morning worship service. They now have a total membership of 30. Pathway continues to meet at 549 Morgan Mill Road, where they have moved into a second building for more space. This young congregation is praying for the Lord's guidance in finding a permanent location, please join them in this prayer.

Christ Baptist Church is less than a year old, but is already well on the way to being self-supporting. They have called a full-time pastor, Rev. Kevin Woody. The church is giving five percent to the Cooperative Program and three percent to Union Baptist Association. The congregation held their constituting service on October 20, 1991 and they will come under watchcare of the association at the 1991 annual meeting. Christ Baptist Church has 42 members and they are averaging around 50 for morning worship services. The church has set a goal to pay off the land debt by the first of 1992. They hope to begin construction on their first building sometime during the coming year.

One of the greatest surprises in our association this year is the Sandy Acres Baptist Mission which was started by Mt. Moriah Baptist Church. Sandy Acres is located in Pageland, South Carolina. This mission was the result of God's working in the lives of the youth at Mt. Moriah. The youth and their leaders from Mt. Moriah went into Sandy Acres Trailer Park to do a Backyard Bible Club this summer. What happened next was the birth of a mission. The children of this park begged the group to come back, and they have gone back every week. The mission has been meeting outside, however, with cold weather coming, they will be meeting in a rented trailer and a modular church unit provided by the NC Baptist State Convention. Many of our churches in the association have helped to provide for the needs of this young congregation. The Chesterfield Baptist Association in South Carolina has also been committed to assisting with this new church. After about three months, Sandy Acres has between 125-130 persons enrolled in Bible Study with an average attendance on Sunday evenings of 75-80 persons.

Presently, we are looking ahead to our next new church start. Our county is experiencing explosive growth in the Sun Valley area west of Monroe. This area is projected to continue to grow for the next 10 to 15 years. We Baptists of Union County want to grow along with this community. One of the ways we plan to do this is plant a new congregation in the area. We are already looking for a site in this area and we are searching for a church planter

to get the work under way. Please pray for the Lord's guidance in this our newest church start.

Union Baptists are in the center of a great awakening in our area. God is at work in each of our churches and He desires to do even greater works in the days ahead. We must increase our efforts to reach the unchurched of Union County through evangelism and church planting. Let's join together and reach our county with the Good News of Jesus Christ.

1990-91 Report of the Education Commission to the Southern Baptist Convention

ARTHUR J. WALKER, JR., EXECUTIVE DIRECTOR-TREASURER

The work of the Education Commission is to encourage Southern Baptists to see educational activities and institutions as a means of witnessing to the saving power of Jesus Christ and to the consequence of this salvation in changing society as a whole. The activities of the Commission are provided in specific services to institutions and to those individuals who serve on the faculties and staff of these institutions or in positions within the state conventions or structured groups, as well as local churches which are related to them. This program provides information and consultation to those who would reinforce educational activities.

Education has been a part of the mission of Southern Baptists since before the inception of the Southern Baptist Convention. This particular emphasis is recognized as a means for applying the gospel to all areas of human knowledge and endeavor in seeking to lead all to a saving knowledge of Jesus Christ, while at the same time providing training for church

leaders and members, as well as encouraging Christian leaders of all types for the society as a whole.

PROGRAM REPORT

The Program of Christian Higher Education Leadership

The Commission Program for five years has included an emphasis to encourage faculty members at Baptist institutions in the integration of personal faith and professional academic discipline. Seminars have been held emphasizing the importance of faculty members witnessing to their personal faith in their professional endeavors. During the past year, seminars continued to be conducted, primarily on local campuses, and plans have been developed for a national conference to be held in 1992 in Birmingham, Alabama, which will bring together at least 1,000 faculty members of all academic disciplines from the various campuses to explore ways for faith and professional discipline coordination.

Workshops in legal concerns, alumni affairs, admissions, religious activities, public relations and development were held to assist staff members in their assigned responsibilities within the institutions.

The Placement Registry conducted by the Education Commission continues to assist Baptist institutions in identifying prospective faculty members. In the past academic year, 486 prospective faculty members have been listed in the Placement Registry. It has been the purpose of the Commission to expand this service to all Baptist institutions.

The annual Baptist Seminary, College and School Day is observed on the Convention calendar on the third Sunday in February annually. The emphasis day for the past year

was conducted on February 17, 1991. Materials related to the observance of the calendar day were developed and distributed to all churches and convention entities involved in the emphasis.

Regular publications of the Education Commission include *The Southern Baptist Educator* published monthly, except July and December and *The Directory of Southern Baptist Colleges and Schools,* produced every other year. In addition to these regular publications, several brochures on related educational subjects are produced. In 1990 the Education Commission produced *The Gospel in its Wholeness,* the papers read at the Baptist International Conference on Theological Education (BICTE III) held in 1989, and *A Directory of Baptist Seminaries, Colleges and Schools* for the Evangelism and Education Committee of the Baptist World Alliance.

The Commission also has an ongoing research program in areas related to the educational emphasis for the institutions and state conventions.

Respectfully submitted,
Christian Education Committee

Constitution and Bylaws Committee Report

Your committee has studied the need to separate the two functions listed under present *BYLAWS* ARTICLE 21 TRUSTEES.

The following will replace the above and become two separate Bylaws:

BUILDING AND GROUNDS COMMITTEE

The Association shall elect at least six (6) members to serve on this committee. Their term of office shall be for three (3) years with one-third of the number elected each year. Vacancies may be filled at any time by the Executive Committee, with the one elected filling out the unexpired term of the one whose vacancy is being filled. Persons completing three year terms will not be eligible for re-election until after the lapse of one year. The Building and Grounds Committee are to oversee the properties of the Association. This committee is responsible to the Associational Council and must receive the approval of the Council for any major projects. They will (1) inspect and inventory associational properties; (2) develop and recommend a program of preventative maintenance for associational properties; (3) suggest a maintenance budget to Associational Stewardship Committee for inclusion in associational budget; (4) request and administer furniture and equipment; (5) develop and initiate scheduled cleaning procedure for building; (6) develop and initiate yard and ground maintenance; and (7) develop and make recommendations regarding adequate insurance or building, equipment and furnishings.

TRUSTEES

The Association shall elect three (3) members to serve as Trustees. Their term of office shall be for three (3) years with one-third of the number elected each year. Vacancies may be filled at any time by the Executive Committee, with the one elected filling out the unexpired term of the one whose vacancy is being filled. Persons completing three year terms will not be eligible for re-election until after the lapse of one year.

The Trustees, or their successor in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase and disposal of associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action; neither shall they have any control over the use of the associational property except by vote of the Association.

You will find our recommendation to incorporate the association as a separate "handout." This committee, after careful study, recommends incorporation to protect the association, members, and employed staff. Lawsuits against religious organizations have become too commonplace.

Cooperative Program Committee

PARTNERS — I AM THE COOPERATIVE PROGRAM

I am the Cooperative Program. Given my last name — Program — you probably never guessed I would be this personal, did you? Some Southern Baptists, so I am led to believe, think I look more like a bureaucratic computer print-out than a real person.

I was born in 1925 in Memphis, Tennessee, during one of the sessions of your annual Southern Baptist Convention. Incidentally, I'm not as old as some of you probably thought. When I was born, I couldn't wait to live and get to work.

Like each of you, I have roots. My major root is the biblical teaching of stewardship.

Stewardship is the opposite of ownership. Ownership is the heresy known as Baalism in the Old Testament. In fact, that's what "Baal" means. It means "owner." It was and is an attitude toward life, an idealogy, a way of life.

Baalism is what Amos and Isaiah and Micah tried hard to keep out of Israel. They cried out against excessive luxury, oppression of the poor, and extravagances of the few. They rebuked the religious for thinking ownership rather than stewardship.

That's what the tithe was all about. It was a reminder that God's people are stewards, not owners. My roots run deep in the biblical idea that life is a loan, not something we own.

I also am rooted in the construction of the Southern Baptist Convention. Do you remember what it says? Our Convention was established to organize "a plan for eliciting, combining, and directing the energies of the whole denomination in one sacred effort, for the propagation of the gospel."

Of course, no one had a clear vision of how the convention plan would work back in 1845. So for 80 years, Southern Baptists fumbled around looking for a better way to finance the spreading of the gospel. Then finally you gave birth to me, and I brought a little orderly sunshine into existing financial disorder.

In fact, I've brought so much joy to you and around the world that you should have named me Isaac, which means "laughter." But, instead, you gave me the handle — Cooperative Program.

I am also rooted in one of your earlier campaigns. Incidentally, Southern Baptists are some of the "campaigningest" people I've ever seen!" "A Million More in '54," "The 30,000 Movement," "8.5 by 85,," "Bold Mission Thrust."

Personally, I like best the ones that rhyme. But one of my roots is in one of your unrhymed campaigns. It was called the "Seventy-Five Million Campaign."

This one actually began in Atlanta, Georgia in 1919. J.B. Gambrell, the Southern Baptist Convention president at that time, challenged and inspired your fathers and mothers to launch a five-year plan to raise $75 million for mission support.

L.R. Scarbrough directed this new campaign, and the next year he reported that $92,630,923 had been pledged. When the final giving report was made in 1925, Southern Baptists were $16,500,000 short of the $75 million goal. Even though the original goal wasn't reached, the campaign was a success because it proved what Southern Baptists could do through cooperation.

Well, 1925 was the year I was born. I am a kind of permanent Seventy-Five Million Campaign. But I hope you know that I'm far more than a campaign, or even a program. I am your partner.

Southern Baptists are what Paul described as "partners in the gospel." We are partners in Christ's global ministry.

You and I are not in a campaign for profit or for prestige; certainly we are not wanting power except in the gospel.

You and I are partners, not because of what Southern Baptists have established together or designed together or learned together. We are partners because of what Southern Baptists have received together.

I am the embodiment of your partnership beyond your local church. As an individual

Southern Baptist, you are a partner with over 15 million other Southern Baptists.

Your local church is in partnership with over 37,700 other Southern Baptist churches. Your state convention is in partnership with 37 other Southern Baptist state conventions.

Partnership! That's what I would really like to emphasize.

Southern Baptists are not isolated individuals practicing the Christian faith as if it were a "home correspondence course in self-improvement."

Southern Baptists' hands and hearts are locked together through me in getting the word out about what happened in Bethlehem and Jerusalem which can make a difference in this damaged and devastated world.

Another thing! You don't give *to* me. You give *through* me. I'm not a catch basin for Southern Baptist money. I am a conduit for the ministry of Jesus Christ.

Have you heard recently what the money Southern Baptists given through me is doing? Let me tell you:

ON SUNDAY you preached at the Nakuru Baptist Church in Nakuru, Kenya. Sunday afternoon you went with Jack Yates, our Southern Baptist missionary, to the Kamora Baptist Church to participate in a Pastors School where he is training young men to fill the pulpits of new churches springing up everywhere in Nakuru District.

ON MONDAY you were with Dr. and Mrs. Bill Norman who are serving as medical missionaries at our Baptist hospital in Ogbomosho, Nigeria. What a thrill to see Bill save lives that otherwise might have been lost without the presence of our Southern Baptist medical missionary there.

ON TUESDAY you sat with friends John and Connie Anthony in their missionary home in Jerusalem. You learned firsthand of the unique success that John has had in winning Jews in Jerusalem to a faith in Jesus Christ.

ON WEDNESDAY you arrived in Wiesbaden, West Germany, where you were met by Glenn and Camilla Dyer. The Dyers work with youth throughout the European Baptist Convention. You attended a special retreat where the Dyers train youth workers from 11 different countries in Europe.

ON THURSDAY afternoon you reached Hong Kong where you toured the campus of Hong Kong Baptist College. You were thrilled to get the opportunity to see our radio broadcast center from which our missionaries beam the gospel message daily.

On FRIDAY you'll have to admit that you were quite tense when your plane touched down in Bogota, Columbia. You spent the day with some very courageous friends, Howard and Libby Atkinson, who have a strong ministry in evangelism in Columbia. You assured them of your prayers during these difficult days of terror in a drug war. You were reminded that many of our missionaries live in very dangerous circumstances.

ON SATURDAY you made one more stop at the Cook County Hospital in Chicago to visit with a wonderful young lady, Carol Reese, who is serving as a chaplain at Cook County Hospital in the heart of that large city. Almost everything imaginable could be seen there on a busy Saturday night. You were impressed with the calm and yet authoritative way that Carol ministered to the people who came through the emergency room.

ON SUNDAY after a week of work you heard your pastor preach with conviction the challenge of Christ to go into all the world with the gospel. You reflected on the many varied experiences of the previous week. As a Southern Baptist in a mission minded and mission supporting church, you are thankful to have been in all of these places without ever leaving your church. You were in every one of these places telling the world about Jesus Christ because your church gives through the Cooperative Program.

The total gifts through the Cooperative Program enable Southern Baptists to support many worthwhile projects for Christ at the international, national, and local levels. Southern Baptists support educational institutions, children's homes, homes for the elderly, hospitals; they broadcast the gospel on radio and TV; they publish state papers, church literature, and books; they minister through the work of more than seven thousand missionaries on home and foreign fields, besides the pastors, church staff members, and thousands of

edicated lay members who teach and lead in the work of the churches. In all that they o, Southern Baptist churches and denominational organizations are endeavoring to bring en to God through Jesus Christ.

Director of Missions' Report

A REVIEW OF THE LAST FOUR YEARS

n 1987...I shared:

"God's Word tells us that 'where there is no vision, the people perish.' " Church and ssociational leadership must catch a vision of what must be accomplished in our midst. od's army must ever be on the advance. A vision of God's purpose gives us the direction f advance.

Vision leads us into the *dreaming of dreams.* The possibilities of ministry are all around s. We only need to open our eyes to the hurt of individuals. Jesus saw the hurting multitudes nd had compassion on them. This must be *our response* also. I have a dream for Union aptist Association. Please support me in that dream.

There are thousands of lost and unchurched individuals in our area. That number is rowing every week. Every area survey I undertake leads to the discovery of new housing evelopments. Southern Baptists have a history of being a people of the ***BOOK*** and are noted or their evangelistic zeal. We must get busy doing our part in carrying out the Great Commission. Surely 64 churches can reach out and baptize more than 400 in one year. I challenge ur church leaders to consider a goal of 750 baptisms for 1987-88. We must catch a vision f the multitudes doomed to eternity in *Hell* if we fail our God-given mandate.

I urge every church leader to look to the ***BOOK OF ACTS*** for the prescription for growth. 'm convinced in my heart that God placed that *Book* in His Bible as a model for all New estament churches. God intends for all of His churches to grow just as did those early churhes. Reread Acts until you discover the secrets for growth and then put them into action n your church."

n 1988...I shared:

"God has blessed Union Baptist Association in so many ways in these past 12 months. Iay we rejoice and give thanks to our Heavenly Father. Here are some points of rejoicing:

1. *A GOOD FINANCIAL YEAR* - $94,786 on a $97,241 budget. The churches increased their giving by 16 percent ($75,680 total).
2. *TWO TEN-ACRE TRACTS* of land located for new church site.
3. A *"NEW WORK PROBE"* was completed on March 28, 1988 indicating we need to get busy planting churches (four now, three more tomorrow) and nine ministry points needing cultivating.
4. *A STRATEGY PLANNING STUDY* was completed. You will vote on this at annual session. It will give Union Baptist Association direction for a minimum of five years.
5. *A CHURCH PLANTER* has been located. This is another matter to be voted at annual session.
6. *OUR COMPUTER* is "booted up!" Please look at your newsletter label.
7. *CABINETS* have been added to the workroom. A great improvement.
8. *EVANGELISM* improved (approximately 500 baptisms).

Praise God for all He has accomplished in our midst!"

In 1989...I shared:

"God's Word tells us that 'where there is no vision, the people perish.' " Church and associational leadership must catch a vision of what must be accomplished in our midst. God's army must ever be on the advance. A vision of God's purpose gives us the direction of advance.

Vision leads us into the *dreaming of dreams.* The possibilities of ministry are all around us. We only need to open our eyes to the hurt of individuals. Jesus saw the hurting multitudes and had compassion on them. This must be *our response* also. I have a dream for Union Baptist Association. Please support me in that dream.

That dream is spelled out in the Union Baptist Association Five-Year Plan, 1988-1993. This plan gives us four objectives: Evangelism, Mission Ministries, Communications, and Church Growth. Each of these has been emphasized this past year and progress has been made.

Progress is being made: 519 baptisms, two evangelistic teams to Sao Paulo, Brazil. Literacy Ministry is helping adults to read, Hugo response, ministers' calling chain is working, and training for ministers (Church Growth Workshop, VALS Training, and How To Be A Better Minister).

The volunteer response to "Hugo" is worthy of comment. You need to know that *over 125* volunteers came into Union County and helped in the cleanup and rebuilding process. At least five pickup loads of staple foods have been given to us for distribution to those who had food needs. Financial aid has been received from outside and added to our disaster fund to help those with no insurance coverage.

My prayer is that our membership will learn from those volunteers who came to our county to assist us in getting back on our feet. They came because the love of God permeated their lives and their response was to meet the ministry needs in Union County."

In 1990...I shared:

"PRESENT

God has led in the beginning of three *new works* — The Good Shepherd (Spanish), Morgan Mill Road Baptist Church, and Weddington, First Baptist Church. You will vote, at this annual session, on bringing Pathway Baptist Church in under "watchcare," Christ Baptist Church (Goose Creek area) will begin services on December 2, 1990.

Evangelism was a major emphasis during this year: 1989-90 (693 baptisms), 1988-89 (562 baptisms), 1987-88 (531 baptisms), 1986-87 (385 baptisms), and 1985-86 (438 baptisms). The number of churches reporting zero baptisms is down.

Mission Ministries continues its emphasis on literacy. In the years ahead, this committee will look at the needs of the blind, deaf, and needy.

Efforts have been made in the area of *Communication* and fellowship. Much greater emphasis must be given to these two areas next year.

FUTURE

EVANGELISM - Would God honor a goal of 1,000 baptisms in the new year? Would each church accept a challenge to increase their baptisms by 40 percent.

NEW WORK - How many doors will God open for church starts in the year ahead? Will we, as God's people, be willing to march through those open doors? It will take faith on our part. There are multiplied thousands who are unchurches and lost in Union County.

MISSION MINISTRIES - Should we begin work with the blind and/or the deaf in this new year? They need to hear the gospel also. Is another food and clothes closet needed in our county? Support this committee in their effort to meet the needs of people.

COMMUNICATION - The new format for our newsletter should improve our communications. Efforts will be made to improve on the information available in the associational office for individuals and churches. The office staff is working on providing information in advance for the Executive Committee.

FELLOWSHIP - The new officers for the Ministers' Prayer Breakfast and for the Ministers' Conference have been challenged to concentrate on improving the fellowship among the ministers. This should lead to improved relations between churches. With greater fellowship, our overall effort for God will be enhanced."

Most of us are bored by statistics. The following will tell you how I spent my time in service for you in 1990-91:

Miles driven	12,214
Church visits	135
Sermons preached	24
Speaking engagements	22
Association meetings	101
State and Convention meetings	6
Visit and conferences with pastors and members	231

The new budget ($180,915) will require increased giving by our 68 churches and two missions. Our God is able and available. In five years, churches have increased their support of associational missions from $62,620.36 (1985-86) to $115,587.94 (1990-91) plus land fund giving of $9,996.07 (1990-91). *But please keep in mind that three percent of the estimated undesignated gift to our churches in 1991-92 would be in excess of $199,000. Each church is challenged to give three-five percent of their undesignated gifts to support the mission activities of Union Baptist Association.

This is your Association — get involved. It will become all it can become because *you* prayed, *you* labored, *you* supported, and *you* are involved."

Respectfully submitted,
Rev. Clarence O. Vassar
Director of Missions

*Thank you for doubling your mission support of Union Baptist Association.

Discipleship Training

We experienced another great year in Discipleship Training in our Association. More churches are discovering that Discipleship Training is not to be limited to Sunday evenings only. We congratulate all who worked to make this a growing year.

"M" Night was held at Austin Grove Baptist on November 26. Special music was provided by the church choir. Rev. Mack Keck, DOM Stanley Association, was the guest speaker. Nine churches were represented. We had a total of 98 in attendance.

The other main highlight of the Discipleship Training year was our Associational Bible drills which were conducted at Sandy Ridge Baptist Church on Sunday, April 28. Five churches were represented by 17 participants. Most of these went on to the state finals in Charlotte, where some of them were state winners. We congratulate our Children and Youth Bible drill workers for their part in making 1990-91 a good year in Discipleship Training.

Respectfully submitted,
Rev. Kenneth Snead, Director

Evangelism Committee

The Union Baptist Association engaged in two very important events during the 1990-91 year in the area of evangelism. On April 20, 1991, Dr. J.W. Hutchens, Chairman of Evangelism of the Baptist State Convention of North Carolina, led a group of pastors and laymen in the "One Day Soul Winning Clinic." He really challenged us to become the witnesses that God's Word teaches us to be. I am certain that those who participated in this event have seen results in their life.

The high point of our year was the Associational Evangelism Conference at Lee Park Baptist Church on Thursday, May 23, 1991. We were blessed tremendously by the special music arranged by our Associational Music Leader, Mr. Ken Griffin. Our speaker was Dr. Kenneth Hemphill, pastor of First Baptist Church of Norfolk, Virginia. He did an afternoon seminar which featured his book, *The Bonsai Theory of Church Growth.* The evening service was really challenging with Dr. Hemphill preaching a dynamic message. The ten top churches in baptism within our association were recognized with certificates of appreciation during the evening worship service.

I taught the evangelism class at the Key Leadership Conference at Oakland Baptist Church on Thursday, September 26, 1991.

Eleven churches have not helped so far this year. General Board Report

The General Board of the Baptist State Convention shall have charge and control of all work of the Convention in the interim between sessions of the Convention, except those activities committed specifically by the charter of the Boards of Trustees of its institutions and agencies. It shall have the power to act for the Convention in the between sessions of the Convention; and any action taken during the interim shall be binding on the Convention and reported fully to the Convention at its next session. It shall have no power to contravene any action of the Convention nor launch any new institutions.

The General Board convenes in January, May and September.

During the January meeting the General Board heard the report from the Chowan College study committee regarding the possibility of becoming a four year college. A committee was appointed in September 1990 to study Chowan's desire to seek four year status.

The Board voted with favor on the recommendation. The change will be implemented with the junior class in the fall of 1992.

The Board voted to participate with the Home Mission Board and other conventions in a Sixty Days of Soul Winning beginning January 8, 1995 and to conclude with simultaneous revivals in March and April.

The Board approved a Special Institution Relationship Committee. This is a very important committee. The recommendations from this committee, if approved by the convention, could easily chart the course for the next 50 years.

The study will include, but not limited to:

1. What is needed for the instituions and agencies to fulfill their historic purposes while maintaining their integrity and freedom.
2. Trustee makeup, selection and election.
3. Convention funding.
4. Baptist State Convention Constitutional provisions relating to "services rendered."

The committee will be expected to make a progress report to the convention meeting in Asheville, November, 1991 and present recommendations to the convention scheduled to meet in Winston-Salem in November, 1992.

The New York/North Carolina partnership continues to be an interesting challenge. The New York Convention is very diverse: a large ethnic population, all different kinds of churches, chapels, and preaching points. The Southern Baptist population in New York is small, 27,000 out of a population of 24,000,000. In North Carolina, one out of every six is Southern Baptist. In New York, one out of 840 is Southern Baptists.

The goals of the partnership are challenging.

In 1992 and 1993 - 45 new church starts: 15 to be ethnic, 13 anglo and two black.

The San Paulo/North Carolina partnership is encouraging. Since the partnership began almost 1,700 people have participated. The presence of North Carolina people causes the local people to work harder.

The churches had not tried a concerted crusade of more than one night. A two night crusade was conducted in May with great response. Approximately 100 people from North Carolina participated. Approximately 18,000 assembled on Saturday for the crusade. There are about 120,000 Baptists in the state of San Paulo which had more than 30,000,000 residents. Until this crusade Baptists had been almost a nonentity so far as the government and media are concerned.

THE POLAND/NORTH CAROLINA PARTNERSHIP

Baptist population in Poland is approximately 3,500. A new convert and member is very meaningful. Over 120 Baptist men and women have participated in the Polish partnership. Dr. Keith Parks, President of the Foreign Mission Board, wrote a letter recently stating that "the hottest spot in the world right now, not just in the need, but also in the confusion is Eastern Europe."

The seminary project is growing, even with the inflation rate of 200 percent. Materials needful for construction are becoming more plentiful. Medical needs are tremendous. The hospitals are poorly equipped with a great need for trained people. The entire country has only four dialysis machines, not a single MRI machine. The Raleigh area has 10. Those medical needs prompted four physicians to come from Poland to our Baptist Hospital. They were guided on an intensive, extended tour of the hospital. Efforts are being put forth to open a small free clinic in the town of Bialystok, Poland. It will be run by the Polish Baptist Union and manned by Polish volunteer doctors who are Baptist.

Our convention in 1988 adopted a set of goals called "Mission Vision 95." They are to be the thrust of our Bold Mission Action for the years 1991-95. Those goals are:

Win the lost
Start new congregations
Develop disciples
Magnify worship
Support missions
Minister to human needs
Strengthen families

The convention voted to have five area missionaries or directors by the end of 1992. The procedures needful to meet the convention directive are in the process of being implemented. Present personnel within the convention office will be used to initiate the process.

North Carolina Baptist Hospital has followed the needful procedure to borrow $53,000,000 for new facilities and renovations. The effort by the hospital's trustees is to keep the hospital

in position to meet the needs of people, ministering to the whole person.

This will be my last report on the General Board. I deeply appreciate the opportunit to serve a four year term. This also afforded the opportunity to serve three years on th Executive Committee.

Respectfully submitte
John Grant, General Board Memb

Missions and Outreach Committee Report

The year has been an amazing year in terms of missions within our association. We have seen and experienced God's working in many areas of our county. Sometimes He has worked through our planning and preparation, but at other times He has just moved in His Spirit to produce His own results.

Our subcommittee reports will assist you in discovering the many areas that our Lord is at work. He continues daily to open up new doors of opportunity. It is our prayer that He will give us the faith and wisdom to walk through these doors.

Please continue to pray for our new church starts and for the new mission ministries whic were started this year. May the Lord keep blessing the outreach efforts of each of our churches

Mission Ministries Subcommittee Report

Union Baptist Association assisted in the following three areas of social ministries thi past year. This assistance came through the Association and in some cases the Home Mis

sion Board and the NC Baptist State Convention.

1. During this association year, we have had eight tutors who have worked with a total of 10 students. These tutors have worked with these adult students a total of 419 hours. We give thanks for these dedicated men and women who have given so unselfishly of their time and energies.

   Our special thanks go to the following tutors who have had students this year: Don Conway, Shiloh; Flay Funderburk, Macedonia; Beatrice Griffin, Austin Grove; Floyd Haigler, Centerview; Earline Joyner, Hermon; Gerry Lee, Benton's Cross Roads; Frankie Mills, Mt. Moriah; and Barbara Vassar, Shiloh.

   "Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105. But 27 million adult Americans walk in darkness because they cannot read well enough to read the Bible. Thirty-five percent (35%) are in their 20s and 30s; 40% of people with incomes under $5,000 are non-readers; and 60% of prison inmates have trouble reading.

   Lillian Isaacs, a Home Missionary who was active in Literacy Missions in Kentucky and Alaska for many years, has said, "Watching an adult learn to read is like turning a light on in a dark room. Next to becoming a Christian, learning to read is one of the most important life-changing events. For the Christian, learning to read the Bible opens vast opportunities for spiritual growth that otherwise are closed. The non-Christian reading the Bible for himself/herself enters a dimension of understanding that hearing alone does not give. Enabling a person to read is, indeed, enabling him to run."

   Help us "light candles" in Union County by locating adults who need to improve their reading and writing skills.

   Mrs. Barbara Vassar
   Literacy Coordinator

2. The Good Shepherd, in connection with Oakland Baptist Church, has started a food distribution center for the Hispanics of our community.
3. Sandy Acres Baptist Mission is opening a Food and Clothes Closet which will minister to the residents of Sandy Acres Trailer Park. If anyone has items you would like to donate, please contact Johnny Sims, Annette Griffin or the UBA office.

Music Report

As I think of the year past, it seems short and it looks as if we didn't accomplish much. However, looking closer, I find once again God has blessed us more than we think.

I speak only in terms of the music. We had a great evangelism conference, Ken and Pat Forrester along with Robin Stegall blessed our hearts.

The Annual Association meeting was the best I think we have ever had. The Key Leadership conference at Oakland was not well attended. The leaders for this conference were well prepared. We hope that you will take advantage of this conference next year.

There were alot of conferences and programs that I wanted to do, but did not get them done. I believe the word is *procrastination???*

I stand always ready and willing to help any church music director or pastor in any way I can. Please call (home phone) 283-4643, (work phone) 289-3173.

Yours in His service,
Mr. Kenneth Griffin, Chairperson

Ordination Committee Report

The purpose of the Ordination Committee is to assist in examining candidates for ordination from our churches requesting it. This year we had one request which came from Fairfield Baptist Church to examine Mr. Jim Hess for the gospel ministry.

The Ordination Committee met with Mr. Jim Hess on September 15, 1991 and after their questioning recommended that he be presented to the church for ordination.

We thank our churches for allowing us to help in this process of strengthening our leaders. We hope in this coming year we can assist many of our churches and candidates in this process.

Prison Ministry Report - October 1991

I bring greetings from all the inmates in the Monroe County Jail and the Monroe Prison Unit. There are about 50 men in the jail all the time and approximately 100 in the prison and around 30 or 40 men attend the worship services. There were approximately 20 to 30 men to make a profession of faith in the jail this past year and I don't know how many in the prison unit.

Plans for this year's Christmas party are under way but at this time a definite date has not been set. The men have already started to inquire about the good cakes they have received in years past. We've had good response from the churches over the years and it is greatly appreciated.

A big "Thanks" comes from all the inmates for all the Bibles, tracts, and literature they have received during the past year. We anticipate good things for the remainder of the 1991 year and an even better year as we begin 1992.

Respectfully submitted,
The Prison Ministry Committee

Evangelism Committee

The Union Baptist Association engaged in two very important events during the 1990-9 year in the area of evangelism. On April 20, 1991, Dr. J.W. Hutchens, Chairman o Evangelism of the Baptist State Convention of North Carolina, led a group of pastors an laymen in the "One Day Soul Winning Clinic." He really challenged us to become th witnesses that God's Word teaches us to be. I am certain that those who participated i this event have seen results in their life.

The high point of our year was the Associational Evangelism Conference at Lee Par Baptist Church on Thursday, May 23, 1991. We were blessed tremendously by the specia music arranged by our Associational Music Leader, Mr. Ken Griffin. Our speaker was Dr Kenneth Hemphill, pastor of First Baptist Church of Norfolk, Virginia. He did an after noon seminar which featured his book, *The Bonsai Theory of Church Growth.* The evenin service was really challenging with Dr. Hemphill preaching a dynamic message. The 1 top churches in baptism within our association were recognized with certificate of apprecia tion during the evening worship service.

I taught the evangelism class at the Key Leadership Conference at Oakland Church o Thursday, September 26, 1991.

I appreciate the faithful work of each Evangelism Committee member as well as all o those who make up our association. Thank you for the privilege of serving our Lord i this capacity.

Staff Relations Committee Report 1991

Protection is an instinct each adult has toward his spouse and children.

It hurts to see a child fall or a spouse passed over for a promotion. We want to shiel loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to minister that can provide a life-saving margin for his family in the event of his disability or death

The good news is it costs him nothing if he is an eligible participant in the Churc Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convention and includes several benefits.

These benefits can mean receiving:

- up to $67,500 in special survivor benefits if you die prior to retirement, or whil receiving a disability benefit.
- up to $300 a month if you become disabled and unable to perform any gainfu employment due to physical or mental capacity.

Additionally, up to $35 each month can be credited to your retirement income accoun during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that matcl dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves you dollars free to build your retirement security. It is an important benefit that many minister overlook in the retirement plan," Frank Schwall, senior vice president of Member Service

The average annuitant in North Carolina receives $287.43 per month, up from $234 las year.

North Carolina has 3,396 members making contributions to Annuity Board retiremen plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to mak all of our churches (and ministers) aware of the opportunities and the need to act on them

But there is still much to be done! Consider these facts:

- small contributions make the annuitant's benefits small: In North Carolina
  185 receive less than $50
  482 receive less than $100
  1,041 receive less than $200
  1,338 receive less than $300

There is a *great* challenge still before us to help ministers prepare for the future and t help churches be responsible employers.

For more information about enrolling in the Church Annuity Plan, call the Annuity Board's toll free number, 800-262-0511. In North Carolina, you can call or write: Jim Lambert, Administrative Associate for Minister Support, P.O. Box 1107, Cary, NC 27512-1107; 800-395-5102.

Sunday School Report

BREAKTHROUGH, the recurring theme for Southern Baptists in Sunday School for 1990-1995, is still desperately needed in most of our churches. It is needed in evangelism and in Christian living.

To help our churches achieve BREAKTHROUGH in doing what our Lord has commis

ioned us to do (Matthew 28:19-20), Southern Baptist Churches and Sunday Schools are alled to a fresh sense of the urgency of doing the following tasks:

1. *REACH* persons for Bible study.
2. *TEACH* them the Bible.
3. *WITNESS* to them about Jesus.
4. *MINISTER* to persons in need.
5. *LEAD* members to worship.

Our Sunday Schools should be the outreach-evangelism arm of the church. As such, it s the church's major organization in carrying out the above tasks (mission).

The Union Baptist Association ASSITeam is committed to helping the churches of our ssociation, in any way possible, to realize BREAKTHROUGH in Sunday School. Every ıember of the ASSISTeam is well prepared, having received extensive training at Ridgecrest Conference Center, to help your Sunday School. All they need is an invitation from the astor and/or the Sunday School director.

During the 1990-91 Associational Year, the ASSISTeam participated in the following ıinistries:

1. Conducted a Pastor/Sunday School Director Literature Awareness Workshop.
2. Conducted a Sunday School Associational Training School (Taught BREAK-THROUGH books).
3. Conducted a Literature Workshop for all Sunday School workers (Improved Literature Introduced).
4. Conducted a Pastor/VBS Director Early Clinic.
5. Conducted two Vacation Bible School Clinics.
6. Conducted one local church conference.

Many thanks are expressed to those who served on the ASSISTeam and the Vacation ible School Team this past year.

Through much effort (ministry and training), the ASSISTeam earned the ASSISTeam tandard Certificate for 1991, and was awarded the certificate by the Southern Baptist Con-ention Sunday School Board.

Trustees' Report

The responsibility of the trustees are to inspect and inventory associational properties s well as recommend a program of maintenance for these properties. This year several minor epairs and some painting have been done to improve appearances of our Associational uilding.

We had some concrete poured to prevent the erosion of the driveway leading into the ower parking lot behind the building. The trustees recently had all the tile floors in the UBA building cleaned and waxed. This greatly enhanced the inside appearance of our offices.

The final task we have to report is the signing of the papers giving the Department of ransportation permission to pave the road joining the property at Christ Baptist Church. his will be a major improvement for our new work there.

We hope that in the coming months you will make a point to stop in and see the mprovements at our offices. Thank you for allowing us to serve you in this area.

Woman's Missionary Union Report

"To him who by means of his power working in us is able to do so much more than w can ever ask for, or even think of: to God be the glory in the church and in Christ Jesu for all time, forever and ever! Amen." (Eph. 3:20-21, TEV).

Women who juggle families, careers, church activities, friendships, education, exercise volunteer work and more need to recognize the power of the Holy Spirit at hand. For al the demands and responsibilities that fill our days, God's power is sufficient.

Today's missioning women must recognize these truths. First, our reason for being i to share Christ. Second, the Holy Spirit is the primary and ultimate power to lead and enabl us to be involved personally in missions. Third, churches and people have diverse needs wants and styles.

Throughout the year the members of Woman's Missionary Union in the 55 churches witl at least one WMU organization have participated in activities which will deepen their faitl and enhance their vision. These new organizations have been reported: BYW, Pleasan Hill; Acteens, Olive Branch; GA, Centerview, Mary Elizabeth, New Hope, Weddingto First; and Mission Friends, Monroe First, Mt. Moriah, Olive Branch, and Weddington First

The associational WMU officers have attended training sessions and provided training fellowship, inspiration, and leadership for the local church WMU members. Involvemen in mission support and in mission ministries has been encouraged. In cooperation with th Associational Prison Ministry, the Associational WMU gave Christmas gift boxes to th 182 inmates at the Monroe Prison Unit and the County Jail. More than 100 homemad cakes were donated for the prison Christmas parties. Some of the women assisted at th Special People Retreat sponsored by the N.C. State Baptist Convention, Wingate College Association for Retarded Citizens and Union Baptist Association WMU. The WMU als furnished the noon meal. The Mary Blair Scholarship recipients for 1991-92, each re ceiving $500 for their freshman year at Wingate College are Julie Griffin, Calvary and Am Threadgill, Sutton Park. A sizeable donation in memory of Evelyn Price Bivens, who gav many years of dedicated service to the Associational WMU, was made to "Gifts of Love," the American Bible Society project for Bibles for Russia and Eastern Europe.

WMU members in the churches have been very active throughout the year. Not only hav they given material resources to social agencies, institutions, and individuals for missio ministry outreach, but also many members have volunteered time. Many visits, planne activities, special programs, and worship services have been provided for nursing and res homes. Others have been involved in tutoring, literacy, and helping with the new churc starts.

The Baptist Women's Day of Prayer was observed at Mary Elizabeth. The annual meetin was hosted by Oakland on April 11, 1991. The Carl Houston's shared experiences fron their missionary work in Malawi. Age-level meetings were held for each organization i addition to the Leadership Conference. Baptist Women studied the book *Empowered.* BYW members were introduced to the beliefs of Satanism, Mormons, Jehovah's Witnesses, an the New Age Movement. Acteens Activators was the topic for an Acteens meeting. Abou 150 GAs and their leaders learned about Spain at Day Camp. Mission Friends leaders studie teaching through activities.

These churches received recognition on the WMU Achievement Guide in 1989-90 DISTINGUISHED — Benton's Cross Roads, Fairfield, Hartis Grove, Hopewell, Macedonia Monroe First, Mt. Zion, Sandy Ridge; STANDARD — Sutton Park. The Associationa WMU is DISTINGUISHED for 1990-91.

The Holy Spirit is the power that enables us to be God's instruments in carrying ou the Great Commission. The prayerful concern of Woman's Missionary Union is that mor women and girls will deepen their faith, enlarge their vision, engage in lifestyle witnessin and become empowered missioning tools for God.

The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

Reports Section

American Bible Society Report

Today God's Word can be shared more freely with the peoples of the world than at any previous time. New doors have opened in the former Soviet Union, Eastern Europe, Mongolia where the people are learning for the first time about Christ, countries in the Middle East, Cuba, and Latin America where people are eager for the guidance of God's Word.

In 1991, the American Bible Society celebrated 175 years of outreach to the peoples of the world sharing God's Word in the languages and formats they can easily understand. Scriptures were provided for Desert Storm, correctional institutions, schools, hospitals, nursing homes, community organizations, individuals, churches, and Christian ministry agencies. Special Portion and Selection formats were created for troubled youth, drug abusers, homeless, AIDS sufferers, etc. More than 7,000 volunteers contributed toward promoting the work and mission of the ABS.

During the year, speakers of 32 languages received at least one book of the Bible for the first time. In those languages which have had the Bible many years, new versions are finding new and enthusiastic readers among the young people of the world. In 1991, the ABS released an entirely new English translation of the New Testament, the Contemporary English Version, entitled *Bible for Today's Family.*

According to statistics, the world's population is increasing by three people every second. By the year 2000 AD, another billion people will be waiting to be reached for Christ. To meet these future challenges, many must be willing to help by giving of their money and time.

The ABS, the largest non-profit publisher of Scriptures in the United States, presses forward to make God's Word easily available to everyone in the country. The Southern Baptist Convention encourages its members and churches to participate in the outreach of the ABS. You may send contributions or make requests for information to this address:

Baptist Children's Homes of North Carolina, Inc.

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but perservered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fundraising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A State Champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a Child a Chance!" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal

of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of the Cameron Boys Camp to a more secluded site on its 903 acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers, and two-year olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. Baptist Children's Homes, Inc. sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change and often. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

Baptist Children's Homes enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a Child a Chance!" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

Still, the Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, Kathy, Chris, and Barbara come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

North Carolina Baptist Hospital

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, The Trauma Center, and The J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in its rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Stitch Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

1992: Making Life for Older Adults the Best of Times

One of the greatest needs facing North Carolina Baptists as they move into 1992 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our Convention. The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist Life. The 85 and older age group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our State, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than

he average North Carolina Baptist Older Adult could pay). And to make matters even worse, in pite of the high cost of those beds, often the quality care provided through those beds was fair t best. In other words, the greatest problem facing North Carolina Baptist Older Adults in 1992 was the fact that there were simply not enough affordable nursing care beds available for use by people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds become available in the Piedmont area of our State in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill Northwest Asheville. It is our institutions's hope that by 1994, affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60 percent of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Care Center in Asheville...a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly...the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

The Biblical Recorder

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description - on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched on 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Brotherhood Report

To reinstate God and prayer where they belong in America, we must put God first in our lives, and prayer back in our homes. Three of the basic tasks of Brotherhood are to pray for missions, involve men and boys in missions, and help them develop their own personal ministry. To encourage these goals, we added two projects this year.

The first project was a "Mission Expo," held at Wingate College. There were thirty exhibits featuring many ways to become involved, with a part or a lifetime commitment of service. I trust you were able to take advantage of this exposition.

The second project was in connection with a seminary that North Carolina Baptist are helping build in Poland, where there are only about three thousand Baptist. Union Baptist Association was blessed with the privilege to bring a Baptist pastor, Waladyslaw Wakula, to our Association from Szczecin, Poland. He studied theology five years at universities in Europe; speaks seven languages; is very conservative and humble, with a discerning spirit; and loves the Lord. He spoke in six churches and two schools. Thanks to the churches that helped sponsor his trip and permitted him to live in our home. It was a privilege we will always cherish.

Thanks again to Steve Little for the job he did as our Royal Ambassador Director and to Austin Grove RA leaders for hosting the Associational RA Racers Competition.

I would like to thank all the members of Union Baptist Association for your support and for allowing me to serve with the Associational Brotherhood Committee for the past twelve years. It has taught me the importance of missions. I realize most could have done a better job, but I assure you, no one could be more thankful for the opportunity.

Mr. Gene Williams, Director

Update on Hurricane Andrew

Between August 25 and September 27, our North Carolina Baptist Disaster Relief Unit prepared and served over 170,000 meals to victims of Hurricane Andrew. We have had 12 different teams to work on the unit and a total of over 300 volunteers to work on our North Carolina Feeding Unit.

Over 60 volunteer construction teams from North Carolina have gone to South Florida to help with the clean up. Over 500 North Carolina Baptists have helped with cleanup and construction in the South Florida Area.

So far, North Carolina Baptist Churches have contributed over $500,000 to the Disaster Relief Fund for Hurricane Andrew assistance. Twenty-five (25) tractor-trailer loads of building materials have been purchased and sent to South Florida at a cost of $200,000. In addition to this, $250,000 has been sent to the Florida Baptist Convention from the North Carolina Baptist Convention for disaster relief assistance. Also, North Carolina Baptists sent four tractor-trailer loads of canned foods and non-perishable items to the Florida Baptist Convention Staging Area at Pembroke Road Baptist Church. These items were also channeled through local Baptist churches to victims of Hurricane Andrew. In addition to this, $10,000 has been sent to the Louisiana Baptist Convention and $5,000 to the Hawaii Baptist Convention for disaster relief.

Volunteer construction teams are still needed. Teams do not have to be self-sufficient. Volunteers do need to bring a cot and a sleeping bag. Contact North Carolina Baptist Men's Office for more information.

The Christian Life and Action Committee emphasizes good government, race relations, Christian relations and Christian Literature. Another area of concern was the local hunger situation. Churches were encouraged to give special consideration to hunger conditions in their own community.

For the 10th consecutive year, the gambling industry has not been able to secure passage of any gambling legislation such as a lottery or pari-mutuel betting (horse and dog racing).

The industry made its biggest push ever during the 1991-1992 legislative session. They secured 14 of the most effective and best known lobbyists that money can buy to push for their cause, but to no avail. When the legislature adjourned on July 24th, the gambling industry threw in the towel realizing that they did not have the votes in the NC House to pass their state-sponsored gambling bill, the lottery.

What made the difference? People like you did. You secured the commitments from your legislators that the role of government is not to exploit their weakest citizens, but to appeal to their strengths. Gambling violates that age-old principle.

There is one thing for sure. The pro-gambling forces will be back. However, the issue will be decided on November 3rd at the General Election. If you elect legislators who are opposed to state-sponsored gambling, it will not make any difference how many lobbyists the gambling industry employs. The decision is in your hands. How do the candidates from your area stand on this issue?

There are other very important moral issues that you need to discuss with your legislative candidates. Some of them are:

1. SEX EDUCATION: Are our young people being deceived into believing that "safe sex" outside of marriage is possible and okay? The current rise in venereal diseases and teen-age pregnancies, and the related emotional problems tell us we must focus attention on this issue.

2. ABORTION: The Supreme Court ruling regarding the abortion law of the state of Pennsylvania opens the door for further restrictions and conditions under which abortions can be performed - leaving this up to the states. This year we have worked on trying to get legislation passed requiring parental consent for abortion on minors, and reducing abortion funding. Both of these measures passed in the House but died in the Senate.

3. ALCOHOL/DRUG ISSUES: It is so important that we continue to address problems related to alcohol use and abuse. Reducing the blood alcohol standard for DWI from .10 to .08 was one of our targets this year, but it also failed to pass in the Senate after passing in the House.

We cannot overemphasize the importance of getting to know who your candidates are and how they stand on these key issues. Plato put it so well: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Thank you for standing with us in the cause of applied Christianity.

The Christian Life Commission of the Southern Baptist Convention

The Commission seeks to develop Christian morality among Southern Baptists by emphasizing the application of the principles of the Christian faith both in personal and public life. An ongoing effort is made to provide Christian ethics services to other Southern Baptist agencies, state Baptist conventions, associations, churches, and individuals to enable Southern Baptists to deal more effectively with the serious moral challenges of our time. The Commission encourages the formation and activation of Christian Life Committees at all levels of Southern Baptist life beginning with the local church. By coordinating and correlating Southern Baptist social concerns, the Commission helps to make the greatest possible impact for Christ in support of the Convention's total objectives.

The presence of full-time Washington-based staff has enhanced greatly the Commission's ability to fulfill the portion of its program statement which calls on the it to "bring to bear Baptist statements, convictions, and insights in the field of Christian ethics and religious liberty upon important policy making groups" and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public health, and other matters pertaining to social welfare."

During the past year, the Washington and Nashville staffs have worked diligently to share both with congress and the White House numerous convictions and concerns of Southern Baptists. Commission staff members have been active in corresponding and meeting with members of both the legislative and executive branches of the federal government concerning areas of Southern Baptist concern. Also, with the approval of the approval of the Convention's Executive Committee, the Commission launched a new publication, *Salt*, in a newsletter format (six issues a year), which seeks to keep Southern Baptists informed on public policy and issues active in the administrative, judicial

and legislative branches of the federal government. The goal of *Salt* is to inform and motivate Southern Baptists to influence their president, senators, and representatives in a responsible, scriptural manner.

The Commission has also been particularly active during the past year in leading a strong coalition of numerous groups supporting legislation restricting alcohol advertising and requiring mandatory health warnings on alcohol advertisements. Abortion, drug abuse and pornography are among the other issues on which the Commission staff has been involved through the Washington office in the past year. The Commission remains particularly concerned about the serious threats to religious liberty posed by recent Supreme Court decisions and works closely with a coalition of groups trying to remedy these threats both through legislation and judicial action. The Commission also continued to pursue the fulfillment of its program statement this past year through the filing of *amicus curiae*, "friend of the court," briefs in cases involving abortion, pornography and religious liberty.

In the religious liberty arena, the Commission also filed its first independent *amicus curia* (friend of the court) brief in the U.S. Supreme Court in the *Lee v. Weisman* school graduation prayer case. In this brief, the Commission asked the Court to overturn a lower court order prohibiting invocations and benedictions containing the word "God" at public school commencement exercises. The Commission has also asked the Court to revise the "Lemon" test and suggested a new test to replace Lemon, a test which is premised on the principles of government accommodation of religioius practices which exist independently of government action and are not induced or coerced by government. The Commission believes students must have the right to free exercise of *their* religious liberty while in school, to associate voluntarily with one another during lunch, recess and free periods to pray, study the Bible and to discuss religious issues with each other without government control or censorship.

The Commission's 1992 annual national seminar in Washington, D.C. was entitled "Citizen Christians: Their Rights and Responsibilities." The program combined interpretive biblical themes with addresses on subjects such as "How Christians Can Make a Difference Inside Government" and "What You as a Christian Can and Cannot Do." The seminar also included a White House briefing and a congressional breakfast where seminar participants had the opportunity to interact with various senators and congressmen about issues of concern to them.

The Commission continued its long-standing leadership in the field of race relations by sponsoring a consultation which brought Southern Baptists of many racial and ethnic backgrounds together. The consultation was very helpful in addressing the goals the Commission seeks and the obstacles the Commission faces in encouraging our denomination and our society to be more Christ-like on this issue in the years ahead. The Commission also provided leadership in the National Coalition Against Pornography and during Bible Preaching-Church Administration Weeks and National Student Weeks at Ridgecrest and Glorieta. Commission staff also served as resource persons in events held in numerous state conventions as well as for other Southern Baptist agencies and entities.

The Commission continued its responsibility assigned by the Southern Baptist Convention for education and action related to the issue of hunger. Commission staff produced the 1991-1992 World Hunger Awareness/Action Guide entitled *Hunger*. This guide was mailed to every church in the Convention to encourage and to support the observance of World Hunger Day. The Commission produced film, *What shall We do in a Hungry World?*, which had previously been mailed in videotape form to Southern Baptist associations, continued to be used significantly in heightening Southern Baptists' awareness on this vital issue.

Church Extension Report

"In Transition Yet Pressing On"

The past year for Union Baptist Association has been a year of transition and change. Rev. Clarence Vassar retired on January 2, 1992, and the Association has continued to move forward at the direction of a strong council and executive committee.

There has been much progress made in the last year, even though, we have not called a new Director of Missions. The winter and spring months were spent in a conscientious time of planning.

On April 2, 1992, our Association took part in a county-wide probe. We had 23 churches who articipated and we were able to discover many new opportunities for ministry and mission in our rea. The Mission and Outreach Committee is continuing to follow up on these opportunities.

A long-range planning committee was elected and worked along with Rev. Charles McMillian o formulate a long range plan for Union Baptist Association for the next five years. Our objectives s outlined in the report on page 32 and following are:

1. Evangelism
2 .Encourage Unity
3. Involvement in Ministry
4. Church Growth and Development
5. Denominational Cooperation.

We hope to take the report and have several town meetings across the Association during 1993 n order to discuss and get input from a broader representation of the Association.

Union Baptists also decided that in 1993, we would lead our county in an area-wide Rick Gage Crusade. The dates for the crusade are April 25-29, 1993, at the Walter Bickett Stadium in Monroe. Preparation for this event is already under way. We need to join our hearts and churches together n prayer for our county and neighbors.

The Lord has continued to bless our Association financially. In 1991-1992, our church receipts were $1,852.45 over the previous year. We closed out the year with total receipts of $149,963.59 nd total expenses of $132,918.41. This means that we took in $17,045.18 more than we spent n 1992. The Association has a strong base; however, we need to continue to broaden our giving n order to reach our county with the gospel.

Our Association dealt with two storms during this past summer. First, there was Hurricane Andrew which you responded to with an overwhelming amount of assistance. Our churches joined ogether to send over ten pickup loads of goods to aid the victims in Southern Florida.

You also sent $10,043.17 through Union Baptist Association to the State Convention. These went irectly to the victims of the storm. This figure does not cover the monies sent directly to Florida y some of our churches. Thank you Baptists of Union County for your gracious response to the eeds of others.

The second storm that our Association experienced was that of Conflict and Change. For several months now our Association has been taking a closer look within ourselves. Dr. Lawrence Childs, a consultant with Master Designs in Charlotte, NC, conducted interviews and a survey of the pastors and leadership of the Association. He gave his Conflict Management Report on October 6, 1992, at Shiloh Baptist Church. This report has been included in this year's Book of Reports and he recommendations will be voted on during our annual meeting.

Dr. Childs has suggested that 1993 be declared, "A Year of Reconciliation." Paul, too, wrote to the Corinthians about reconciliation. "Now all these things are from God, who reconciled us to Himself through Christ, and gave us the ministry of reconciliation, namely, that God was in Christ reconciling the world to Himself, not counting their trespasses against them, and He has committed to us the word of reconciliation" (2 Cor. 5:18-19). Reconciliation involves making peace with one another. Therefore, in 1993, let us accept God's challenge to carry out His ministry of reconciliation in our association.

Evangelism Committee Report

The Associational Evangelism Committee of Union Baptist Association has been very active during the 1991-92 associational year. We met regularly in an attempt to plan and promote a very high quality and inspirational Evangelism Conference on May 7, 1992. The one evening worship experience was held at Trinity Baptist Church of Monroe and the guest speaker was Dr. Ron Lynch, pastor of Hunter Hills Baptist Church, Greensboro, NC. He did a tremendous job in delivering a challenging message from God's word. We wish to thank Ken Griffin for a very fine program of special music.

During this year, the burden for an area wide Rick Gage Crusade for Christ began to be felt in the hearts of some of God's people. The Associational Council asked the Evangelism Committee to prayerfully lead in a survey of the pastors of Union Baptist Association about their interest in a crusade. We found that a strong majority were also sensing God's leading in this direction and would support such an event. We reported back to the Council and they approved this as a matter to be presented to the Executive Committee. The Executive Committee approved and adopted the motion for the Rick Gage Area-Wide Crusade to be held April 25-29, 1992, in the Walter Bickett Football Stadium in Monroe. Please join in prayer for the Crusade. May I challenge each church to become a part of this great soul-winning cause for Christ.

The study has been completed and the report will be presente at the Annual State Convention in November of 1992. Copies of the report have been distribute to every church in North Carolina. If you did not receive a copy, you may call the State Conventic and request one.

The next delicate subject was that of changing the day of the week on which the State Conventic meets. The General Board will make a recommendation this November to the Convention to chang the meeting of the North Carolina State Convention to Friday and Saturday for the next two year This will be a trial period of time and no permanent decisions will be made until this test perio

The greatest issue to face the General Board in 1992, was the issue over homosexuality. The Boar passed the following recommendations as their statement on this issue:

> The President and the two Vice-Presidents of the Baptist State Convention, the Preside and the Vice-President of the General Board, and the Executive Director of the Bapti State Convention will make the following recommendation to the General Board at the regular meeting, May 19, 1992, at Caraway Conference Center at Asheboro:
>
> That the Business and Financial Policy of the Baptist State Convention of North Carolin and the General Board be amended by adding to II, 4 a new paragraph ''a'' as follow a. No funds of any kind, designated or undesignated, shall be accepted by this Conve tion, its programs, institutions, or agencies, from any church which knowingly takes, c has taken, any official action which manifests public approval, promotion or blessing c homosexuality. Any such church shall not therefore qualify as a ''cooperating church'' as defined in Article IV, A, 3 of the Constitution of the Baptist State Convention of Nort Carolina.
>
> This in no way negates the importance of local church autonomy or the Biblical mandat for all Christians to minister to the needs of all people in keeping with the spirit of ou Lord Jesus Christ.

The General Board has also spent much time this year working in the area of missions. The Boar and North Carolina Baptists have entered into a partnership with the New York State Conventio and with the Ukraine. These partnerships will go on for the next three years.

The General Board shares regularly the financial support for missions. The following chart cam from the report submitted at the May, 1992, General Board meeting.

Central Baptist Church

The Pastor and the Congregation of Central Baptist Church is very pleased to report our growth uring the past year. We have had a total of 73 new members, 31 of which were baptized, and 2 by letter or statement. We lost 13 to other churches. Our roll started out with 293 and ended p being 353.

During the past year, our Sunday School attendance has nearly doubled, our Youth Program has rown tremendously, as has our Children's Church, with a growth of at least 25% there. Our Vacaion Bible School had a record attendance with an increase of 50%. We have also had to convert ur old sanctuary into new Sunday School classrooms, and move from our present fellowship hall nto our gymnasium for our fellowships, all due to the growth.

Some of the new programs that have been implemented in the past year at Central are: a Ladies Group, Senior Saints Group, Brotherhood, we have had to break our Youth Group into three age evels, and we have added six new Sunday School Classes, and we have started an Evangelism Exlosion Class (E.E.). We have also been able to purchase two new vans, that we use to transport eople who would otherwise not have a way to come to church.

We are very pleased with the way that the Lord has blessed our church in the past year, and look orward to the coming year.

Emmanuel Baptist Church

This has been a busy, but rewarding year at Emmanuel. We are grateful that the Lord has blessed n so many ways.

-Although our church budget was increased 24% over the prior year, the Lord blessed in meeting nd exceeding this budget.

-Hired a part-time secretary.

-Organized a very active WMU with 21 members.

-Established policy for lending Church chairs and tables to members for special occasions.

-Authorized Deacons and Pastor to ask for direction from the Sunday School Board in phase two of our building program. This would include a master site plan, kind and size of building and cost estimates.

-In August, Mr. Jim Coil of the Sunday School Board met with Church Officers and Council Members in preparation for a master site plan proposal. We're looking forward to receiving a report from Mr. Coil's study in early October.

-Replaced heating element in Baptistry.

-Corrected pipe and electrical problems in septic tank.

Faulks Baptist Church

On July 5, 1851, a group of people, 13 men and 21 women, agreed unitedly to petition the respective body at Mount Olive Baptist Church to dismiss them in order to start a church. The Mou Olive Baptist Church sat in conference the 19th day of July, 1851 and granted their request.

On August 1, 1851, according to the request of Rev. Solomon Snyder, Rev. E.L. Davis, Re E.C. Williams, Rev. S.P. Morton and deacons John Griffin, John Bridway, and S. Rushing m and a presbytery was held and constituted them a church to be called Faulks Baptist Church. B.I Benton was named chairman and S.H. Parker church clerk.

The first building was made of logs and stood about one-fourth mile west of the present locatio The second church was among the dogwood trees where the old part of the cemetery is now. 1900 the church building was sold and a new building was built. This was a weatherboarded, on room structure. In 1916 another room was added and in 1922 this room was remodeled and tw larger rooms added. On Easter morning, April 9, 1939, this building was destroyed by fire. Anoth building was then erected. In 1945 our present church was erected, and in 1967 an educational buildir was added. A new parsonage was built in 1974 across from the church. In 1981 a nice fellowsh building was built. In 1988, the church building was refurbished.

The following ministers have pastored Faulks Baptist Church: Rev. Solomon Snyder, Rev. E.I Davis, Rev. S.J. Fincher, Rev. B.S. Reader, Rev. John W. Davis, Rev. J.L. Bennett, Rev. D.A Snyder, Rev. Joe Bivens, Rev. A.C. Davis, Rev. E.C. Snyder, Rev. J.B. Little, Rev. Luther Li tle, Rev. Rommie Pierce, Rev. G.W. Burch, Rev. Ernest Hancock, Rev. A.E. Mardaris, Rev. Haro D. Mains, Rev. Bobby Martin, and our present pastor, Rev. W.J. (Bill) Taylor, who became ou pastor in 1991.

Howie Baptist Church

During the past year God has blessed our church in many, many ways. For a long time our churc struggled to stay above more than "just a handful" of active members. Four years ago, God ser us our current pastor, Rev. Donnie B. Crump. God gave Donnie a vision of a new building fo us at Howie. Although it seemed like an awesome undertaking for us, God has shown us what h can do. In the fall of 1990 no lending institution would give us a construction loan. Not being dis couraged, we prayed and asked God for the answer. It was revealed to us that we were to go ahea with the building and pay for each step as we went. So we went forth.

With a limited amount of money in our building fund, we studied and approved plans. We decid ed on a 5,400 square foot building that would contain an auditorium, that could be converted t a fellowship hall, as well as a kitchen, a nursery, an office and 12 classrooms.

We had enough money to put in the foundation and pour the concrete slab. Then we had to wait. Over the next several months God blessed our church with over $20,000.00 to our building fund. In the early spring of this year we went up with the walls and the roof. When construction stopped this time, we had our new building completely dried in, doors, windows and baptistry included. We are currently installing the heating and air conditioning systems and hope to have the wiring completed soon and everything up to this point is paid for. It is great to see what the Lord can do.

During this past year we have seen our membership almost double and have had many to come to know the Lord and be baptized into God's family.

The church purchased a van for general use by all church groups.

We voted to use the house adjacent to the church as a "Youth House."

Mission and Outreach Committee Report

The heart of the New Testament is people accepting Christ as Savior and Lord. This is the reason for our committee.

As our county population continues to grow, our Union Association of Baptist Churches must grow. The emphasis of our committee has been in two areas:

1. Established churches need to continue to grow and minister to needs around them.
2. In areas of population growth and specific ministry needs, churches and missions need to be started to meet the needs of the county.

The subcommittee reports given below will give a better insight to our varied involvement in these areas for the 1991-92 year.

We are grateful for progress made in the past, but we must not rest for our work is not completed. This is our mandate from our Savior.

Respectfully submitted,
Rev. Tony Medlin, Chairperson

Church Starts Sub-Committee

The Mission and Outreach Committee voted to recommend an Established Guidelines to Fellowship in UBA in January, 1992. Rev. Joe Larrimore was instrumental in drafting these guidelines.

Report on missions and new works:

Christ Baptist Church: In January, 1992, Christ Baptist paid off their land debt with a check of $24,817.69. As a new church, this was quite an accomplishment in such a short period of time. They are being presented for UBA membership at the 1992 Annual Meeting.

The Good Sheperd Mission: (El Buen Pastor) This work is sponsored by Oakland Baptist Church and continues to minister to Spanish speaking people under the leadership of Rev. Tommy Concha, pastor. They have recently begun a Sunday School class with the help of Mr. Moises Hernandez, a member of Roanoke Baptist Church.

Sandy Acres Mission: Sandy Acres has called Mr. Johnny Sims as their bi-vocational pastor. Euto Baptist Church is the NC sponsoring church.

Solid Rock Baptist Church: Under the leadership of Rev. Wayne Baker, Solid Rock has continued to expand their ministry outreach this year by helping two area nursing homes. They are being presented for UBA membership at the 1992 Annual Meeting.

Sun Valley Baptist Fellowship Mission: In January and February, 1992, Sun Valley Baptist began with a telemarketing approach called "Project Evangel." More than a dozen churches provided 59 volunteers for the phoning. These volunteers dialed 14,329 numbers and began a contact list with 1,284 names on it as prospects. Christ Baptist Church is the primary sponsor for this work with assistance by Emmanuel Baptist Church, Mt. Pleasant Baptist Church, Weddington-First Baptist Church, all of UBA, and Colesville Baptist Church, Silver Spring, Maryland. The congregation was invited by Hartis Grove Baptist Church to share space by allowing this young church to meet in their Family Life Center. Special thanks to the people of Hartis Grove for their vision for missions. Their goals include continuing to grow in number and securing their own land and building to become a local church ministering to the needs of people in the Sun Valley area.

Wingate Baptist Mission: Wingate Baptist Church is sponsoring the mission work at the C & M Mobile Home Park.

New work and Mission Pastors/Representatives were contacted by letter dated June 9, 1992, regarding a new policy set by the Mission and Outreach Committee. All were asked to submit monthly written reports with personal attendance at committee meetings on the last month of each quarter (Dec., March, June, Sept.).

We also had one church to leave the association this year. In March, 1992, Pathway Baptist Church ted to disband and merge with Forest Hills Baptist Church by a 2/3 majority vote.
Presently, we have 68 churches and 4 missions in our association.

Respectfully submitted,

Land Search Sub-Committee

We investigated land for the Sun Valley Baptist Fellowship mission work. Concerns from the xecutive committee over financial expenditures has led us to slow our search for land purchases. Presently, we have $35,000 set aside for land purchase. As land prices escalate, we need to select site. Pray for progress in this area. If you have information that will help us, please contact somene on this sub-committee.
There are no other pressing needs for land purchases for other missions or churches.

Mission Ministries Sub-Committee

From its onset, this year has been a very busy one for our associational involvement in mission ninistries.
In January, the response of over a dozen churches to provide 59 volunteers to assist with phoning or Sun Valley Baptist Fellowship's beginning was exciting.
Sandy Acres Mission began a food and clothing closet in November, 1991. There is a tremendous ieed for this assistance in their mission area. All donations are welcome. A request by the Mission ind Outreach Committee to the Home Mission Board asked for $1,000 to help with this ministry.
The Good Sheperd also operates a food closet. In July, 1992, five summer workers from Mexico ind/or SC, came to help with evangelism efforts. The committee approved to allow aid of $300 o assist with their expenses. Mr. Moises Hernandez agreed to assist as a bi-lingual Sunday School eacher once or twice a month beginning September 6, 1992.
This year, UBA was fortunate to be able to employ two summer workers from Southern Seminary. Ms. Beth McGuirt worked mostly with New Works and Mr. Rodney Tucker was involved with Church and Community Ministries. They worked well together and were available, upon request, to help our churches. They conducted numerous Back Yard Bible Clubs (BYBC) and Vacation Bible Schools (VBS). They also assisted with "Super Summer" weekend at Carowinds in July, and updated our Union County Ministries Booklet regarding local agencies.
The association maintained our Literacy Program in which eight (8) tutors worked with eleven (11) students. We are happy to welcome our new Association Literacy Director, Mrs. Amy Hess, who has helped to organize a Literacy Training Conference held October 22-24 at the UBA office. The training for this conference was provided by Sheila Black, Director of Church and Community Ministries, Mecklenburg Association.
Preparations for having the Baptist State Convention Medical Van come to Sandy Acres Mission and The Good Sheperd Mission were begun. A total of 145 personal hygiene kits were prepared and submitted to the association by nine different churches. Each kit included the following items in a ziplock bag: soap, soft toothbrush, 6.4 oz. toothpaste, washcloth, hand towel, deodorant, and comb. From this total, and at church request, 75 kits were sent to Florida to help Hurricane Andrew

victims in September, 1992. We have 70 kits remaining at the UBA office and are still acceptin kit donations. The medical van will be scheduled in 1993.

For our association-wide relief effort to the victims of Hurricane Andrew, we sent over 10 picku truck loads of can and staple goods and supplies. In addition to this, several church and persona contributions came in totaling $10,043.17 to be sent. This amount doesn't include any amounts ser directly by some churches to the state convention. Our committee was very pleased with the Chris tian love shared by Union County Southern Baptists and the cooperative effort this project demon strated.

On April 2, 1992, association churches sent representatives to participate in an Opportunities fo new Ministries field search. State consultants accompanied these representatives in canvasing Unio County. The Mission and Outreach Committee has evaluated the information generated from thi venture and, in conclusion, we would like to emphasize some of the opportunities for our churche to consider as goals for the coming year.

These suggestions include individual church opportunities, co-sponsoring church opportunities and associational opportunities.

Individual or Co-sponsoring Opportunities

1. Ask The Good Sheperd to visit area Hispanic communities and assist them in offering BYBC or VBS. Check with Oakland on the possibility of busing residents to services.
2. We would like to see a new black ministry work started in our association. To open this door the sponsoring church could focus on VBS training and/or male responsibility.
3. Work with area Volunteer Fire Departments to establish on site S.S. classes or Bible study groups. If regulations permit, use VFD facilities as ''teaching points'' to expand ministry services.
4. Renew dedication to support our prison ministry and expand its current boundaries.
5. Offer support to expand the media center resources available at the association office.

Associational Opportunities

1. Secure listing of county mobile home parks, as well as, commitments from the association churches to sponsor several BYBC (one day each week) throughout the summer months following a ''kick-off'' week of VBS. Coordinate schedule to allow assistance from summer workers, if possible. May need Special Association Committee responsible for this task.
2. Expand special needs ministries throughout the county by providing educational seminars to assist churches in meeting special needs. For example, offer sign language classes to promote deaf awareness/acceptance.
3. Organize a drama troupe as an outreach ministry to perform area skits on Christian Life Application. Topics could include: drug education, family planning, peer pressure, single parenting, etc.
4. Suggest and organize mission trips/projects for youth, adults, and seniors to promote mission oriented outings. For example, working with Operation Santa Claus, JAARS, Habitat for Humanity, etc.
5. Expand Community Outreach/Awareness by sponsoring a ''baby-changing'' booth at events, like the Monroe Mall Baby Fair and the Blooming Arts Festival.

It is our desire that these ideas will inspire **each** of our association churches to renew and expand their individual dedication to mission ministries and their participation in associational sponsored events in an effort to stretch out a Christian hand throughout our community and touch lives with a new knowledge of Jesus Christ.

Respectfully submitted,
Mrs. Melba Zimmerman, Chairperson
Mrs. Ann Grayson, Rev. Victor Payne
Mr. Johnny Sims, Rev. Marvin Tyson

Associational leaders interpret convention programs and assist churches in adapting them to meet their needs. They also enable churches to build their own programs when these are needed. Having association-wide training conferences for church leaders is another service to the churches.

Sunday School Report

BREAKTHROUGH: "Teach the Bible to Win" has been the theme of the 1991-1992 Associa tional Sunday School year. Breakthrough is a way to break the pattern of slow growth or even n growth in your church.

Leaders of Sunday School have a large number of important tasks that require organizational skill and commitment to growth.

Sunday School work includes: identifying potential members, reaching them, and making a commitment to enroll them. Enlisting workers, training workers, providing adequate space, equipment, and materials are also part of the Sunday School work.

A growing church is a church that is involved in taking the gospel to all of those who have not yet heard it.

The Union Baptist Association ASSISTeam is the resource group that is ready to aid the churches of the association in that task of experiencing Breakthrough through their Sunday School ministry.

During the 1991-1992 Associational year, the ASSISTeam provided the following training events:

1. Associational Training Schools
2. Pastor/VBS Directors Early Clinic
3. Two Vacation Bible Schools
4. Local Church Conferences

The fruit of the labors of the ASSISTeam and the churches is the L.L. Morgan Award. It has been awarded to Union Baptist Association by the North Carolina Sunday School Department for the highest numerical increase of Associational Sunday Enrollments for the State of North Carolina. Breakthrough is occurring in Union Baptist Association.

The ASSISTeam has done an excellent job for the churches of Union Baptist Association this year. Thank you for your time and commitment.

UNION BAPTIST ASSOCIATION

Shiloh Baptist Church

I. AN ASSESSMENT OF CURRENT REALITY

The interviews, questionaires and other research provide a "snapshot" of the Union Baptist Association during the summer of 1992. If the interviews, questionaires and research were done next month, the picture would be different to some extent. Life goes on and is constantly changing. So what you get here is quick photograph of what current reality is like here at this particular time.

In addition, this snapshot is filtered through the personhood of this consultant, whose background and experiences in various ways effect what he sees. Every consultant brings his own biases, concepts and previous experiences to the situation and these help influence the final report. No consultant can ever be absolutely objective. The end result, then, is a report of what this outsider perceives to be the true state of affairs in this association.

Here is what I see.

A. Intense Diversity

The amount and degree of diversity in the Union Baptist Association has drastically increased in recent years. At least 5 areas of diversity need to be mentioned.

1. There is a great difference in the perception of the association on the part of the people we interviewed. Some are almost totally uninvolved and appear to be indifferent to the association. Some of you are angry and very critical of the association. Some of you are deeply involved and have very positive feelings about the association. In general, pastors appear to be more critical than the laity.

2. There is also significant theological/political diversity among you. Some would classify themselves as fundamentalists, some as conservatives, and some as moderates. Most would appear to be somewhere in the middle of that spectrum, with a few militants on each extreme.

3. There is significant diversity in the size and programming of the churches. Some are weak and struggling. Some are large and growing. Others are at various stages in between. Some are country churches. Some are urban. Some are new. Some are old. Some are suburban. Some are inner city. There is a sense of competition between some churches and between some categories of churches.

4. There is a great difference in orientation to life. Many of your people operate out of a rural mind-set, placing high value on rural values such as the status quo, sameness, harmony, smallness, and establishment. Others operate out of an urban mind-set, placing high value on urban values such as change, diversity, conflict-management, bigness and mobility. Many live with a confusing mix of these values. Union County is on what is called the urban fringe where there is always a clash of values.

5. There is a growing diversity in the population of the area served by your churches. The influx of new people moving to Union County is no longer primarily from neighboring counties. They are coming from all over the nation and all over the world. There is a racial and ethnic diversity, social and political diversity, and religious diversity. The bottom line is that conflict is much more likely to be expected in an area of great diversity with such a heterogenous population. A part of your conflict is the growing pains of adapting to so much change and diversity.

B. Symptoms of Conflict

There are many indications that there is conflict in this association. Perhaps it would be helpful to list some of those observed by this consultant.

1. Isolation/Loneliness

In 40 years of Christian ministry, I have never seen as much loneliness, isolation and feeling that no one cares as I have sensed in this association. Many pastors feel that they are out there all alone and without support. Some of this may be a part of a general trend across the nation, but much of it is an expression of the conflict that divides one Christian from another.

2. Critical/Judgmental Attitudes

Ministers are especially critical of each other and of other churches. The growing churches are critical of the ones that are not growing. The non growing churches are critical of the methods used by the growing churches. There is a heightened state of rhetoric that tends to overstate the issues. At times it becomes mean spirited. Some have turned to the judging of motives, which only God can judge, rather than judging actions.

3. Use of Unworthy Means

Individuals, on all sides of the conflict, have been guilty of using any means to accomplish their objectives. Some of these methods are not worthy of use by Christian people. It appears that some are operating out of the premise that "the end justifies the means." In their zeal to achieve worthy objectives, they have resorted to unworthy means or methods. Some examples of this are:

1. Bypassing normal channels of decision making and sending letters that attempt to circumvent the legitimate work of a committee.
2. Pushing decisions through without adequate notice and opportunity for discussion.
3. Caucusing by a group to select and push their own candidates for a position.
4. Excluding some from positions of service and leadership.
5. Starting an alternative pastors' conference.
6. Leaders operating in the "grey" area and making decisions without proper procedure.

All of the above behavior is inappropriate for Christians operating in a cooperative ministry. Just because someone on the other side misbehaves, is not justification for others to do so also. Two wrongs do not make a right.

4. Reduced Participation

Some pastors and some churches are not involved. Attendance at the Pastors Conference is down significantly from 10 years ago. This is true even when you add the attendance of both pastors groups together.

Some churches never have members participate in the various training opportunities offered by the association. Some give only token amounts or nothing at all for the work of Associational Missions.

There is a feeling by some that the association is tilted away from them and their needs. They feel that they are denied opportunity to influence the association, so they choose to ignore it or be critical of it.

5. The Perception of Exclusion

Rightly or wrongly, the association has allowed the perception that some people are systematically excluded from positions of leadership and service to gain acceptance. This feeling is most prominent among the small churches where some feel that the association favors the larger churches. It is also seen among the theologically more conservative pastors. Some of them feel that the association has favored the more theologically moderate pastors.

Similar feelings are sometimes expressed by pastors of struggling churches who sense that all of the resources of the association are channeled toward new churches and that little or nothing is offered to help the small churches become vital and growing.

This perception must be addressed. The association must foster a policy of inclusion The only way this association can achieve its maximum potential is for all of the people of all of the churches to feel a sense of belonging and shared commitment to missions here.

C. Strengths of the Association

In spite of problems, this association has many assets and strengths. It is an association that has made significant progress in recent years.

1. Associational Office Building

The Union Baptist Associational office building is a great asset. It is well located, attractive and serviceable. It provides a physical focal point that helps people to visualize the cooperative work of the churches in this county.

2. Church Planting

In an area that is, and will continue to experience population growth, it is an expression of missionary and evangelistic vision that the association has been aggressive in starting new churches. The manner in which some of this has been accomplished bothers some, but, in spite of that, the commitment to church planting is seen by this consultant to be a strong positive.

3. Fellowship

There is a strong sense of fellowship within the association among those who take advantage of the services offered. This is in contrast to those who do not participate. Those who are most active express a great deal of love and appreciation for the association. There is a real need to enlarge this group.

4. Potential

The strategic location of this association is such that there will be sustained population growth over the next several decades. The opportunities for evangelism and ministry will drastically increase over that time. There is the potential for existing churches, who are open to receive the influx of new people, to experience rapid growth. There is a great potential for new churches: ethnic, black, special purpose and traditional. Opportunity for ministry and witness in Jesus' name are almost unlimited, if this association can find a solid foundation upon which to stand and join hands for the advancement of the Kingdom in Union County.

II. RECOMMENDATIONS

A. The conflict in this association is primarily among the pastors. They are the spiritual leaders of the churches, and they need to lead the way out of this situation back toward healthy cooperation for the cause of our Lord.

1. Pastors Retreat

I recommend that all of your pastors come together in a spiritual retreat for the express purpose of building bridges of communication and trust. I feel that in spite of your diversity, it is possible to build a sense of unity and cooperation. It would be my intent to lead the activities of that retreat in such a way as to establish a foundation for acceptance and trust. This retreat needs to happen as soon as possible.

2. Ministers Conference

I recommend that the pastors conference of the Union Baptist Association consider changing the format of the conference. Rather than having two groups meeting separately in three different locations, the following changes should be instituted.

a. The ministers join together in one conference.
b. They meet **every** Monday morning.
c. They meet in the associational office building.
d. That they incorporate elements of the 3 present meetings into the new conference.
e. That they commit themselves to use that vehicle in working hard to rebuild their fellowship in order to offer support to each other and to create loving relationships.

B. Moratorium on Political and Divisive Activities

If healing is to occur, there must be a widespread willingness to stop all divisive activities for at least one year. This will allow time for trust to be rebuilt.

This means no strategy meetings.
This means no caucusing.
This means no letters written.
This means no telephone calls.
This means no sitting in a car following a meeting to talk about the meeting.
This means no getting together to talk about the issues.

All of the above activities are appropriate in a secular political setting. They are entirely inappropriate in a Christian missionary setting. In the Bible it tells of such activity among Jesus' disciples. James and John along with their mother engaged in that kind of political activity in an effort to gain for them positions of power in the Kingdom. When the rest of the disciples found out about it, they were angry and conflict erupted. Jesus response was to say, that in the world that is the way things are done, but, "it shall not be like that among you." I challenge you to put an end to all such activity. The amount of energy, time and other resources that would be consumed by that activity should then be channeled into Kingdom building.

C. Call to Repentance and Prayer

The root cause of this conflict is spiritual and the healing must be spiritual as well. I call upon each pastor, church staff member, and all lay leaders to examine their own hearts and confess to God any part that you have played in the deterioration of a cooperative spirit for missons in this association. I challenge each of you to make it a matter of daily prayer that God restore a sense of unity, fellowship, cooperation and interdependence among the family of churches that we call Union Baptist Association. You might even pray for God to use you to help that come to pass.

D. Commitment to Inclusion

This association needs to commit itself to a deliberate policy of inclusion. I recommend that the association instruct the staff, the nominating committee, the committee on committees, and all other elected leaders to persistently pursue an intentional effort to involve a broad spectrum of people in the leadership of the association. Favoritism and exclusion have no place in an association and must not be tolerated.

The association needs to commit itself to achieving a healthy mix or balance of persons in leadership positions. This means people from both large and small churches; from both theologically conservative and theologically moderate churches; and from both rural and urban churches. The healthy mix needs to include both ministers and laity, both male and female, and both old timers and newcomers.

Paul set us the example of inclusion when he wrote to the Galatian church that, "In Christ there is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ." It is important to work for that kind of inclusion.

E. Declare 1993 to be a Year of Reconciliation

1. Put the search for a new Director of Missions on hold for a full year. This will accomplish two things: first it will allow time for the association to rebuild trust and unity before a new director is recommended. Second, it will allow the replacements for those who rotate off of the Staff Relations Committee to be selected in keeping with the commitment to inclusion. Many feel that the committee currently does not reflect the diversity of the association.
2. Select an inclusive transition team to work with this consultant and the staff of the association in carrying out the recommendations of this report. This consultant would facilitate the work of this transition team in seeking to find reconciliation in the association. This team would work with the consultant in setting up the pastors retreat as well as any other meetings that may be needed to help achieve reconciliation. They would report regularly to the Executive Committee.

3. Use the recently completed long-range strategy planning report as a springboard for developing a new dream for this association for the next 5 years. Small group meetings in the different areas of the association could be conducted to get feedback on that report and to help identify the goals that could cause the churches to unite with a new sense of mission.

From this outsider's viewpoint there are two major areas of need that should be a part of that vision for the future:

a. A Church Development/Church Growth Staff member: There is a real need for the association to offer practical help to small, struggling, and plateaued churches. One way of having a staff member to lead in offering that kind of help would be for the association to explore the possibility of sharing this staff member with an adjoining association.

b. Church Planting Staff member: The need to start new churches will get greater as the population continues to grow and diversify. The association will need to provide leadership, funds, and a long-range strategy, in order to provide adequately the churches that will be needed to reach the people God is sending to your doorstep.

4. Provide Conflict Management training opportunities for the pastors, church staff members and deacons. This would help, not only with managing the conflicts in the association, but would offer much needed help in managing church conflicts as well.

F. Constitution and Bylaws

The associational constitution and bylaws are in need of streamlining and updating. There are possible conflicts. Parts have been left out. It needs a major overhaul.

However, it is my recommendation that this overhaul be undertaken only after the year of reconciliation and the calling of a new director of missions. If that were attempted now it would likely create more conflict.

You may want to go to a method of allotting messengers that rewards participation. This would balance the strength of the large churches and small churches. One way would be to allow all churches one lay and one pastor messenger. Additional messengers would be allowed for each percentage point of the church budget that was given to associational missions.

Again let me stress that any changes in the constitution and bylaws should come only after a time of healing, and after the calling of a new director. Then, with his help and guidance, this task should begin.

III. SURVEY RESULTS

On August 20, 1992, a survey form was mailed to pastors and other church leaders. Ninety-eight (98) survey forms were completed and mailed back to me. This is an excellent response for a mail-in survey. Sixty-one (61) of the responses were from laity and thirty-seven (37) were from pastors. The responses are listed below.

			1. In the range between concern for people and concern for task, the new DOM should:

CHAPLAIN REPORT

The Hospital Chaplaincy Ministry is sponsored and supported by the Union County Ministerial Association and Union Memorial Hospital.

The Chaplain is appointed by the association and hired by the hospital answering directly to President Larry Bishop.

Rev. Charles Brock, Chaplain for over fifteen (15) years retired April 1, 1992, for health reasons. Rev. Ken Lida continues to serve as Chaplain.

The Hospital Chaplain ministers to all denominations and all persons who enter the hospital as well as the hospital staff.

Over twenty-five (25) churches of various denominations supported the ministry financially this past year with contributions in addition to the financial support of the hospital. Churches are urged to support the ministry with a contribution of $100 or more, and in so doing, provide adequate finances for the ministry.

The facts listed represent the physical presence of the ministry....healed lives in body and spirit represent the spiritual impact of the ministry.

Plans are underway for upgrading and expanding the ministry, and we encourage and enlist the churches to offer suggestions and ideas to more effectively present the love and healing power of God to all who enter the hospital.

Women's Missionary Union Report

"But when the holy spirit comes upon you, you will be filled with power, and you will be witnesses for me in Jerusalem, in all of Judea and Samaria, and to the ends of the earth." (Acts 1:8 TEV)

The theme this year was "Called and Accountable." We have learned through this study how to hear God's call for our lives and be accountable for our response.

Southern Baptists have undergone many changes and struggles through the years. WMU has remained strong in their call to missions. We have accepted Nancy Curtis' challenge to "Keep the main thing, the main thing" - MISSIONS.

Due to the personal and professional conflicts women face today, our associational council has tried to provide more individual church training. This has helped to allow us to get to know each other on a more personal basis as well as inspire us to do God's will in our lives.

This year we have seen our WMU organization grow with 58 churches having some aspect of WMU working in their church. The following churches have added these organizations in their church: Baptist Women (Emmanuel and Sunset Park), Baptist Young Women (Ebenezer and Lakeview), Acteens (Centerview).

In September, 1991, leadership training was provided for Church WMU officers. Acteens hear Chris Ingram speak on World Hunger in October. In November, Baptist Women's World Day o Prayer was observed at Oakland Baptist Church. December allowed us to work with the Associa tional Prison Ministry Committee by providing gift boxes for inmates at Union County Jail an Monroe Prison Unit. We also provided cakes for the prison Christmas party. Ann Smith, NC WMU President, spoke at the Baptist Women's Luncheon in February, where Opal Faulks of First Baptis Church, Monroe, NC, was crowned "Baptist Women Queen" for her outstanding work in WMU throughout the years. We all came together March 26, 1992, for our Annual Meeting at Oaklan Baptist Church. Dr. Randy Wadford, Church Extension Director, spoke to us about new work and students from Wingate College showed slides from a trip to Ecuador. We provided volunteer and a meal for the "Special People Retreat" at Wingate College in April. We spent the summe months in our effort to provide churches with the training that they needed. We ended the yea with a sensational time of training in personal witnessing. We were privileged to join together wit Gaston and Mecklenburg Associations at Pritchard Memorial Baptist Church in Charlotte to hea Marsha Spradlin teach her book, *Living Touch*.

Several churches were recognized for their accomplishments in the WMU Achievement Guid for the 1990-91 year. They are as follows:

DISTINGUISHED: Fairfield, Hamilton Cross Roads, Hartis Grove, Macedonia, Monroe-Firs Mount Moriah, Mount Zion, Oakland, Sandy Ridge, Sutton Park

STANDARD: Euto

I encourage WMU members to continue to answer God's call to meet emotional, spiritual, an physical needs of their communities and churches. We must be mindful of our missionaries an continue to support them financially and prayerfully. We must all keep both our association an our WMU in prayer as we strive to "Lead On" toward even better years to come.

Youth Committee Report

The highlight of this past year was an Associational Youth Concert held on September 19, 199 Singer-storyteller, Ed Kilbourne, performed to an audience of some 115 young people and you workers. Admission for the concert was a gift of canned food and a trunkload of donated item was delivered to Loaves and Fishes for local distribution. We thank Shiloh Baptist Church for hos ing this event.

The challenge to the Youth Committee in the 1990's is to focus on and help meet the changin needs of the young people in our association. We need cooperation and participation from all church in our association in order to adequately meet the wide range of needs of our youth.

The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

Report Section

American Bible Society Report

The purpose of the American Bible Society is to provide **HOPE**; hope that comes not through ır words, but through the good news of the Gospel of Christ.

The psalmist wrote, "I long for you to rescue me! Your word is my only **hope"**[Psalm 119:81]. aul emphasized this same theme when he wrote, "The Scriptures were written to teach and en- ɔurage us by giving us **hope"** [Romans 15:4].

Many times when people have everything taken from them whether through personal suffering ıused by illness, disease, or natural disorder, the only thing they have to cling to is **hope.** That's hy, with the help of many churches and Christians, the American Bible Society distributed Scrip- ıres this past year to victims of the hurricane in Florida and Texas. That's why, with our help, ıey distributed Scriptures to the US military in Somalia in their Operation Restore Hope. That's hy, with our help, they provided Scriptures for the victims of the floods in the Midwest this past ummer. That's why they distributed millions of Scriptures in over 100 countries worldwide.

Each person who received Scriptures was given hope through the life-changing, hope-producing Vord of God. Through translation into the new languages and dialects, publication, and distribu- ıon, the American Bible Society makes the Scripture available for millions. When we support the ımerican Bible Society's work, we partner with them and thus become **hope-makers.** We help ıem provide **HOPE** at a time of great urgency in the lives of people.

No certainity exists that the "window of opportunity, currently open" will remain so. The future s unpredictable. That's why the American Bible Society labors intensely at their task--**while there s still time.** Would you join them as a partner to help make available Scriptures, the source of **ıope?** The contributions of you and your church will make a difference as you are **hope-makers.**

Dr. Marian Hume

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomas- ville to a state championship in 1991, Chris also earned national honor society recognition, was ıctive in the community, counseling drug abusers... and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active

in leading children's programs, even as a Broyhill resident. Several rows of supportive staff me bers cried during the wedding when the minister asked, "Who gives this woman to be married Child care worker Jim Johnson responded, "Her mother and I do." "Her mother," was Jim's w Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child; a beautiful, confident, Christian leader.

Ashley was growing up too fast. . . and her parents didn't know how to handle it. They wan to treat her like a child; she wanted adult freedoms. When their constant clashing came to blo they knew they needed help. Through the family clarification program at Mills Home, both Ash and her parents learned the roles they played in the family conflict, and how to listen, forgive a adjust in the future. "We're very grateful to Baptist Children's Homes," said Ashley's moth Victoria. "I don't know what we would have done. I don't know what would have happened Ashley. I've had friends say to me, 'I never knew there was a place like that.'" Well, there i place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through progra of intentionalized services at 13 facilities across North Carolina. Those facilities include four residen care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therap tic camping for boys; a maternity home; a home for teen-age mothers and their babies and a mo daycare facility. Baptist Churches, through the Thanksgiving Offering, Cooperative Program a direct gifts funded about one-third of BCH's $10 million budget. A significant source of inco to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27, when the new $1 million, 10,000 sq. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accomodate 75 infan toddlers and two-year olds. During dedication, Robin Britt, NC Secretary of the NC Departm of Human Resources, said BCH is "a true model of how young children can be shaped, nurtu and loved." and that "we will be looking at institutions like the Fleshman-Pratt Early Childho Education Center as we find models to replicate." T. Winfield Blackwell, President of the Fleshm Pratt Foundation, whose lead gift started construction of the building, said, "Think how many ch dren will be raised and shaped by the dedicated staff who serve here, and surely a goodly numb will be developed, not only to be good citizens, but active ministers in God's service." Churc interested in beginning or improving their daycare ministry can get free help from Director Ma Lou Dickey. Call (919) 472-3503.

Baptist Children's Homes also dedicated a counselor's lodge at Cameron Boys Camp; complet a planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pe broke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Braz and produced a new video about BCH, available August 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Ma Lou Dickey promised,"we will not fail" those who trust BCH with their children. Michael C. Blac well, who, on July 1, celebrated his 10th anniversary as president of BCH, echoes that promis "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 188 As a disintegrating society moves the edges further and further, we're honing our ministry sharp and sharper. Thank you, North Carolina Baptists, for your support."

Typically, assets are either held as endowents paying interest income in perpetuity to named Baptist causes, or they are held in trust with rrent income being paid to individuals and future income to be paid to Baptist causes in perpetui. Additionally, the foundation offers fund management for Baptist causes on a revocable basis.

The previous five years were quite successful with ambitious financial goals being met arly on. It is anticipated that the Board's work in evaluating the past and present status and in layg a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full time employees and two persons who provide art-time service in accounting and legal services. The office is located in Cary next to the Baptist tate Convention building. Visitors are welcome and are encouraged to stop by for professional ssistance or just to say hello.

MEETING THE CHALLENGES OF HEALTH CARE IN 1993

Founded in 1992, Baptist Hospital is a missionary enterprise of the Baptist Churches of No Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Chr We remain as fully committed to this mission as were our founding fathers. In the midst of chang health-care norms, we have not, nor will we, deviate from this mission. The following paragra report, not only basic facts, but various results of how we have sought in the last year to rem true to our heritage while providing quality health care at affordable prices.

Providers and Recipients of Healing

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGS personnel total employment is fast approaching 9,000 people making us the second largest empl er in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpati Department, physicians' clinics, and other related departments received 490,667 patient visit

Our chaplaincy division joined with our health-care professionals to provide spiritual and en tional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Hea was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; provide a minister's assessment program; (4) establish a Minister's Help Line providing an oppor nity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Divisi opened a new counseling center in Wilmington bringing our total counseling centers to 11 acr the state. The centers provided 16,205 counseling sessions.

Providers of Excellence

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hos tal in the top 9% of all hospitals in the nation.

(2) We performed our first pancreas transplant and first double organ transplant (pancr and kidney) this year.

(3) We are one of only 26 comprehensive cancer care centers in the nation, treating m cancer patients than any hospital from Baltimore, Maryland to Atlanta, Georgia.

(4) Quality infant through adolescence care in our Brenner Children's Hospital.

(5) Our neonatal transport team is the largest in North Carolina and one out of the 10 l gest in the United States.

(6) Our Level 1 (highest awarded) Trauma Center has 2,100 admissions a year.

Superb Financial Stewardship

In the midst of escalating health-care, we have a proven record of excellent stewardsh

(1) The latest report of the North Carolina Database Commission comparing hospital ma services charges vs. Baptist Hospital reveals, for our most frequent diagnoses:

Duke - 36% higher
Carolina's Medical Center (Charlotte) - 36.5% higher
UNC - Chapel Hill - 28% higher
Average statewide - 9% higher

(2) We are one of only 17 similar hospitals nationally with a "AA" bond credit ratir

(3) Averaging the last two years and the projection for 1993, the Consumer Price Ind will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases the same period will average 3.3%, well under both the above mentioned indexes.

Expansion for Meeting the Needs of the Future

Nursing Center at Oak Summit - Opening in July, this 170-bed facility provides skill and intermediate care. The center will be one of only a few in the state to provide care for ventilat dependent patients.

Emergency Department/Dietary - Under construction at the present time, to be completed by June, 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 9,000 patients annually, but it is handling more than 40,000. Our new ER capacity will be 70,000 annually. This building will also house three floors of patient private rooms, our Pharmacy Department, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation - Construction of this begins in November of 1993, and is scheduled for completion in January, 1996. It will include geriatric care, research, and education; psychiatry; and also provide comprehensive acute rehabilitation services including nutrition assessment, physical, outpatient, speech, and recreational therapy.

Baptist Benevolent Care Fund

Last year, Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible, and we are grateful.

In conclusion, it is readily seen that this healing ministry we share together says to our patients and their families: "We care about your health-care needs, your spiritual and emotional needs, and your financial burdens, and we express our caring through service."

1993 THE BEST OF TIMES

Did you know that:

- In 1993, North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65)
- That one-half of all the people who have ever lived to be sixty-five (65) are now living
- The fastest growing segment of North Carolina Baptist life is composed of those adults eighty-five (85) and older and that by the year 2000 that age category will double in size
- That by the year 1996, North Carolina's "Baby Boomers" will be turning fifty-five (55) every 18 seconds
- That by the year 2010, one out of every two people living in North Carolina will be fifty (50) years of age or older?

What do figures like those above mean for North Carolina Baptist?

They point to the fact that one of the greatest needs facing our Convention as we move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Car lina, Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid ce tified nursing care facility). The Rickman Center is a state-of-the-art long-term care facility th has been developed to meet the needs of the poor elderly in Western North Carolina. (80% of t resident population will be recipients of benevolent funding).

Renovated the Albemarle Baptist Home in Stanly Baptist Association and renamed it the Tayl House. The Taylor House has no financial requirements for admission and is designed to provi care to the assisted living level of care resident, regardless of his/her ability to pay for the long-ter care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in order to pr vide an area for small group work with residents suffering from dementia. This state-of-the-art pr gram will enable Baptist Retirement Homes' staff to improve the quality of life experienced l members of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Caroli Baptists, none of the above would have been made possible. As a result of the prayers and fundi that the "Homes" receive through the Cooperative Program and the North Carolina Offering F Older Adults, it has been able to offer hope to many Older Adults whose future would have be uncertain without the caring involvement of North Carolina Baptists. It is because of you that o institution has been able to make life for many Older Adults in 1993...The Best of Times.

Thank you North Carolina Baptists for your support!

The only thing that is unchangeable is change itself! For the most of us it is impossible to compr hend the radical and often destructive changes which are taking place in our world. In politics, moral economics and church life, our Baptist world is faced with decisions and issues without equal

Whatever one's view may be, there is an indispensable need for correct and reliable informatio The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Record* more needed than now.

People are reading less than at any time in recent history. It is true of secular publications, is true of wholesome books from respected libraries, it is true of religious publication. We live i an electronic age where we often think we know the answers to the issues only to discover we do no

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptiv Baptist. No democracy, including our local churches, can survive long without an informed, in volved constituency which makes decisions based upon accurate information from reliable source

The most important thing facing us at this point is to get the *Recorder* into more Baptist home than ever before. Your support as a subscriber, and reader, and your encouragement to others wi enable the paper to better serve the constituency with accurate and helpful information delivere to Baptist homes and churches. We need your help!

In order to save churches, large amounts of money, and to increase the readership of the *Record*

Church News Service (CNS) was launched in 1990. This system lets any congregation have ir church newsletter incorporated into the *Biblical Recorder* which saves time, and postage and nting costs. Usually, for less than what it costs to produce the church newsletter, CNS gives e entire Baptist communication package to each family in the congregation. Anticipated increases mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and spirational articles which will encourage individuals and churches in their witness and ministry. ne sure way to conquer problems and overcome the barriers to effective witness and ministry is have the facts, know the issues, and be adequately informed.

Brotherhood Report

The goal of North Carolina Baptist Men is to help the Baptist State Convention of North Carolia, Churches, and Baptist Associations involve their members (especially men and boys) in missions. The objectives for accomplishing this goal are to:

. Enable and equip men and boys to be personally involved in mission activities.
. Encourage men and boys to identify and develop their personal ministries.
. Educate men and boys concerning mission opportunities.
. Teach men and boys the importance of praying for and giving to missions.
. Lead men and boys in developing in all areas and aspects of their lives, to become mature, active, and involved Christians.

Through serving on disaster relief units, volunteers in North Carolina find satisfaction from beng able to match their gifts with real needs as they serve Christ.

Our North Carolina Disaster Relief Unit has been busy this year. Two thousand people from North Carolina helped Hurricane Andrew victims in South Florida with food, clean up, and construction. n July, our Disaster Relief Unit responded to the Mississippi River flood. Two hundred fifty volunteers ed 8,000 meals in ten days at Hannibal, Missouri, and 40,000 meals in five weeks at Hardin, Illinois. Volunteers also helped with the clean-up effort after the flood waters had receded.

A second, 24-foot Disaster Relief Trailer was needed here in North Carolina, at Cape Hatteras, n the aftermath of Hurricane Emily. Although the new trailer had just arrived on August 27, 1993, t was ready for use by August 31, as the hurricane was approaching. On Thursday, September 2, the unit served meals to a total of 2,600 people. It remained in Hatteras through September 10, preparing between 40,000 and 45,000 meals in nine days, and cleaning out sixteen homes in two days.

I would like to express my thanks to Austin Grove Baptist Church for again hosting the Association RA Racero Competition.

I would also like to express my thanks to Ginger Tucker, and all those who volunteered their ime and talents to the minister through the North Carolina Baptist Men's Medical/Dental Van on August 12 through 14, 1993.

A regional Brotherhood Training Session for Royal Ambassador Leaders, High School Baptist Young Men Leaders, Baptist Men Leaders, and Brotherhood Directors was held on September 18, 1993, at Pleasant Grove Baptist Church, Albemarle.

Christian Life And Action Committee Report

The Christian Life and Action Committee emphasizes good government, race relations, Christian relations, and Christian literature. This year has seen an attempt to create even more turmoil in our association by the passage of alcohol related items in Monroe and Marshville. Each church should be reminded to keep these situations as a matter of prayer.

This committee would also like to encourage more participation by the members of our association in the observance of special days such as: Baptist Men's Day, Race Relations Sunday, Life Commitment Day, Senior Adult Day, Christian Home Week, Christian Citizenship Sunday, Religious Liberty Sunday, Day of Prayer for World Peace, Single Adult Day, World Hunger Day, and Holidays.

Church and Community Ministries Report

Church and Community Ministries has had a productive time since its beginning in March 1993. Two major projects were accomplished in our first seven months.

In May we sponsored a ''Diaper Changing Station'' at the Blooming Arts Festival held in dow town Monroe. Families with small children were provided with a place of privacy to rest and ''clea up.'' Outreach was accomplished through the distribution of ''Living With Preschoolers'' mag zine. Those using the station were also provided with cool water for refreshment. Forty famili used the facility over the two-day period of the Festival. We hope to make this outreach minist an annual event.

Our biggest project was the coordination of the visit of the NC Baptist Men's Medical Bus August. The bus visited Turning Point Woman's Shelter in Monroe, Wingate Baptist Mission, a El Buen Pastor Mission. A total of 106 people received medical or dental care over the three-d Bus visit. This project could not have been accomplished without the cooperation of many church in our association. The project utilized 52 volunteers during the visit, plus many more voluntee in preparation for the visit. A total of 22 churches supplied volunteers and/or financial contrib tions. We hope to bring the Medical Bus back for another visit, this time to Sandy Acres Missio before the calendar year is over.

The success of these two initial projects has been a great encouragement in the development an ongoing Church and Community Ministries program for our association. We have only beg to ''scratch the surface'' with our local ministry efforts. The opportunities for local ministries a missions are almost endless, and with the cooperation of so many local churches, we will be ab to make a difference in our community by reaching others for Christ.

Looking ahead, ''Hope for Hurting Humanity'' is a nationwide Southern Baptist missions e phasis with local implications. Each church is asked to plan and accomplish a specific humanitari project in its local community during the June 19-July 31, 1994 time period. Church and Commur ty Ministries is the local coordination point for these projects, and we look forward to worki with each church in this important ministry effort.

Church Extension Report

Looking back over the past year, our association has gone through days of stretching and a tin of growth. This year has been a ''Year of Reconciliation.'' Some may think that we have not con very far, while others believe we have truly made progress in our effort to come together as a fe lowship of Christian believers. It is my belief that Union Baptist Association has taken some gia steps in 1993. The reconciliation may not be complete, but the process has begun, and the Lo will continue to lead us forward.

As I reflect on the things I have experienced and observed this past year, let me share with y some of my impressions

I. Spirit of the Association

In thinking about what has been accomplished in this associational year, I am encouraged by t fact that the spirit of competition and suspicion is being replaced by love and trust. This is reflecte in the Mission Statement adopted by the association this year.

''Union Baptist Association is a group of Southern Baptist Churches, individually and collectiv ly joined together in the Lord Jesus Christ by love, trust, and cooperation for the purpose of provi ing fellowship, evangelism, discipleship, and missions in the context of the local church, t community, and the world.''

Stewardship

One of the signs of a better spirit is the stewardship of our association. We began the associational ear in 1992 with a deficit; however, giving in the last twelve months has been up. Our church ceipts were $126,335.74, for this year, with a total income of $133,845.43. Church receipts were ,077.74 above last year, which is a 8% increase. Our balance in the savings account, as of Sep- mber 30, 1993, is $26,591.46, and the land fund account is $35,563.33. Several churches, who ere not giving previously, now support associational work through their offerings, and other churches ave already shared their plans to increase giving in 1993-94.

A second sign of improved stewardship can be seen by the participation of the churches in the ea of associational leadership. The Nominating Committee and the Committee on Committees orked hard this year, to assure a broad representation of leaders. The task of securing association aders went well. Many persons were willing and excited about serving in associational positions.

I. Special Mission Opportunities In 1992-1993

) CHURCH AND COMMUNITY MINISTRIES

a. Medical Bus Ministry (see CCM Report)

b. Our association called a part-time Church and Community Minister, Miss Ginger Tucker. She has assisted many of our churches in developing new ministries in their churches and communities. I am sure that her ministry in the future will touch each of our churches.

) NEW WORK — STARTING NEW CHURCHES

a. The missions of Wingate Baptist Church, Oakland Baptist Church all continue to grow and minister to their communities. They are, respectively, Wingate Baptist Mission, El Buen Pastor Mission, and Sandy Acres Baptist Mission.

b. The greatest loss our association experienced in new work this year was the closing of Sun Valley Baptist Fellowship. This was a very difficult decision recommended by the Missions and Outreach Committee and finalized by the association vote of the Executive Committee.

c. A recommendation from the Mission and Outreach Committee will be made at the 1993 Annual Meeting to purchase property in the Sun Valley Area for a future mission.

) STRENGTHENING ESTABLISHED CHURCHES IN CHURCH GROWTH

a. *CRStudies* - First Baptist Church - Waxhaw and Mt. Harmony Baptist Church, each began a process called a "Church Renewal Study." This process includes an in-depth study of the church, and the surrounding community, to discover ways to stimulate growth within the church.

b. *Stewardship Conference* - This year, our association held a Stewardship Conference at Austin Grove Baptist Church. The conference was well attended, and several of the persons there carried good information back to their churches. Union Baptist Church, with their pastor's leadership, conducted a Challenge Budget Program, as a result of this convention.

c. *Senior Adult Fall Revival* - The Evangelism Committee for the association hosted a Senior Adult Revival in September of this year. This was a great time of fellowship and inspiration. Many of the Senior Adults who attended expressed hope that this would become an annual event in our association.

V. The Future

I see a bright future for Union Baptist Association. Cooperation in missions has led our associaon to a new height of unity. If we continue to keep Jesus Christ at the center of our hearts and ur relationships, He will continue to bless our work and ministry.

Let us look ahead, united in love, trusting our Lord and each other, as we build strong relationhips and cooperate in our mission efforts. Let us never forget our reason for being--to introduce ur world to Jesus Christ our Lord.

Discipleship Training Report

Discipleship Training has had a good year. We have emphasized "Equipping Disciples."

About 90 people attended "M" Night in November, 1992, at Oakland Church. Mrs. Sara Hum phries had some of the State Bible Drill winners demonstrate both the Children's Bible Drill an the Youth Bible Drill. The Rev. Mike Hamilton, Campus Minister at Wingate College, gave th motivational address. Sandy Ridge Church had the largest number present. **Sardis Church** wa recognized for having Discipleship Training continuously for **50 years.** Other churches with mor than 40 continuous years are:

Philadelphia	44 years	Mary Elizabeth	42 year
Sandy Ridge	42 years	Austin Grove	41 year

The following Discipleship Training Directors were recognized for five or more years of service

Dan Taylor - Sunset Park — 8 years
Fred Jobe - Sardis — 6 years
Michael Williams - Indian Trail-First — 6 years
Johnny Godfrey - Mary Elizabeth — 5 years
Shirley Wilson - Hartis Grove — 5 years

For accomplishments for 1991-1992, the following recognitions were made:
Highest Average Attendance: - Mountain Springs — 96
Largest Enrollment: - Indian Trail-First — 443
Greatest percentage of enrollment gain: - Benton's Cross Roads - 88%
Greatest percentage of average attendance gain: - Hartis Grove - 50%

The Associational Bible Drills were held on Sunday, April 4, at Hermon Baptist Church. Par ticipating were 27 children and four youth from the following seven churches: Calvary, Hermon Midway, Monroe-First, Sandy Ridge, Shiloh, and Weddington-First. Twenty-nine of these chil dren and youth participated in the State Drills. Union Association had 20 winners in the Children's Bible Drill and one winner in the Youth Bible Drill.

The third week in March, Discipleship Training had a "New Start" emphasis. The Rev. Fred Lundsford, a NC Convention Church Growth Multiplier, served as the consultant. He visited 14

hurches. This has stimulated new Discipleship Training work in churches previously without it. Many of the short-term courses, such as new member training, doctrinal studies, Disciple Youth, I.F.E. studies, equipping centers, and Church Study Course Leadership Training books, are being used by the churches. *Experiencing God: Knowing and Doing the Will of God* has been used by a number of churches.

In the Bible, the church is challenged, not only to win people to Christ, but to also make disciples. This is a task which needs to be a priority in all churches.

Evangelism Committee Report

The past year has been an exciting experience in the life of Union Baptist Association. We saw God work in a tremendous way through the ministry of the Rick Gage Crusade in April, 1993. Eight Hundred Fifteen (815) decisions for Christ were made during the crusade with 472 of them being first-time salvation decisions. We praise God for His power to work in the lives of people.

We also had a Senior Adult Revival on September 20-22, 1993, at Shiloh Baptist Church. Rev. Cleve Wilkey, Dr. Dewey Hobbs, and Mr. Raiford Troutman were our featured speakers. Each of them blessed our hearts as they delivered God's word. The singing was led by Mr. Ken Griffin, and the music was provided by Mr. Sammy Thomas, who is our Associational Music Director. Special singing during each service blessed our hearts greatly. A covered dish meal on Wednesday allowed those attending to have an extended time of fellowship. May we thank Shiloh Baptist Church for providing the facilities for this event.

In the spring of 1995, the Southern Baptist Convention will share together in simultaneous revival efforts. **"Here's Hope: Share Jesus Now"** is an opportunity for Baptists to join one another in sixty (60) days of continuous witnessing as we share Christ each day with those who are lost. This endeavor will be coupled with simultaneous revivals among the churches. The Evangelism Committee has been asked to serve as the Steering Committee for this event. Please begin now to pray for the Holy Spirit to ready our hearts and minds for His leadership. Ask God to prepare the hearts of lost people to be responsive to the gospel of Christ. Thank you for your support of this committee as we have sought to follow God in what He is doing.

Respectfully submitted,

Annual Report
Home Mission Board, SBC

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Ga., the HMB's purpose is to serve Southern Baptist by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,868 missions personnel were serving in the United States, the Caribbean, American Samoa, and Canada. The HMB also had endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year there were 367,847 baptisms and 1,281 church starts.

Approximately half the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1992, gifts to the offering totaled $37.61 million, up almost 6 percent from the 1991 total. One Hundred percent of the offering goes to support the work of home missionaries in the field. The 1993 Annie Armstrong Easter Offering goal is $38 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

Home missions is a partnership of the HMB, state conventions, associations, and churches. The HMB's strategy is to help start churches, ministry endeavors, and evangelism efforts that will grow to self-support or be carried on by local churches or associations.

The following is a summary of program/support ministry highlights from 1992:

Chaplaincy Ministries--The 2,293 Southern Baptists now serving as chaplains and pastoral counselors reported 24,000 professions of faith and 4,600 baptisms.

Alternatives to Abortion--Workers in 23 crisis pregnancy centers received training from the HMB. As a result of the ministry of these centers, 2,164 babies were born and 832 women found faith in Christ.

Church Loans--More than 1,100 churches had active loans totaling $115 million. These loans purchased, refinanced, remodeled, or constructed 106 buildings and purchased 9 building sites.

Language Missions--Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

Personal Evangelism--During the Southern Baptist Convention in Indianapolis, 1,353 volunteers canvassed 45,235 residences, conducted a religious survey, and shared the gospel with 2,905 individuals, 361 of whom made professions of faith.

Prayer and Spiritual Awakening--A national team began efforts to enhance effective prayer and revival ministries in churches. The Intercessory Prayerline grew from 7,500 calls in 1985 to 130,000 last year.

Volunteers--Over 71,000 Southern Baptist adults, college students, and youth group members volunteered for long-and short-term projects. More than 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana, and Hawaii.

Special Ministries--Southern Baptist minister to seaman in 37 port cities and 200 missionaries are involved in ministries related to college students, resorts, special events, and diplomats.

Missions and Outreach Committee Report

Our association is on the move with missions and outreach. I have enjoyed my opportunity serve on this committee and chair it for two years. This past year has been one of excitement a disappointment. The 'closing chapter' on Sun Valley Baptist Fellowship on June 13, 1993, was s for all of us. We have learned some valuable lessons from this struggle. But, we have celebrat many successes, also.

Let me share some highlights from our missions:

El Buen Pastor, our Spanish Mission, is continuing to do well under the leadership of their pa tor, Rev. Tommy Concha. The mission started a prayer time and Bible study on Wednesday night Another Sunday School class was started, and several have accepted Christ. We thank Oakland Bapti Church for their faithfulness and support.

Sandy Acres Mission continues to minister to the needs of the people, resulting in life dedicatio to Christ. Rev. Johnny Sims, pastor, was certified as a Church Planter by the SC Baptist Conve tion. An ''after-hours'' school study program, established this year, has become a model for oth missions. Sandy Acres is presently averaging twenty (20) students per day in this program. O appreciation is extended to Euto Baptist Church for their continued support for this work.

Wingate Mission continues to reach out in ministry under director, Ginger Tucker. In additic to Saturday service, Sunday activities have been added to their ministry. We were overjoyed hear of the baptism of the first two Wingate Baptist Mission members on September 26, 1993. W appreciate Wingate Baptist Church for starting and supporting this mission.

We feel very fortunate to have Ginger Tucker employed part-time as UBA Church and Comm nity Ministries Director. Under her direction, missions outreach has rapidly increased since Marc 1993. She was instrumental in assisting with coordinating new areas of ministry including the ''Bab Changing Station'' and ''Cold Water Ministry'' at the Blooming Arts Festival on May 8-9, ar the visit from the NC Baptist Men's Medical/Dental Bus on August 12-14. This bus visited *El Bue Pastor,* Wingate Mission, and Turning Point. Many volunteers coordinated their time and talen to serve these communities. Thanks to all who worked to make both of these projects successfu

Our association employed two part-time summer workers this year also. Ginger Tucker worke in this area along with Britt Ellis, a seminary student at Southwestern in Texas. In addition to worl ing with our missions and churches in VBS, they conducted a resort ministry at Cane Creek Par for several weeks. They also surveyed houses in the Sun Valley area, including charting respons and mapping, to document the tremendous need for future mission work.

The Mission and Outreach Committee believes that a land purchase near Sun Valley area is vit and justified by the rapid growth in this area. We will bring our recommendation to the 1993 Ann al Session to purchase seven acres of land located eight-tenths (8/10) of a mile North on Old Charlot Highway from the Sun Valley crossing at a cost of $77,000 with paying $25,000 down and finan ing the balance.

Sunday School Report

BREAKTHROUGH is alive and well! The work of the Sunday School in Union Baptist Association continues to perform the Great Commission our Lord gave His church centuries ago. We are excited to see so many churches growing in Sunday School enrollment and attendance.

The 1993-94 theme is **BREAKTHROUGH...SERVE TO WIN.** Our 1992-93 emphasis was on "Equip to Win." During 1993-94, the Sunday School will concentrate on the area of ministering to others in the name of Jesus. Our service to others in His name becomes our service to Him for His sake. Consider the statement of the King in Jesus' parable of the sheep and goats, "Verily I say unto you, Inasmuch as ye have done it unto one of these my brethren, ye have done it unto me"(Matt. 25:40).

The most outstanding need of any individual is that he or she come to a saving knowledge of Jesus Christ as Lord and Savior. Evangelism continues to be a major focus during 1993-94.

Some suggested goals for this year of BREAKTHROUGH are:

— Increase in Sunday School enrollment	9.4 percent
— Increase in Sunday School average attendance for the year	9.4 percent
— Increase in number of unsaved persons 10 years of age or over enrolled in Sunday School	9.4 percent
— Increase in Sunday School Leadership Training Awards	9.4 percent
— Reachout groups conducted	4 or more
— Ratio of baptisms to Sunday School enrollment (measured by number of baptisms on the Uniform Church Letter)	1 to 15

Evangelism and witnessing must be a priority in every Sunday School. The best teaching method must be employed if a Sunday School is to do its task properly. But the work of the Sunday School does not stop there. A Great Commission Sunday School will also be a caring, loving, and ministering Sunday School.

The need for ministry in our communities cannot be denied. Our society is full of hurting people. Even within our churches, we can discover persons who have many spiritual and emotional needs. These folks are plagued by loneliness, disappointment, and sadness much of the time. At one time or another, every person experiences these feelings. It's a part of life. Therefore, every individual needs to receive love and understanding from another caring person.

The Sunday Schools of our association are organized to minister to persons in Jesus' name. At this point in time, the church has more opportunities to minister to people than at any other period in history. Sunday School leaders and members can reach out to the lost and hurting, building bridges to them in order to implement the healing power of Jesus Christ in their lives.

The Associational Sunday School Improvement Team of Union Baptist Association is prepared to lend support to every church as we work together for the glory of God.

Transition Team Report

At the 1992 Annual Session of the Union Baptist Association, Dr. Lawrence Childs presented report which was the result of his work within this association as a Conflict Management Consultant. There were a number of observations and recommendations made in the report. The messengers the annual meeting adopted the report as it was presented.

One of the recommendations presented by Dr. Childs' report was that the Association select an clusive Transition Team to work with him and the staff of the Association in carrying out the commendations of the report. The purpose of this report is to document the activity and work the Transition Team. The following individuals were selected to serve as members of the team:

Rev. Charles Broome	Rev. Philip Mc. Lean
Mr. Roy Broome	Dr. Buddy Pigg, Jr.
Mrs. Margaret Connell	Dr. Harry Poovey
Dr. Boyce Earnhardt	Rev. Dade Sherman
Rev. Bill Fogarty	Dr. Jim Somerville
Mr. Buford Griffin	Rev. Donald Thompson
Rev. Carl Houston	Ms. Ginger Tucker
Rev. Charles Humphries	Mrs. Mildred Tucker
Mrs. Billie Hutchison	Rev. Marvin Tucker
Mr. Earl James	Rev. Marvin Tyson
Rev. Robert Latta	Rev. Mike Whitson

During the course of the year, Dr. Boyce Earnhardt and Rev. Donald Thompson resigned from heir respective churches and from the team. Mrs. Margaret Connell also resigned from the team. In the first meeting of the team, Rev. Bill Fogarty was elected to serve as Chairman of the team nd Rev. Philip McLean as Vice Chairman.

The team met 9 times between the 1992 and 1993 Annual Sessions for the purpose of understanding, evaluating and implementing Dr. Childs' recommendations. Six sub-groups were developed within the team. They are listed as follows:

1. Pastor's Retreat
2. Minister's Conference
3. Moratorium on Political and Divisive Activities
4. Call to Repentance and Prayer
5. Commitment to Inclusion
6. 1993 Year of Reconciliation

Each of the sub-groups worked on specific issues addressed in the consultant's report. These early team meetings include times of training in the area of conflict management. The reason for this raining was to assist the team in healthy ways of dealing with conflict in the association.

The following steps have been taken by the Transition Team to foster reconciliation within Union Baptist Association.

1. A Pastor's Retreat was held on February 16, 1993, at Wingate College. Twenty-six pastors in the Association participated in an eight-hour retreat focusing on building relationships, fostering understanding and enhancing fellowship. Those who participated felt it was a needed healing experience for drawing pastors within the Association together. Clearly, in order for reconciliation to occur there must be a willingness to come together.
2. The leaders of the Minister's Conference made a concentrated effort to foster inclusion in their relationships. A survey of all pastors in the association was mailed asking for input regarding meeting times, meeting places, program format, and other suggestions for improving our work together. Changes were made in the Minister's Conference as a result of the survey. The meetings were changed to Tuesdays in an effort to allow the greatest number of ministers to attend. The monthly prayer meetings were changed from

a breakfast to a luncheon. In order to address the report recommendation that the Minister's Conference meet weekly, the Minister's Conference leadership is developing regional small group meetings for ministers on the weeks that the Minister's Conference and Prayer Groups do not meet.

3 The 30 days prior to the Annual Meeting in 1993 have been set aside as a time of prayer for Union Baptist Association. During each Transition Team meeting and other special meetings, prayer has been greatly emphasized.

4. Dr. Dewey Hobbs was invited to lead a Conflict Seminar entitled, "Conflict: Understood and Managed", during the May meeting of the Minister's Conference. He also led conflict management training for Deacons and church leaders of the Association on the evening of May 11. This training was entitled, "Conflict: In My Church?" Both of these seminars were well attended.

5. Efforts have been made by the Nominating Committee and the Committee on Committees to be inclusive of all Union Baptist. Recommendations for appointments to service were solicited from Pastors and church leaders within the Association. The Budget was another source of contention among many. The Stewardship Committee spent much time in putting together a budget that would be appealing to as many as possible. They asked for input from all the different program areas. They also requested input from the Executive Committee. The Stewardship Committee has been very careful to be open to all, and they used a process that includes everyone. The Budget was presented to the Executive Committee on September 14, 1993, for its final approval.

6. The Transition Team spent several meetings discussing and developing a mission statement for consideration by the Association. The following statement was adopted by the Transition Team and is recommended for adoption by the Association.

> *"Union Baptist Association is a group of the Southern Baptist Churches, individually and collectively joined together in the Lord Jesus Christ, by love, trust, and cooperation, for the purpose of providing fellowship, evangelism, discipleship, and missions in the context of the local church, the community, and the world."*

The team spent several meetings discussing the role and expectations of the next Director of Missions. We looked at the job description and recommended that the Staff Relations Committee bring this document up to date.

Recommendations from the Transition Team:

1. The Ministers Conferences continue to seek ways to support and be inclusive of all ministers in the association: pastors, staff and retired.
2. All organizations and committees of the Association continue to practice inclusiveness in their specific areas of associational life.
3 The Union Baptist Association must continue to practice reconciliation within her life and among her members. The work of sister churches must be carried out cooperatively, if we are going to evangelize our county.
4. The Moratorium on Political and Divisive Activities must continue to be heeded. Political and divisive activities will only serve to lead our churches and our people to lose their focus, which must be on Jesus Christ and the sharing of the gospel. If we are to move ahead in the years of 1994 and following, we must join together in prayer and agree to live and work together in Christ.
5. The Transition Team recommends that the Constitution and By-Laws Committee begin a process of streamlining and updating the associational constitution and by-laws. This process needs to begin as soon as possible. In the spirit of reconciliation, we suggest that inclusion be used in the reconstruction of the constitution.
6. The association needs to use the long-range strategy planning report and develop a new dream for the association for the next three to five years. Goals need to be developed that could cause the churches and pastors to unite with a new sense of mission.

Union Baptist Association must spend some time in the next few years focusing on staffing needs of the association.
Upon the adoption of this report, the Transition Team will be dissolved.

Respectfully submitted,
Transition Team Members

Union County Crisis Assistance Ministry Report

The Union County Crisis Assistance Ministry is a United Way agency designed to meet emerge cy needs of Union County residents. This service is provided on behalf of the religious/civic ganizations and individuals of Union County.

The purpose of this agency is to assist families/individuals who are experiencing crisis by prov ing resources to meet their basic needs. Types of assistance given are rent, utility, fuel, and foo Most of the people referred to Crisis Assistance do not qualify for public subsidy, such as AFI and Food Stamps.

Crisis Assistance is a referral only agency. Referrals are accepted from any minister/church Union County, the Department of Social Services, Vocational Rehabilitation, school counselo Hospice, and other United Way agencies.

CAM is funded 100%, administratively, by United Way. The assistance given, comes from cc tributions from churches, civic groups, and individual donors. Because of this unique arrangeme with United Way, 100% of contributions from churches, civic groups, and individuals goes towa client assistance. For example, if your church gives $500 to Crisis Assistance, that $500 will back to the community to assist those in need.

Not all who are referred to CAM receive financial assistance. In order to be good stewards the donated money, all information given by the client is verified to determine eligibility. The clie must be in a crisis, not a chronic, situation; must be able to maintain his basic expenses, once t crisis has passed; and must have used what financial resources he has with good judgment. All a sistance given is paid directly to the appropriate vendor. Money is never given to the client. In ad tion to financial assistance, Crisis Assistance makes referrals to other agencies, when appropria

Woman's Missionary Union Report

"Be Determined And Confident, For You Will Be The Leader Of These People As They Occupy The Land."(Joshua 1:6A TEV)

"Lead On" has been our call this past year. To follow Christ's example and be servant lead by being actively involved in our church and community.

Our new council received training at Caraway during the summer, 1992, to help them prep for the new year. In September, leadership training was provided for church WMU leaders at O land Baptist Church. We observed Baptist Women's World Day of Prayer in November. This w a time for us to join together with the Baptist Women from the Black Churches and pray for m

ns worldwide. Once again, we worked with the Associational Prison Ministry to provide approxately 400 gift boxes and several cakes for the inmates in area prisons. Our annual Baptist Women's ncheon was held at Weddington-First, with Shelia Black as our guest speaker. Janie Winchester, m Hartis Grove, was crowned Baptist Women Queen. The State Annual Meeting was April 1, Shiloh Baptist Church. Ginger Tucker and Tamara Staton were the speakers. The Mary Blair holarship recipients for the 1992-93 year were Lisa Knight and Ginger Helms. Each girl received 00 for her freshman year at Wingate College. Also, in April, was the "special people retreat" Wingate College. We provided volunteers and the meal for this event. On September 11, "GA ay" was held at Benton's Cross Roads Baptist Church, with 60 girls attending. The theme was American Indians."

As the WMU council continues to offer church training through mission studies and general help members across the county, the WMU members keep busy too. Contributing their time as volunrs during the year, and their money for missions, WMU members keep doing God's work actively.

The following churches received recognition for the 1991-92 year:

stinguished:

nton's Cross Roads, Mt. Moriah (2), Sandy Ridge (8), Fairfield (3), Mt. Pleasant, Sutton Park), Monroe-First (3), Oakland (2)

andard:

acedonia, Mt. Zion

Acteen Activators were sent out from Hopewell this summer. We are very proud of these girls r their dedication.

Our theme for the 1993-94 year will be "Serve in Christ's Name." We will have an opportunity do this through a new project called, "Hope for Hurting Humanity." A list of the 1993-94 **WMU** fficers follows this report. Pray that God will guide us in the new year as he has in the past years.

The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

American Bible Society Report

Few Christians in the United States worry about having access to a Bible. About the closest mar come to difficulty is that of "choice" of translation. But this is not the situation in many parts of th world.

First, two-thirds of the world's languages still have no part of the Bible in their own languag Second, only about a third of these groups have some part of the Scriptures (often only one book the Bible). Third, less than 350 language groups have the complete Bible. An estimation indicat there are as many as 6,000 languages spoken throughout the world. There are still almost 4,000 la guages in which no portion of God's Word is available.

During 1993, donor gifts to the American Bible Society made possible the distribution 287,735,675 Bibles, Testaments, and Scripture portions. Of this number, more than 73 million we distributed in the United States.

The Bible Society continues to work to eliminate Scripture drought in many parts of the wor through new translations of God's Word. Through our gifts to ABS, we had a part in bringing th Bible for the first time to six new language groups, the New Testament to 35 groups, and at least or complete book of the Bible to 33 other groups.

"But this Bible is in my language!" cried the woman excitedly. "Look everybody! They ha given me a Bible in my language!" The hotel worker in Zambia was unaware that the Bible had bee translated into her own language and only discovered it when presented one by a Bible Society re resentative. This example shows the importance of many translation projects around the world whi aim to make the Scriptures available to everyone in a language they can understand.

The American Bible Society is grateful to all its dedicated supporters. If you wish to share in th task of eliminating the great Scripture drought in many parts of the world, you are encouraged become a regular supporter in helping spread God's Word to the ends of the earth.

No matter how much adults try to convince themselves otherwise, children suffer when paren divorce.

Amber suffered. Because she blamed her mother for household turmoil, and because she w young and confused, Amber told her mother she hated her. She stopped communicating and becan withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of childr like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880s, a every year since, Baptist Children's Homes provides that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families, probably an all time high.

Through services provided at 13 facilities statewide, BCH offered residential care, maternity ca a home for teenage mothers and their babies, therapeutic camping, model day care, emergency ca and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Bapti churches provided about one-third of the $11 million necessary to care for those children. Other re enue comes from payment of services on a sliding scale, foundations and corporations and indivi ual gifts. A significant source of help comes from individuals who remember Baptist Children's Hom

nd the children it serves, in their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the intensive group rocess at Kennedy Home. *"I wanted a way out. I saw (suicide) as the only way. I had totally turned ny back on God."*

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to he Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between her renewed faith and the peer group process, Amber has begun to resolve the differnces with her mother. When she graduates from Kennedy Home, she plans to live with her mother nd sister.

"Just being able to talk through it with groups and with staff helped make it better," Amber said. *They helped me understand mom may have moved out; but she never left me. She's always been upportive."*

Working through problems at BCH involves identifying your problems, putting a name to them. 'hat helps a child realize he/she is not a "problem child" but is a "child with problems."

"If I was alive without this place, I wouldn't be in a happy life," Amber said. "I'm really thankul there are places like this."

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who erves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first Council meeting occurred January 17, 1944, four months and 20 days before D-Day. Reports to the Baptist State Convention in those years contained many references to World War II and its effects upon churches, communities, the colleges and Baptist work in general, It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only $5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation, let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

North Carolina Baptist Foundation, Inc.

With the 75th anniversary of the chartering of the N.C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N.C. Baptist Foundation totals $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions an mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two person who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust an Endowment Development. Rev. Jeans will serve individuals in western North Carolina throug estate stewardship planning to better provide for families and Christian endeavors. He will als work very closely with Associations and churches in the area. We encourage western Nort Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. North Carolina Baptist Hospital

MEETING THE CHALLENGES OF HEALTH CARE 1994

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of Nort Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Chris We remain as fully committed to this mission as were our founding fathers. In the midst of changin health-care norms, we have not, nor will we, deviate from this mission. The following paragraph report, not only basic facts, but various results of how we have sought in the last year to remain tru to our heritage while providing quality health care at affordable prices.

Providers and Recipients of Healing

Our Hospital healing team now consists of 5,777 employees. The Medical Center (North Carolin Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fa approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-be facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Our Outpatien Department, physician's clinics, and other related departments received 523,672 patient visits.

Department of Pastoral Care

Our chaplaincy division joins with our health-care professionals to provide spiritual and emo tional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided t patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this min istry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Departmen of Pastoral Care, continues to expand and strengthen. To date thru 1993, 40 ministers have comple ed intentional interim training and 29 are in training. The number of churches calling intentiona interim pastors continues to increase. The training of consultants for conflicted churches and leade ship training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These cen ters provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Car His eleven years of leadership and ministry have brought quality and expansion in every facet of th department.

Baptist Benevolent Care Fund

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All o these monies went toward relieving the financial burden of scores of former patients who have littl or no health-care insurance and no financial means to pay their hospital bills. The churches and ind viduals help make this ministry possible and we are grateful.

xcellent Financial Stewardship

In the midst of escalating health-care costs, we have a proven record of superb stewardship.

(1) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.

(2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

leeting the Challenges of the Future

The health care environment is and will continue to be changing. Baptist Hospital is proactively ıcing these changes on a daily basis. Below are listed several visions which have recently been or ill soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At home health care

Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. Home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

Community Hospital Assistance

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

Qualchoice of North Carolina

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A Closing Word

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnership, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

1994 THE BEST OF TIMES

As a result of the wonderful support given by North Carolina Baptists, 1994 will be remembere as one of the finest years in the 43 year history of Baptist Retirement Homes. The following are som highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step-up" for Older Adults, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem. . . a unit where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults (80% of that group being classified as the poor elderly. . . men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptists for helping us make life for Older Adults. . . The Bes of Times!

1994 Associational Report

The rapid changes taking place in our world have produced distorted values, violence, threats an uncertainty and the surrender of much that is good and wholesome while creating false heroes wh fail. Baptists must rise up to face these decisions and issues before our window of opportunity is los forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. *The Biblica Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more neede than now, with charges and countercharges flying, with people trying to use and manipulate others

People are reading less than any time in recent history. It is true of secular publications, it is tru of wholesome books from respected libraries, it is true of religious publications. We live in an elec tronic age where many think they know the answers to the issues only to discover they do not. It i impossible to know in depth what is happening when we depend on "60-second sound bites" of new on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be uninvolved or a disruptiv Baptist. No democracy, including your local churches, can survive long without an informed involved constituency which makes decisions based upon accurate information from reliable sources

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes an ever before. Your support as a subscriber and reader and your encouragement to others will able the paper to better serve the constituency with accurate and helpful information delivered to aptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, hurch News Service (CNS) was launched in 1990. This system lets any congregation have their hurch news incorporated into the *Biblical Recorder* which saves staff time, postage and printing st. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire aptist communication package to each family in the congregation. Anticipated increases in mailing sts makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and spirational articles which will encourage individuals and churches in their witness and ministry. ne sure way to conquer problems and overcome the barriers to effective witness and ministry is to ave the facts, know the issues and be adequately informed. With all the stress and disturbance in the orld, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the *Recorder* was born; that is why it serves today. For more information on how your hurch can subscribe or use CNS, contact:

Brotherhood Report

The purpose of North Carolina Baptist Men is to help churches involve their members in missions, to develop mission project needs, and recruit volunteers to match these projects.

To help churches involve members in missions, the ministries of NCBM are:

1. Agricultural Missions
   An Agricultural Demonstration Farm, a partnership ministry of NCBM and Campbell University, is a way to increase awareness of world hunger and seek solutions to these problems.
2. Aviation Missions
   The primary thrust of this ministry is evangelism. The target group is youth who have an interest in aviation.
3. Correctional Missions
   If we want to obey the scriptures (Matthew 25), we must visit those who are in prison and share the gospel with them.
4. Disaster Relief
   Disaster missions is involved in both relief and recovery. Those involved in the relief/food service must have specialized training, which is offered yearly in April.
5. Family Foundations
   This ministry's goal is to strengthen the family. Retreats and other opportunities are available to learn more about this ministry.
6. Homeland Mission Projects
   This ministry utilizes the construction skills of volunteers, primarily to build mission churches. Local projects during 1994 include the Charlotte Chinese Baptist Church, winterization of cottages at Camp Mundo Vista, and building renovations at our Baptist Assembly at Ft. Caswell.
7. Lay Renewal
   A team of lay persons, brought together by a coordinator, goes to a church for a weekend to help members experience spiritual renewal.
8. Law Revival
   The primary focus to this ministry is on evangelizing and/or reaching the unchurched in the community. Lay Revival is for those interested in visiting and witnessing.

9. Medical Missions
   The ministry requires the skills of medical doctors and dentists, as well as, support person who are skilled in these areas.
10. Overseas Missions
   At the present time, the NC Baptist State Convention has a partnership with the Ukraine. There are opportunities for construction workers, both skilled and unskilled.
11. Prayer Support
   Men commit to pray for missions, missionaries, and to pray for the other ministries of NC Baptist Men. This is an important and vital ministry.
12. Resort and Recreation Missions
   Opportunities to share the gospel with those who are traveling and/or vacationing.
13. Sports Missions
   This ministry seeks to combine the love of sports with missions activity.

The North Carolina Baptist Men's office in Cary provides training, resources, and support to help discover ways to involve men and boys in missions.

I would like to thank Austin Grove Baptist Church for hosting the Associational RA Race Ca Competition again this year.

Christian Action League of North Carolina, Inc.

Can God's people make a difference concerning the moral climate of our state? There is no doub about it! The $300 billion gambling industry has targeted our state for legalized gambling. Wh North Carolina? The fact is that North Carolina is the largest state in the nation where the gamblin industry has not been able to get their foot in the door. Furthermore, North Carolina is the only stat in the traditional Bible-belt where the gambling industry has not been able to make any inroads. I order to get their legislation enacted, they hired 14 of the most influential and effective lobbyists tha money can buy to sell "their bill of goods" to the members of the North Carolina General Assembly

Is there anyway to defeat such money and power? Yes! Through the prayers and influence o God's people! It happened in 1994!

The legislature has adjourned - the members have gone home - the gambling lobbyists hav packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical responsibilities by influ encing their legislators through their prayers, letters, phone calls, and personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist State Conven tion; North Carolina Baptist Men; and Woman's Missionary Union, has conducted 36 workshops THE CHRISTIAN LOOKS AT GAMBLING, to educate and motivate our people into action agains this insidious evil. You responded, and now, we can claim the victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapolis, Thomasville and Manteo, including Hyde and Harnett counties, faced battles with the powerful $140 billion dol lar liquor industry during the year, we were delighted to provide campaign strategy, research docu ments, and publicity materials. The liquor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we stand ready t assist God's people in being the "salt" and "light" that He would have us be.

In the area of mission ministries, this committee shall determine the need for ministries (benevo- ence, literacy, ethnic, blind, deaf, etc.) which are too large to be sponsored by one church. The com- mittee would study the need and determine the associational resources needed to provide the min- istry. The committee would recommend to the Association the approach to providing a ministry in his area.

This committee will assist churches in planning, conducting, and evaluating their mission effor and keep churches informed as to special mission projects being conducted by the Baptist Sta Convention and by the Southern Baptist Convention. Director of Missions' Report

"This is the word of the Lord....Not by might, nor by power, but by my Spirit, says the Lord Almighty."
Zech. 4:6

What is the greatest need of the Association of Baptists known as Union Association? Is it for more buildings? more money? more people? more churches? better preachers? better deacons? or more anything?

Since coming as your Director of Missions in May, I have heard the need for all of the above and more. It is, however, my humble opinion that our greatest need is for an outpouring of the Holy Spirit on our churches, leaders, pastors, association, and work. Much has been accomplished towards re-establishing the harmony and fellowship of our churches and leaders, but there remains an attitude of, "I'll wait and see where we are going." In reality, the true cause of our difficulties was a spiritual problem. We fell out of love with each other, our mission, our work, and to some extent with God. The only way back into that love relationship is through the moving of the Holy Spirit.

That is why our theme for the Annual Session is **Soaring to Renewal**. Only through the renewing presence of the Holy Spirit can we return to that place of "Sweet Union." Each of the four sessions during the conference will lift up a different aspect of renewal. We will focus on renewing our **Fellowship**, renewing our **Leadership**, renewing our **Vision**, and renewing our **Commitment.**

In the coming associational year of 94-95, opportunities will be offered for our churches to gather together in groups to worship, sing, and fellowship as sister churches. Using the fifth Sunday nights during the year, we will come together and lift up one of the above themes again. This will allow us to carry the theme of renewal forward into the entire year.

God is opening new doors of ministry, service and growth for UBA, and it will take all our energies given in prayer to discover where He is leading us as a body of believers. Let us soar to new heights of cooperative missions and become the leading association in the state of North Carolina in outreach, discipline, and ministry.

God richly bless you,
Dennis L. Burton, D. Min.
Director of Missions

Discipleship Training Report

Discipleship Training has continued to emphasize "Equipping Disciples." During 1993-94, more churches have participated in Discipleship Training. The short-term courses are being used much more extensively. Discipleship Training can take place at any time during the week when a group finds it convenient to meet and study.

Some of the churches are still successfully having the continuing Discipleship Training on Sunday evenings using the dated curriculum materials and short-term courses. Many of the churches are utilizing the resources for short-term courses such as new member training, doctrinal studies, Disciple Youth, Disciple Now, LIFE Learning System courses, LIFE SUPPORT materials, Equipping Centers, Team Kid resources, Children's and Youth Bible Drills, and leadership training.

The associational Bible Drills were held on Sunday afternoon, April 10, 1994 at the First Baptist Church, Monroe. Participating were 19 children and 3 youths from the following churches: Hermon, Midway, First of Monroe, Mountain Springs, Shiloh, and First of Weddington. Several other churches worked on the drills. Calvary and Sandy Ridge had church drills but were not represented at the associational drill even though they had children eligible to participate. Most of those participating in the associational drills were eligible to attend the State Drills. A special thank you to the adult Bible Drill leaders and the parents in these churches who spent many hours working with the children and youth.

Visits have been made to several churches in the interest of Discipleship Training. A number of Discipleship Training resources have been placed in the associational media center so they can be reviewed in order to help churches make decisions about which resources will fit their needs. The director has also attended three training meetings provided by the State Convention.

Each church is encouraged to elect a Discipleship Training director to work with the pastor and church staff in planning trainings. They are further encouraged to provide discipleship training for all the church's members and especially the new members, youth, children, and preschoolers. All of the people in the churches need to know Baptist doctrine, to be trained in churchmanship and leadership, and to be led in a closer relationship with God. The church has a responsibility to help its members to become what God wants them to be.

Respectfully submitted,
Dr. Marian Hume, Director

Evangelism Committee Report

On behalf of the Evangelism Committee, it has been our pleasure to serve you this year. We have put all our emphasis on **"Here's Hope: Share Jesus Now."** Our Convention has provided some excellent Pastor Packets concerning this endeavor. They have also recently passed along to us another packet, containing posters, bulletin inserts, etc.

Music was provided by Sammy Thomas, First Baptist-Indian Trail, and "the Montgomery's." Our guest speaker, Rev. Johnny Hunt from First Baptist, Woodstock, Georgia, followed.

On October 4, "Roman Road," Here's Hope Training Seminar, was held at Corinth, with Rev. Jeff Smith as the speaker.

- Any adopted Convention Direction for the years 1996-2000 should have flexibility for annual reviev evaluation, clarification, and change; and
- The entire annual budgeting process of the General Board and its budget recommendations to th Convention should specifically reflect the priority of assisting NC Baptist churches in fulfillin their mission in the local community, the state, and the world.

1993 Annual Report
Home Mission Board, SBC

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Georgia, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4, 882 missions personnel were serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 1,700 Mission Service Corps volunteers were serving on home mission fields. During the year there were 1,500 church starts (more than four per day) and 349,073 baptisms.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1993, gifts to the offering totaled $36.31 million, about 3 percent less than the 1992 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1994 Annie Armstrong Easter Offering goal is $40 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries — The 2,325 Southern Baptists now serving as chaplains and pastoral cou selors reported more than 24,000 professions of faith and 4,500 baptisms.

Language Missions — Home missionaries and pastors in the Language Church Extension Divisio serve among 102 ethnic groups using 98 languages and dialects.

Evangelism — During Crossover Houston, the Mass Evangelism Department coordinated 35 stre evangelism events, 25 block parties, nine evangelistic rallies, and 68 special Harvest Reviva and events. These activities resulted in 1,253 conversions. The Personal Evangelism Departme produced and shipped materials for "Here's Hope. Share Jesus Now." This emphasis will includ 60 Days of Soul-Winning, January 9 - March 9, 1995.

Volunteers — More than 74,860 Southern Baptist adults, college students, and youth group membe volunteered for long- and short-term projects. In addition, several thousand more were involve in disaster relief efforts in the Midwest.

Church Evangelism Development — Over 1 million teens participated in "See You At The Pole gathering at their flagpoles to pray for the schools of our nation.

Missions and Outreach Committee Report

This year has been one of highs and lows — of frustration and fruition for us. The missions an watchcare church we oversee and encourage are doing very well. Our watchcare work, New Lif Baptist Church, has been accepted into full fellowship in the Association recently. "New Life" has perhaps, the greatest percentage of growth and baptisms in the Association. They are in the proces of buying land for a church building. Bobby Helms, the pastor, insists on programs to anchor the ne Christians in the Faith and help them grow.

The Sandy Acres and Wingate missions probably will never develop into "full-blown" churche because of the transient nature of trailer parks. But, while the people are there, they cannot help bu be influenced by the strong Christian witness of Johnny Sims, Ginger Tucker, Jim Somerville, an the several church groups that participate in the ministries of these two missions. There have been number of decisions for Christ made in both, and they are also developing programs in literacy an after school tutoring programs.

El Buen Pastor (The Good Shepherd), the Hispanic mission which meets at, and is greatly couraged by Oakland Baptist Church, has grown to about fifty consistent attenders and members. nder the leadership of Pastor Tommy Concha, the Hispanic ministry is both leading people to Christ nd providing them with a stable Christian fellowship as well. They have purchased a van to provide ansportation, not only for many of their members who do not have transportation, but also to broad- n their outreach as well. They have also developed both Sunday and Weekday Bible study groups apartment buildings.

For those of use who not only have a "dream and vision," but also a mandate from the Association r a new work in the Sun Valley area, it has been both a busy and somewhat disappointing year. We ave prayed, yea, we have agonized. We have explored ideas and sought the aid of the Baptist State onvention. We have purchased the land voted on at last year's Annual Meeting. We have been ssigned a successful Church Planter as a consultant, Jim Toole, who has helped us examine our reams and vision, as well as act as a liaison in helping us match the work to a worker. Several times e have felt almost ready to begin, only to have the door seem to close. We have sought the help and upport of churches and pastors. We hope that the offering for the Sun Valley work taken at this meet- ng will say "Go ahead!" Beyond that, we hope you will say to us, "Give us a plan and we will help ou bring someone in to carry it out."

We need your prayers and support.

Sunday School Report

BREAKTHROUGH has become a theme for Southern Baptists to rally around during the past four years. The Sunday Schools of Union Baptist Association have been seeking ways to improve their ministry to all people as *BREAKTHROUGH* became a reality in reaching, teaching, winning, and developing individuals.

The 1994-95 Sunday School theme is *BREAKTHROUGH...WITNESS TO WIN*. During this final year of the *BREAKTHROUGH* emphasis, the challenge to Southern Baptists will be to equip Christians as they evangelize our neighborhoods and communities. The Sunday School is the primary organization to accomplish this task.

Sunday School work in Union Baptist Association has great growth potential. There are more hurting people around us than ever before. Surveys have revealed a need among all age groups as they seek answers to life's problems. They will not find those answers in the world. God's Word is the only source for the problems facing mankind today. It just so happens that the Bible is the primary source of instruction in the Sunday School. Many persons experience a life-change resulting from their attendance of Sunday School.

The Sunday School ASSISTeam expresses great appreciation for the opportunity to serve the churches of Union Baptist Association. Your support of Sunday School training events and your invitations to individual churches have been very encouraging. During 1994-95, ASSIST stands ready to help the local Sunday Schools for our association. As God leads in the general Sunday School work of UBA, let's all seek His perfect will as we reach out to the unsaved. Let's be sure to WITNESS TO WIN!

Donnie Gamble, Director

Union County Crisis Assistance Ministry Report

The Union County Crisis Assistance Ministry is a United Way agency designed to meet emergency needs of Union County residents. This service is provided on behalf of the religious/civic organizations and individuals of Union County.

The purpose of this agency is to assist families/individuals who are experiencing crisis by providing resources to meet their basic needs. Types of assistance given are rent, utility, fuel, and food. Most of the people referred to Crisis Assistance do not qualify for public subsidy such as AFDC and Food Stamps.

Crisis Assistance Ministry is a referral only agency. Referrals are accepted from any minister/church in Union County, the Department of Social Services, Vocational Rehab., school counselors, Hospice, and other United Way agencies.

CAM is funded 100% administratively by United Way. The assistance given comes from contributions from churches, civic groups, and individual donors. Because of this unique arrangement with United Way, 100% of contributions from churches, civic groups, and individuals goes toward client assistance. For example, if your church gives $500 to Crisis Assistance, that $500 will go back to the community to assist those in need.

Not all referred to CAM receive financial assistance. In order to be good stewards of the donated money, all information given by the client is verified to determine eligibility. The client must be in a crisis, not chronic situation, must be able to maintain his basic expenses once the crisis has passed, and must have used what financial resources he has with good judgement. All assistance given is paid directly to the appropriate vendor. Money is never given to the client. In addition to financial assistance, Crisis Assistance makes referrals to other agencies when appropriate.

The following report will give information as to the number of people referred to and assisted by CAM as well as comparison of services given over the last three years.

Union County Ministerial Association Chaplain's Report

The Hospital Chaplaincy Ministry is sponsored and supported by the Union County Ministerial Association and Union Memorial Hospital.

The Chaplains are appointed by the Association and hired by the hospital as contract workers answering directly to Vice-President Heath Byrd. They do not receive benefits, ie: health insurance etc.

As contract workers, the Chaplains are paid jointly in these amounts: $250 per month by the hospital and $300 per month by the association. The Chaplains work 40 hours each per month, which translates into a half-time Chaplain's position. They are on call for emergencies and crises.

The hospital Chaplains minister to all denominations and all persons who enter the hospital, as well as the staff, when time permits.

Rev. Stephanie Hamilton, who served approximately twenty months (1993-1994) left this position on July 1 to accept one with Presbyterian Hospital. Rev. Ken Lida currently serves both positions. The association is seeking another qualified Chaplain at present.

All church pastors are urged to encourage their members to call on the chaplain when they enter the hospital, so he may assist the pastors by calling him or her.

SUMMARY OF SERVICES

Number of visits made to patients	8500-9000 per yr.
Number who are unchurched	55-60%
Number of emergency call-ins/deaths	90-100 per yr.
Support provided by churches	approx. 33-36 in 1993-94

The Chaplains do their best to contact ministers/churches to let them know when a member enters the hospital, based on the information given to the Chaplain by the patient or family when they are visited.

The Eugene F. Hamer Memorial Chapel is open 24 hours per day. It is located on the second floor f the "old hospital" Administration Building. Special services are held during the Easter and hristmas seasons, as well as, special prayer services during times of national crisis, ie: Gulf War, uwait, etc.

Thank you for your prayerful support and financial support.

Respectfully submitted,
Rev. Ken Lida, Chaplain

Woman's Missionary Union Report

"And Whatever You Do In Word Or Deed, Do All In
The Name of The Lord Jesus, Giving Thanks To God
The Father Through Him." (COL. 3:17 NKJV)

The total missions task is carried out as individuals, family units, and large or small groups select venues of involvement to which they are called to "SERVE IN CHRIST'S NAME."

The work of WMU is an ongoing process that does not ever stop. I am very lucky to have a coun- il that is willing to give of themselves and do the work they do to make Union Association the suc- ess it is. We start in August by receiving training about the upcoming year. We then have Leadership Training to train church WMU leaders. This training was well attended this year. In our churches, women are busy throughout the year meeting needs and teaching missions. Thank you for Serving in Christ's Name.

On an Associational level, in November, we came together with our black sisters and spent an evening praying for Baptist Women World Day of Prayer. We provided 400 Christmas gift boxes and cakes, along with the Prison Committee, for inmates in area prisons. On February 26, we had our annual meeting at Hartis Grove. This was a very special meeting this year. Mildred McWhorter, retired Home Missionary, spoke with us about her work in Houston, Texas. Everyone there was blessed by her message. We offered conferences on Hope for Hurting Humanity, led by Ginger Tucker; Volunteer Missions, led by Phyllis Foy; Prayer, led by Delores Thomas; and Camp Mundo Vista, led by Beth McDonald. On March 19, we held our Annual Baptist Women's Luncheon at Austin Grove with Doris Houston speaking. Shirley Davis, from Mt. Pleasant, was named Baptist Women Queen. The Mary Blair Scholarship recipients for the 1993-94 year were Maleah Presley, from Covenant, and Lee White, from Monroe-First. Each received $500 for their freshman year at Wingate College. In June, acteens went to Birmingham, Alabama for National Acteens Conference.

The following churches received recognition for the 1992-93 year:

DISTINGUISHED: HARTIS GROVE, MACEDONIA, MOUNT ZION, BENTON'S CROSS ROADS (2), OAKLAND (3), SUTTON PARK (3), FAIRFIELD (4), MONROE-FIRST (4), SANDY RIDGE (9).

Acteen Activators were sent out from Hopewell again this summer. We are very proud of these girls for their dedication.

Our theme for the 1994-95 year will be "A TIME TO GROW." This will be a time of Spiritual Development as we prepare for the changing times ahead. We need to remember to trust and grow in the LORD.

Respectfully submitted,
Mrs. Billie Hutchison, Director

World Missions Conference Report

Glowing reports from most of the churches who participated in our World Missions Conferenc indicated that April 24-27, 1994, were very special days in the life and ministry of the churches. Th impact of those days upon each church in our association as a whole gave vivid testimony of th prayer and careful planning which preceded the meetings in the churches.

A total of 35 churches participated in the conference. The members of each church were in formed, inspired and challenged by our guest missionaries representing our Foreign, Home and Stat Mission Boards. The vocal and visual presentations gave insight into the ministries for our Lord i which we are privileged to have a part.

Interaction between members of our churches and representative missionaries for whom we pra and support with our financial gifts is of vital importance. This gives us an opportunity to meet an talk with "our" missionaries. We are often asked to pray for and to give to missions causes of whic we have little knowledge. Our World Missions Conference helped us to realize the excitement of vast missions venture as Southern Baptists cooperate in sharing the responsibility of carrying out th Great Commission.

Statistics never succeed in giving a full and accurate report of the total impact of an event. The do, however, serve as a partial record of measurable results.

WINGATE UNIVERSITY

Dr. Jerry McGee, President

Wingate University was the host for the first day of the 141st Annual Session of Union Baptist Association on Tuesday, October 24, 1995. The university location was selected in honor of its centennial celebration. Wingate is one of seven colleges in North Carolina supported by the churches of the Baptist State Convention.

The college had its beginning in the establishment of the Wingate School in October, 1895, by the Union Baptist Association. The institution, intended by its founders to be a "school of high grade," first opened its doors in 1896 under the principalship of M. B. Dry. Dr. Jerry McGee has been the chief administrator since 1992.

In 1923, Wingate added a college level division to its preparatory curriculum. The college gained accreditation by the Southern Association of Colleges and Schools in 1952. Wingate inaugurated baccalaureate programs in the Fall of 1977 and, in 1979, received full accreditation as a senior college. In 1995, Wingate College achieved university status. There are presently 1,376 students enrolled at Wingate University.

MIDWAY BAPTIST CHURCH

Rev. Donald Gamble

Midway Baptist Church was the host church for the second day of the 141st Annual Session of Union Baptist Association, on Wednesday, October 25, 1995. The church was organized in September, 1924. As the story goes, members from Mill Creek Baptist Church (Hwy. 200 N.) and Austin Grove Baptist Church (Marshville) were prevented from going to worship services during rainy seasons because the bridges to be crossed would flood and they could not pass. These members decided there was a need for another church half way between the other two churches, so "Midway" was established. Rev. Gamble has been the church pastor since December, 1992. At present, the church has a membership of 264, and continues to carry out the Great Commission, which is its main goal.

These minutes are dedicated in memory of:

MR. ARCHIE CREE

August 10, 1902 - April 3, 1995

Mr. Cree was a former Director of Missions for Union Baptist Association from 1967-69. His motto, as quoted by his wife, Judie, was "God First, Others Second, and Self Third."

The Crees have two children, four grandchildren, and five great-grandchildren. Mrs. Cree resides in a retirement home in High Point, NC, and is doing well.

These minutes are dedicated in memory of:

MR. LEX FUNDERBURK

December 15, 1913 - May 21, 1995

Pictured here with his wife, Inez, Mr. Funderburk was totally devoted to Christian service. The Funderburks were members of Macedonia Baptist Church where they were generous in giving and faithful church leaders all their adult lives.

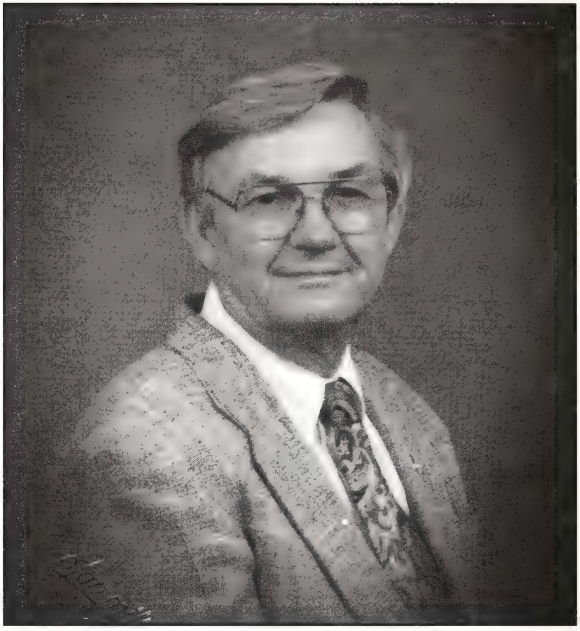
Lex Funderburk was faithful in service with Union Baptist Association. At a period when the association was fragmented, unsupported, and had little influence among the churches in the county, Mr. Funderburk and his associate, Mr. John Bivens, developed a plan that revitalized regular church support for the association. Lex Funderburk was chairman of the committee that built the present associational office building.

His love for missions also led him to become one of the first members of the Gideons in Union County. For more than twenty years, he placed New Testaments in the hands of fifth graders at every elementary school in the county until this practice was banned by the school board.

In 1990, Mr. Funderburk suffered a stroke and spent the latter years of his life at Guarding Care Nursing Home. Friends, family, and strangers in the hallway all heard the same message from Mr. Funderburk, "I love you, I love you."

Lex Funderburk was preceded in death by his wife in 1993. The Funderburks had three children and five grandchildren.

These minutes are dedicated in memory of:



REV. WARD GANDY

March 7, 1931 - March 27, 1995

Rev. Gandy was pastor at New Salem Baptist Church for twenty-two years from 1973 until hi death in 1995. He graduated from Fruitland Baptist Bible Institute and received his Master o Divinity and Doctor in Ministry from Mid Atlantic Bible Seminary.

Rev. Gandy and his wife, Mary, have three children, five grandchildren, and one great-grand child. Mrs. Gandy resides in Kershaw, SC, and is doing well.

These minutes are dedicated in honor of:

MRS. MILDRED TUCKER

Mrs. Tucker served Union Baptist Association as clerk for thirteen years from 1982 until September, 1995. As clerk, her main responsibilities were to record minutes of association meetings, assist churches in reporting information on their individual Annual Church Profiles (ACP), and compile reports and materials to publish an association annual each year. She also worked as Association Secretary from 1982 until June, 1990, under the leadership of Rev. Ellis Marks and Rev. Clarence Vassar.

Mrs. Tucker and her husband, Logan, are members of Hopewell Baptist Church. They have four children and one grandchild. The Tuckers reside in the Fairview Community of Union County.

The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793, Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886, the name of Union Association occurred.

The 141st Annual Session of
Union Baptist Association

FIRST AFTERNOON SESSION
October 24, 1995

THEME: *"MISSION 2000: Remembering Our Past"*

1. The 141st Annual Session of the Union Baptist Association was opened by the Moderator, Mr. Fred High, in LaVerne Dining Hall, Wingate University, at 3:00 pm, on Tuesday, October 24, 1995. The overall theme for the 141st Annual Session was *"Mission 2000."*

2. Mr. Harry Sherwood, Director of University Relations, Wingate University, welcomed all in attendance and gave instructions concerning the facilities. He also gave instructions regarding the evening "dinner on the grounds" outside to follow the afternoon session.

3. CONGREGATIONAL HYMN, "To God Be the Glory" was sung under the direction of Mr. Sammy Thomas, associational music director. Piano accompaniment was provided by Mr. Mark Pressley, Associate Minister of Music with Indian Trail-First Baptist Church. A lyric song sheet was provided for assistance with the day's music selections.

4. SCRIPTURE READING was presented by Rev. Joe Mullis, pastor of Union Baptist Church, reading from Psalm 105:1-5.

5. The THEME INTERPRETATION was brought by Rev. Carroll Spivey, pastor of Hopewell Baptist Church, based on the scripture reference and our session theme, *"Mission 2000: Remembering Our Past."* Rev. Joe Mullis led in prayer.

6. CALL TO ORDER - Moderator High called the 141st Annual Session of Union Baptist Association to order at 3:20 pm.

7. Mrs. Mildred Tucker, associational clerk, moved that the messengers who are registered and those who will be registered constitute the 141st Annual Session of Union Baptist Association. The motion was seconded and carried.

8. Mrs. Ann Grayson, nominated incoming association clerk, conducted a roll call of churches represented. With 51 of our 74 churches and missions represented with messengers present, a quorum was established.

9. Moderator High recognized all new ministers and their families, referring to page 53 in our Book of Reports.

10. Moderator High recognized any visitors or agency representatives present.

11. Moderator High presented the Book of Reports as prepared by the submitted reports from the different association committee chairpersons. This Book of Reports would be presented for adoption during our business session at a later time. The association committee chairpersons were recognized.

12. Moderator High recognized the 1994-1995 association Council members.

13. Moderator High requested that Dr. Dennis Burton, Director of Missions, join him at the podium to present Certificates of Appreciation to several persons. Mrs. Mildred Tucker, in appreciation of her service of thirteen years as association clerk, was presented a certificate and plaque. Mrs. Tucker took a few moments to express her gratitude and kind wishes to the association. Ms. Linda Thomas, treasurer, was unable to be present to receive her certificate due to her work schedule. Certificates were also presented to Mr. Styles Perry, brother director, and Mr. Buford Griffin, general board member. Mr. Bobby Parker, association council lay representative, was not present to receive his certificate.

14. Dr. Burton, remembered two former Directors of Missions, Archie Cree and Earl Underwood, who are deceased. Rev. Clarence Vassar was unable to attend, but will be presented a plaque in recognition of his service as former Director of Missions. Rev. Ellis Marks was present and presented a plaque in recognition of his service as a former Director of Missions by Moderator High.

15. CONGREGATIONAL HYMN, "Great is Thy Faithfulness."

16. Sammy Thomas introduced Mr. Mark Pressley, Associate Minister of Music at Indian Trail-First Baptist Church, who brought our special music—a piano solo of "How Great Thou Art."

17. Moderator High reminded all in attendance that we were meeting at Wingate University in order to join in the celebration of its 100th Anniversary. He introduced our keynote speaker, Dr. Jerry E. McGee, President of Wingate University.

18. KEYNOTE ADDRESS was brought by Dr. McGee. He reminisced on the beginnings of Union Baptist Association and its accreditation to Wingate University and the beginning of the university. He stated on a Saturday morning, October 12, 1895, the report of the Education Committee, given by R. F. Beasley, was called for. That afternoon, a resolution to establish the school was passed with a unanimous vote. He added that the building of a school was discussed and prayed about for ten years before this resolution was acted upon. Dr. McGee felt certain the original trustees, J.W. Bivens, H.C. Moore, M.W. Griffin, K.C. Sikes, B.F. Parker, and R.F. Beasley, would have been pleased to see the present Wingate University continuing as a Christian institution of high quality, open to all faiths.

19. Moderator High presented a check to Dr. McGee to establish the Union Baptist Association Scholarship Endowment Fund. (4:08 pm)

24. It was moved and seconded that the Book of Reports be adopted as presented. The motion carried.

25. In the absence of Rev. Leon Whitley, chairman of the Constitution and Bylaws Committee, Mr. Bobby Griffin, a member of that committee, moved the adoption of the changes to the Bylaws as shown on pages 25-32 (bolded areas) of the Book of Reports. The motion was seconded and will be voted on at the Wednesday morning Business Session. Dr. Dennis Burton pointed out the major changes involved. The most substantial change involved that the association move from one annual session and three Executive Committee Meetings to four sessions of the association. This eliminates the Executive Committee. Some reasons given were to involve more people in major decisions of the association by including all messengers instead of only the pastor and one lay representative. There will be more opportunity to meet in different churches due to the evening meetings not requiring a meal. The association can visit more areas throughout the county. The Annual Session will continue to be held in October with an afternoon session, meal, and an evening session. Even with the changes, the Constitution and Bylaws Committee strived to stay as close as possible to the present structure of the Constitution. Other changes pointed out involved how to amend the constitution (Article 5, page 26) and the presentation of the budget (Article 34, page 30). There were also two corrections made to the printed material: a) Article 6, page 26—Time of Association Sessions—Paragraph one, sentence two; Strike the last word ("have"); b) Article 34, page 30—Stewardship Committee—Change sentence one, paragraph two to read as follows: This committee will prepare a Ministry Action Budget for associational work and will send this budget to the churches for review in June and present it to the Association at its July session each year for adoption.

26. Ginger Tucker, Church and Community Ministries Director, was recognized to bring a report. Ms. Tucker recognized all Wingate graduates or those present with family members who had attended Wingate. She referred to page 78 of the Book of Reports, State Missions Offering Report and to page 7, CCM Report. Ms. Tucker recognized all members present of WMU and Brotherhood. She proceeded with making a "balloon dog" to demonstrate how this art can be used as a ministry tool. She shared some shocking statistics regarding Union County including: *more than 1 out of 5 households have a total income of less than $15,000; *22 out of every 100 black persons, 12 out of every 100 children under age 6, and 19 out of every 100 persons over age 65 live in poverty; *Out of the 100 NC counties, Union has the 7th highest rate of child abuse and neglect (74 cases/1,000 children); *Approximately 6,000 persons in Union County have less than a 9th grade education and about 19,000 (1 out of 4) persons in Union County do not have high school educations; *In a Backyard Bible Club/Apartment Ministry conducted in Monroe by UBA in the summer of 1995, 20 out of 25 children did not know who Jesus is. Ms. Tucker concluded by referring to the CCM handout distributed at each seat which listed 13 possible ways to become involved in ministry this fall and winter (1995-1996).

27. CONGREGATIONAL HYMN, "All That Thrills My Soul."

28. Special Music was brought by *The Montgomerys*. The group sang "I Was Born to Praise the Lord" and a solo, "He's Always There."

29. ANNUAL SERMON — Rev. Dale Roach, pastor of Lakeview Baptist Church, brought our annual sermon entitled, "Today is the Day," based on scripture found in II Kings 7:3-9, and the message that this is a day of good news that must be told. Rev. Roach concluded with prayer.

30. CONGREGATIONAL HYMN, "More About Jesus."

31. Moderator High announced the closing of the second afternoon session and called on Ginger Tucker, Church and Community Ministries Director to bring the benediction/blessing.

32. Prayer and the blessing of the meal was brought by Ginger Tucker, Church and Community Ministries Director.

33. The meeting recessed to enjoy a dinner on the grounds prepared by Wingate University catering. (5:25 pm)

THIRD EVENING SESSION
THEME: *"Mission 2000: Challenged by Our Future"*

34. CONGREGATIONAL HYMN, "Higher Ground."

35. Ginger Tucker located the winners of two door prizes provided. Winners were asked to collect their prize at the front following the end of the service.

36. SCRIPTURE READING was presented by Rev. Randy Davis, pastor of Bethel Baptist Church reading from Jeremiah 29:11.

37. The THEME INTERPRETATION was brought by Rev. Phillips McRae, pastor of Faulks Baptist Church, based on the scripture reference and our session theme, *"Mission 2000: Challenged by Our Future."* Rev. Randy Davis led in prayer.

38. Moderator High recognized Dr. Walter Woodson for his report on Seminary Extension Classes

39. Dr. Woodson, Seminary Extension Director, referred to his report on page 56 of the Book of Reports and announced the next classes would register on January 8, 1996. These classes will include a continuation of the Old Testament Study (from I Kings through all the historical books) with Dr. Woodson as the instructor, and Rev. Bill Fogarty will instruct a class on Church Administration. Information will be mailed shortly. After the January session, the next classes will be offered the week after Easter.

40. Rev. Joe Larrimore, chairman of the Missions and Outreach Committee, stated that during the past ten years, under the leadership of Mr. Earl James, Rev. Tony Medlin, and himself, the Missions and Outreach Committee has witnessed the birth and growth of ten new works for our association. He introduced Rev. Richard Culpepper, mission pastor, for the newest work in the Indian Trail area.

41. Rev. Richard Culpepper continued by sharing personal information about himself and his wife, Allison. He also shared his vision for the new work at the Charlotte Road area.

42. Ginger Tucker, CCM Director, was asked to update those present on the Belarussian Children's Ministry. She referred to the information shared in the CCM handout distributed. For six weeks this summer, it is our desire to house and support 15 children, provide medical and dental services, and expose them to Christ. Ms. Tucker asked Richard Culpepper if he would share more information on the impact of the sponsorship and witness provided by participating churches in this program. Richard's wife, Allison, is the president of the American Belarussian Relief Organization (ABRO). Rev. Culpepper shared more details of the lifestyle of these children and past experiences they have had in bringing children to the U.S. He stated we are not sure how long this opportunity will be allowed by the Russian government and he requested those present to be in prayer about this project. Ginger Tucker emphasized the deadlines as outlined in the CCM handout.

43. Dennis Burton, Director of Missions, stated we have two other new missions in our association. Westend Baptist Church, under the leadership of Rev. Duell Hinson, has been meeting at the Sanlee Drive location since July, with 15-25 attending each Sunday. Rev. Hinson could not be present. He also introduced Rev. Don Thompson, pastor of another mission, Love Baptist Church.

44. Rev. Thompson was joined by approximately 57 persons representing the mission "Praise Team" as he continued his introduction of Love Baptist Church. This mission is four and one-half months old (with the first service on June 4, 1995), averaging 73 in attendance each Sunday, with average weekly giving of $1,272. They meet in the Union Square Cinema Eight Theaters at 9 am each Sunday and at Monroe Apartments on Wednesday evenings. They also sponsored a Back Yard Bible Club and the Union County fairgrounds. Five weeks ago, they began a new ministry at the Cotton Street Housing for the elderly. The Praise Team shared songs and inspirational testimonies from Allison Belk, Larry Smith, and O.B. McDonald. Sandra Hailey closed by singing "In This Very Room."

45. Rev. Larrimore recognized Dr. Burton for a report on the South Africa Partnership, which the Executive Committee approved to join in September. Dr. Burton stated the association would be sending a planning team to South Africa of three people in February or March, 1996, to choose a region for us to partner with and explore needs. One of the Mission 2000 goals is for UBA to send 100 people to South Africa during the next five years

46. Rev. Larrimore referred to the committee report on page 52 of the Book of Reports, and recognized Rev. Tony Medlin, pastor of Euto Baptist Church, to report on Partners in the Harvest. Rev. Medlin stated that pastors are crucial in promoting this new program which gives churches and individuals an opportunity to share in missions by contributing $60 per person for each membership. He stated that Euto was a little country church, but they had contributed $1,000 themselves. He challenged others to give this new idea a chance and support it by joining, presenting and promoting it to others, and educating others on its projects.

47. Sammy Thomas introduced the Wingate University Chamber Choir to provide our special music. The director is Dr. Ron Bostic with Mrs. Polly Bostic as accompanist. Soloist was Dr. John Blizzard. The choir received a standing ovation.

48. Moderator High expressed appreciation to Sammy Thomas for the musical arrangements of the day.

49. DIRECTOR OF MISSIONS' MESSAGE — Moderator High presented Dr. Dennis Burton to bring the Director Of Missions' Message. Dr. Burton announced the UBA Christmas Open House on December 8th and invited all to drop by the association office between 11 am and 2 pm. He then introduced the association staff: Jean Rollins, administrative assistant; Ann Grayson, secretary; Ginger Tucker, church and community ministries director; and Richard Culpepper, church planter/missions strategist. His message theme was "The Future: Change, Process, and Challenge." He based his message on scripture reference from Jeremiah 29:11. After reading the scripture, Dr. Burton led in prayer. Webster defines the future as "an expectation of an advancement." Dr. Burton stated there are three things we should know about the future. 1) The future will bring change. We are not who we once were, but we are not who we will be either. We're on the way. Union County will grow by 40,000 people in the next five years and we need to be ready for this change. 2) The change of the future involves a process. This process should be guided by the spirit of God and a spirit of cooperation—not competition. We have 24,000 members in our churches. What if each member would win just one soul to Jesus in the next five years? 3) The future involves challenge. In his thirty years of serving as pastor of different congregations in three different states, he found if they were challenged with the mission opportunity, they always rose to the occasion. The proposal we will hear on Wednesday involving Mission 2000 has two mission challenges. First, that by the year 2000, UBA will make it possible for every man, woman, child, teenager, to hear the gospel of Jesus Christ. It is not our responsibility to win them all to Christ, but it is our responsibility to tell them. Second, that every door in our county will be knocked on and that resident will be invited to a UBA church.

50. Moderator High expressed appreciation to Wingate University for hosting our session, to each messenger and pastor present, and to the participants on the program so far. He announced our plans to meet at Midway Baptist Church at 9:00 am tomorrow morning.

51. Rev. Ken Parsons, pastor of Friendly Baptist Church, brought the prayer of benediction. The session adjourned at 9:18 pm.

Registered attendance: 202 messengers, 41 pastors, 2 interim pastors, 4 alternates, and 10 visitors.

FOURTH MORNING SESSION
October 25, 1995
THEME: *"MISSION 2000: Charting Our Future"*

52. The second day of the 141st Annual Session of Union Baptist Association was opened by Moderator, Mr. Fred High, in Midway Baptist Church at 9:00 am on Wednesday, October 25, 1995.

53. Rev. Donnie Gamble, pastor of Midway Baptist Church, welcomed all those in attendance and gave instructions regarding the church facilities.

54. CONGREGATIONAL HYMN - Mr. Sammy Thomas led the congregation in singing "Jesus Saves."

55. Moderator High called the session to order at 9:05 am. He designated Vice Moderator, Donnie Gamble, as the presiding officer.

56. SCRIPTURE READING was presented by Rev. Terry Burris, pastor of Faith Baptist Church, reading from Mark 16:15.

57. The THEME INTERPRETATION was brought by Rev. Jerome Cash, pastor of Fairfield Baptist Church, based on the scripture reference and our session theme, *"Mission 2000: Challenged by Our Future."* Rev. Terry Burris led in prayer as those present stood and joined hands.

58. Dr. Dennis Burton allowed a moment to recognize visitors and guests. He then referred to pages 69-78 of the Book of Reports for the state agency reports and spoke on their behalf and in appreciation of their work.

59. Sammy Thomas introduced his wife, Mrs. Helen Thomas, who sang "Written in Red," as special music.

60. MODERATOR'S ADDRESS — Vice Moderator Gamble presented Moderator High to bring the Moderator's Address entitled, "Commitment to the Association." Before beginning, Moderator High expressed appreciation to all the association representatives he had worked with over the years for their service. Moderator High based his message on scripture from II Corinthians 9:6. Paul taught of giving your money and your time and allowing God to use your funds and energy to His glory. He referred to our association mission statement, reminding that the churches shape the association. Moderator High discussed the proposed bylaws changes and the reasons for making them. He stated it was important for the association to receive messages from your church and for you to carry back messages to your church. He requested that all association churches increase their association giving to 3 1/2%, reminding that even a small increase would form a larger option for the association. He referred to the missions awareness of the association and the recent performance evaluation for the Director of Missions. He closed by leading in prayer.

61. CONGREGATIONAL HYMN, "Because He Lives."

62. SECOND BUSINESS SESSION. Vice-Moderator Gamble called the second business session to order at 9:55 am.

63. Dr. Dennis Burton came forward to review the Constitution and Bylaws changes again as printed in the Book of Reports with the two corrections made during the presentation of the motion on Tuesday. In the discussion, he referred to plans to produce a bulletin insert to all churches sharing details of the association session and announcements regarding upcoming events. Vice-Moderator Gamble repeated the question. The motion was unanimously approved.

64. Dr. Burton referred to the Digest of Letters as printed on page 33 of the Book of Reports.

65. There were no resolutions presented and no miscellaneous business to discuss.

66. ELECTION OF OFFICERS. Vice-Moderator Gamble opened the floor for nominations for Moderator. Dr. Harry Poovey nominated Mr. Fred High for a second term. There were no other nominations and Mr. High was elected by acclamation with a standing vote.

67. Vice-Moderator Gamble opened the floor for nominations for Vice-Moderator. Dr. Harry Poovey nominated Rev. Donnie Gamble for a second term as Vice-Moderator. Vice-Moderator Gamble relinquished the chair to Dr. Dennis Burton. There were no other nominations and Rev. Gamble was elected by acclamation with a standing vote.

68. Dr. Burton returned the chair to the Vice-Moderator, Rev. Donnie Gamble, who then presented a recommendation from the association council. It is the recommendation of the council that Union Baptist Association establish a Bivens/Funderburk Award for Mission Excellence. Rev. Joe Larrimore came to speak regarding the history of his in-laws, John and Evelyn Bivens. They had sacrificed for their church and this association. Mr. Bivens was association historian for many years and wrote an association history book. He also served on the finance committee and helped bring the association "out of the red." Evelyn Bivens was very active in leading the WMU for years. Dr. Henry Funderburk came to speak regarding his parents, Lex and Inez Funderburk. They too were devoted to Christian service and loved Union Baptist Association. Mr. Funderburk assisted Mr. Bivens in helping the association out of financial difficulties and was chairman of the committee to build the present association office building. Mrs. Funderburk was active in helping to start the WMU. The recommendation was approved.

69. CONGREGATIONAL HYMN, "Victory in Jesus."

70. MISSION 2000. Dr. Burton came to share the proposed goals of Mission 2000. He stated that the Bivens/Funderburk Award for Mission Excellence would be given annually with the Mission and Outreach Committee seeking nominations. A plaque will be placed in the association office in recognition of the recipients. Two handouts were distributed. One was a summary record of figure

reflecting the past five years of UBA with number of churches, resident membership, baptisms, Sunday School enrollment, association missions, and total missions. The averages were also reflected. As a point of order, Dr. Marian Hume stated that the years 1990, 1992, and 1993 did not include cooperative program gifts in the total missions figures. The other handout stated eight recommendations for goals of Mission 2000. The goals are as follows: 1) Every home in Union County will be reached with an invitation to worship with a Southern Baptist Congregation. 2) To raise the five year average of Baptisms in our association from 11.4 per church to 12.8 per church. 3) To increase the number of member churches and missions from 71 to 80. 4) To send at least 100 people on a mission partnership to South Africa. 5) To sponsor at least 75 children through the Belarussian Children's project. 6) To develop 2,000 partners in the Partners in the Harvest program. 7) To enlist 75% of our member congregations to support the association with 3.5% of their offering plate dollar. 8) To gain a 6% increase in Sunday School enrollment in our member churches.

71. Rev. Donnie Gamble gave a recommendation from the association council to adopt Mission 2000 as presented. A standing vote was taken. The recommendation was approved.

72. CONGREGATIONAL HYMN, "Speak to My Heart."

73. INSTALLATION OF OFFICERS. Dr. Burton referred to the Nominating Committee Report on page 54 of the Book of Reports. All association officers were called to the front. Dr. Burton read from Ephesians 4:11-16 and proceeded with the installation of new officers, council, and committee chairpersons and led in prayer.

74. Special Music was presented by Mrs. Judy Gamble in singing "Called by Love."

75. DOCTRINAL SERMON — Dr. Harry Poovey, pastor at First Baptist Church of Monroe, brought our doctrinal sermon entitled "The Treason of Token Religion" (A sermon asking God to enlarge our sense of mission beyond the brick and mortar of the church building.) His scripture reference (Williams translation) was from John 10:16 and Matthew 28: 19-20. Dr. Poovey reflected on his days as a foreign missionary in the Republic of China and Europe. He also stressed the Great Commission as a request, not a command. As we go about our daily lives, or since you are going to be going anyway, you make disciples. "Make disciples" is the command of the Great Commission. He stated this emphasized that it is not where you are that is important, but rather what you are doing there. Dr. Poovey closed with prayer.

76. CONGREGATIONAL HYMN, "Lord Lay Some Soul Upon My Heart."

77. Vice-Moderator Gamble thanked Sammy Thomas and Mark Pressley for the music direction provided for our services. A motion to adjourn was approved and Rev. Rodney Navey, pastor of Ebenezer Baptist Church lead in our benediction and the blessing of our meal.

78. The session adjourned at 11:45 am to enjoy a meal prepared by M. C. Howell Catering in the church fellowship hall.

Registered attendance: 160 messengers; 30 pastors; 2 interim pastors; 5 alternates; and 10 visitors.

UBA COMMITTEE REPORTS

AMERICAN BIBLE SOCIETY REPORT

HOPE is one of the most sought after needs in the world today. The American Bible Society is privileged to be a provider of **HOPE**. As we have noted recent events in the world that have brought destruction and chaos to every area of the globe, we can only agonize with those who have lost everything through wars, famine, plagues, and natural disasters. These bring despair, anger, terror, hunger, and death.

We read in the new Contemporary English Version of 1 Peter 1:3, "Praise God, the Father of our Lord Jesus Christ. God is so good, and by raising Jesus from death, he has given us new life and a hope that lives on." By participating in the work of the American Bible Society you are helping to provide that "hope that lives on" to those who don't know Jesus Christ and to those who have lost all faith in themselves and in the future because of disasters.

Through your support you have become a **Partner in Hope** as together we share God's Word around the world. We think of the people of Albania who were so long denied the **hope** found in the Scriptures, the people of Rwanda who are searching for renewed **hope**, the people of China who continue to discover the **hope** found in a new life in Christ. So many in the world are in need of new **hope**. Even in our own country, those who have survived incredibly difficult problems and circumstances desperately need hope as they build and rebuild for the future.

If the Word of God is to bring **hope** to peoples of the world, it must be made available to them in the language they understand. The unique excitement with which a new Bible or New Testament is received is worth the years of effort involved in the translation process. In Ecuador during the launch of the Quichua:Imbabura Bible, a local pastor said with emotion, "Reading the Word of God in our own language is a pleasure we have always longed for, and now it has become a reality." In Gabon, Africa, there was great rejoicing when the yiPuni Bible was ready for distribution. In Spain, the launch of the Basque Bible was hailed as one of the most important cultural events of the century.

In the United States, a significant new translation appeared with the publication of Luke in Gullah, a Creole language spoken largely by African-Americans living in the southeastern coastal area of the country. The completion and publication of the Contemporary English Version of the Bible in 1995 provides a translation that makes clearer many of the older text passages.

The American Bible Society thanks you for past commitments to their work and mission. They hope that you will celebrate our partnership together in bringing **hope** of the Good News of the gospel of Christ to all the world.

Respectfully submitted,
Dr. Marian Hume
American Bible Society Coordinator

BUILDING AND GROUNDS COMMITTEE REPORT

The Building and Grounds Committee met several times during the year and made recommendations for the following improvements to be made to the Association Building:

The building is more secure now with new dead-bolt locks upstairs and downstairs, installed by A & J Locksmith.

The committee also recommended a new and updated communication system. Larry Bigham, of B & B Electronics installed the new Macrotel telephone system, complete with door phone, in April of 1995.

The business owners property insurance is now provided by Church Mutual Insurance Company, which includes fire, theft, and liability. A bond provision is also included, extended liability and liability for counseling.

The committee also recommended enlarging the secretarial workroom. This work was completed by volunteers from several member churches. We greatly appreciate help from the builders, Randy Cox, Mike Clontz, and David Helms; the electrician, Joe Helms (all from Hillcrest Baptist Church). Travis Evans (from Indian Trail-First), finished the sheetrock, and Whiteford Griffin (from Oakland) painted the inside of the association building. The additional space has proved to be a very helpful and attractive improvement to the associational office. The work was completed in June, 1995.

We are grateful each week for the work of Alice and Leigh Malcolm as they are responsible for the weekly cleaning of the association building, and also to Larry Broadway for the lawn maintenance.

DIRECTOR OF MISSIONS' REPORT

What a joy and challenge it has been to serve you as your Director of Missions this past year. There is much we could share together on what I have done in the time since we last met together. I feel; however, that it is more appropriate to mention only a few key items and to use the report to speak to what lies before us as God's people. They are:

PARTNERS IN THE HARVEST: This is the greatest mission opportunity we have ever experienced. PIH has the potential of underwriting incredible mission endeavors for the member congregations of UBA.

CALLING OF OUR CHURCH PLANTER: God has given us **Richard and Allison Culpepper** who have a unique vision of planting churches and new mission experiences. Your call to them speaks of your commitment and vision for the future.

PROPOSAL TO MOVE TO QUARTERLY SESSIONS: The concept of the Association meeting every quarter, instead of the Executive Committee, extends the opportunity for more of our members to be involved in the work and mission of the Association. As never before, we need the involved, prayerful support of our people. **This is not a day for less involvement in mission, but for more.**

MISSION 2000: If we are to move forward in a coordinated mission effort, utilizing the best of our spiritual gifts, we must do so under the leadership of the Holy Spirit. To that end, our Council and other committees have prayed, planned, and proposed a wide range of strategic and focused mission goals to carry us to the year 2000. ***The central goal of Mission 2000 is to make it possible for every man, woman, teenager, and child in Union Association to hear the gospel by the year 2000.*** This is a goal that we can and must meet.

There are many bold new mission experiences before us such as, **the partnership in missions with South Africa, ministry to the Belarussian children, training through our Seminary Extension Center,** and much, much more.

One of our greatest assets is our **Associational Staff.** These are dedicated, gifted, and wonderful people who have joined our journey of missions: **Ginger, Jean, Ann, and now Richard**. Thank you for your support, indispensable talents, and ministry. We could not hope to begin to fulfill our mission without you.

Our Pastors are men we are both proud of and grateful for. They **serve** their congregations with an **unceasing labor of love**. They are worthy of our best support, remuneration, and appreciation. Pray for yours and for those of your sister churches. Take time to think of their special needs, such as time to rest, financial support, and a strong word of affirmation of their ministry. It will go a long way towards encouraging them in the spiritual battles they wage.

Our member Churches and Messengers. Without you, we don't exist or have a purpose. This Association exists,"...for the purpose of providing fellowship, evangelism, discipleship, and missions in the context of **the local church, the community, and the world."** Thank you, churches and members, for your support, prayers, and involvement in our mission together.

Time and space limit what else I would like to share. Let me simply say, 'thank you', and ask for your continued prayerful support. Gay and I love you and appreciate so much the opportunity you have given us to serve with you. God bless you and yours.

Dennis L. Burton, D. Min.
Director of Missions

DISCIPLESHIP TRAINING REPORT

Discipling Christians so that they can become all that God intended them to be is a major function of the church. When and where does it take place? Any time and any place where a group of God's people can conveniently meet and study.

A few of our churches are still having continuing Discipleship Training on Sunday evenings using the dated curriculum materials and short-term courses. Many of the churches are using the

short-term resources: new member training materials, doctrinal studies, DiscipleYouth, DiscipleNow, LIFE courses, LIFE Group Support courses, TeamKid, Children's and Youth Bible Drills, and leadership training.

A Bible Drill update was held in November 1994 at Lee Park Church with Reverend Stuart White of Thomasville, NC as the leader. On Sunday, April 9, 1995, the Bible Drills were held at Shiloh Church. Thirty-two children and youth participated from the following churches: Hermon, Lakeview, Midway, Mountain Springs, Sandy Ridge, Shiloh, Trinity, and First of Weddington. Calvary and Philadelphia also worked on the drills. Many of those in the associational drills were eligible to attend the State Drills. The parents of the participants and those who work with them spend many hours helping the children and youth. A special thanks to these dedicated adults and to Mrs. Sara Humphries who leads this work in the association. In January 1995, a meeting of the Discipleship Training directors was held.

Assistance in starting Discipleship Training work has been given to several churches. Additions have been made to the Discipleship Training resources in the associational media center. These can be reviewed so that churches can find resources that will meet their needs. The Supporter has attended four training meetings provided by the State Convention.

Each church is encouraged to do the following:

(1) Elect a Discipleship Training director to work with the pastor and church staff in planning training,
(2) Seek to meet the needs of the church's members through appropriate Discipleship Training,
(3) Teach Baptist doctrine to her people, and
(4) Provide new member training.

MISSIONS AND OUTREACH COMMITTEE REPORT

The Mission and Outreach Committee once again has had a busy and fruitful year. The Missions, l Buen Pastor, Wingate Trailer Park, and Sandy Acres have all had growing ministries: El Buen astor in Bible Study at the Riverside Apartments, and Wingate and Sandy Acres in after school and ıtoring programs. All three have had decisions for Christ and a growing influence in their commuities because of their efforts.

We have added two churches to the Watchcare and Fellowship of the Association: Love Baptist nd Westend Baptist. Both are not only attracting unchurched people, but also making a distinct witess in their areas.

The big news is that we have found, and the Association has called Richard H. Culpepper as New Vork/Church Growth Strategist for the Association with primary responsibility for the Charlotte Road rea. We had also recommended undertaking a work with Belarussian children, only to find that Irs. Allison Culpepper is the SBC Director of Belarussian work.

Other important mission undertakings are: The establishing of a South African Association Partership in cooperation with the NC Baptist Convention, plans to survey our county to see if there is ıe need for an Indian-Pakistani work, the Partners In the Harvest program for the support of misıon activity in the Association, and the Mission 2000 program to reach every home in Union ounty by the year 2000. (The latter three programs are the design of our Director of Missions,)ennis Burton, and the Belarussian ministry came from the concern of Ginger Tucker, our Director f Church and Community Ministries.)

Thank you for letting us be part of God's movement in our Association.

SUNDAY SCHOOL REPORT

The 1995-2000 theme for the Bible Teaching-Reaching Division of the Baptist Sunday School Board, *Carry the Light*, will point to the need to share the Light with a world living in darkness. During 1995-96, the annual theme is *Carry the Light—Live God's Word*. Sunday Schools are encouraged to accomplish this task by doing the following:

- reaching out to persons in our communities, in our families, who live in spiritual darkness
- providing multiple opportunities in a variety of settings to teach them God's Word
- caring for people through relationships centered in Jesus Christ
- witnessing faithfully to unbelievers and making every effort to lead them to the Light, Jesus Christ
- involving persons in a fellowship of love in Christ that strengthens persons and the church
- leading persons and families to worship the One who called forth light, came as Light, and dwells as the Light of eternity.

The ASSISTeam desires to expand its relationship with every Sunday School within Union Baptist Association. Ours is a partnership of fellowship and cooperation in which the common goal is to reach and teach others for Christ so they can know Him through a living relationship.

As our association sets the course for Mission 2000, the ASSISTeam is prepared to help each church with particular Sunday School needs. These are exciting times for our association! The well known formula of Arthur Flake has stood the test of time in Sunday School work and church growth principles. We should be reminded of these principles in order to continue our Bible teaching-reaching ministry in every church:

- Know the possibilities of whom in the area can be reached through worship and Bible study.
- Provide an organization with leadership dedicated to living out the Great Commission.
- Train leaders in Bible study and in the kingdom principles of church growth.
- Provide the space needed to reach persons for Bible study.
- Go and reach the people by challenging believers to witness to the lost and bring them to Bible study and worship.

Monroe, North Carolina 28111-0596

Gentlemen:

We have examined the books and records for the Union Baptist Association and the related statements of cash receipts and cash disbursements for the fiscal year ending September 30, 1994. Our examination was made in accordance with generally accepted auditing standards and accordingly includes such tests of the accounting records and other such auditing procedures as we considered necessary in the circumstances.

In our opinion the accompanying statement of cash receipts and cash disbursements present fairly the results of its operations for the year ending September 30, 1994.

Sincerely,
HILTON & HELMS ACCOUNTANTS

WOMAN'S MISSIONARY UNION REPORT

"MAY THE LORD MAKE YOUR LOVE FOR ONE ANOTHER AND FOR ALL PEOPLE GROW MORE AND MORE." (I THESS. 3:12)

This past year has been a "TIME TO GROW" spiritually toward a missions lifestyle as individuals, families, and as WOMEN ON MISSION for Christ.

WMU has experienced many challenges and changes in the past year, but through it all, our focus has remained the same...MISSIONS. Thanks to council members for your commitment and efforts to do and teach missions. Our council began in August learning about the upcoming year. We brought this information back to church WMU leaders at Leadership Training in September.

On an associational level, in November, we came together with our black sisters and spent an evening praying on Baptist Women's World Day of Prayer. Once again, in December, we worked with the Prison Committee and provided cakes and gift boxes for inmates in our area. On February 4th, our Annual Meeting was held at Marshville First Baptist Church. We were challenged and encouraged by Home Missionary Dottie Williamson. Other conferences offered at Annual Meeting were, CHANGES IN WMU, led by Sandra Miller; WE NEED TO PRAY, led by Delores Thomas; UNION COUNTY MISSION OPPORTUNITIES, led by Billie Hutchison. Also in February, the WMU along with many others in the association participated in Project HELP Hunger. Our association collected over 6,000 cans of food! Congratulations, on a job well done. On April 22, WMU provided a meal for special people at Wingate College as they enjoyed a day of fun there. On April 29, WMU women gathered at Indian Trail First Baptist Church for regional training on the upcoming changes. Thanks to all who attended. The Baptist Women's Tea was held on May 20, with Patricia Frazier as guest speaker.

The 1995-96 Mary Blair Scholarship recipients are:

> **Ginger Anita Polk**, a member of Oakland Baptist Church, graduating from Sun Valley High School and **Travis Riley Kiker**, a member of Antioch Baptist Church, graduating from Piedmont High School.

Our prayers go with these recipients as they further their education.

Our theme for the 1995-96 year will be "RISK THE JOURNEY." As we walk with God, we will experience many risks, for example AIDS, violence, and hunger. But, these are also chances to love as Christ did. Will you risk a chance to love?

Respectfully submitted,

ANNUAL REPORT
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

For six-year-old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister - and praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road.

Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities' direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH published Intent to Serve, a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October, 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

A chapter of BCH life closed with the death of alumni, employee, and friend, Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's Homes will ever see another individual who invests himself so fully in this place as did my friend, Bill Sisk."

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Putting words into action described numerous individuals who gave time and effort with special campus work projects.

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage, and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930's, restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage, and renovating family conference rooms in the new gym.

"We pray about these kids, and we pray that we will be an example," said Allen Holmes, Denver Baptist's mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way," to raise money for special projects, operational needs and endowment. The campaign will run September 1995 - May 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security, and love.

The Baptist State Convention in 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University, and Wake Forest University.

For 1995, the Convention's Christian higher education budget is $6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

ANNUAL REPORT
BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

Making Life for Older Adults . . .
The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1995, will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc....the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults....The Best of Times!

ANNUAL REPORT
THE *BIBLICAL RECORDER*

The headlines each day—Bosnia, O.J. Simpson, interest rates, tax overhaul, etc.—often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing. The *Biblical Recorder* tells the whole story—the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the *Recorder* more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The *Biblical Recorder* should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the *Biblical Recorder* which saves staff time, postage, and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features, and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues, and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

This year has been a significant one for the Christian Action League of N. C. as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature, and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. ***Legislative Issues:***
   - **A. Alcohol:** The alcohol industry sought to implement state-wide Liquor-by-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.
   - **B. Lottery:** In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and Prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

     We praise the Lord for this victory and for the fact that N. C. remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front line fighting this battle again in 1996.
   - **C. Abortion:** The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will **cut** the **abortion funding** from $1.2 million to $50,000 and then to be used only in cases of rape or incest.

     For many years we have been working for legislation requiring **Parental Consent** before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.
   - **D. Abstinence Education:** Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. ***League Leadership:***

   Reverend Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

Respectfully submitted,

1994 ANNUAL REPORT
HOME MISSION BOARD, SBC

Christ for Our Nation

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in health-care agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year, there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled $37,177,500, about 2 percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is $50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries—The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith.

Church Loans—The Church Loans Division closed 107 church loans totaling $21.5 million, including $3.9 million of refinancing.

Language Missions—Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language.

Volunteers—Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1994, nearly 80,000 persons served as volunteers, about 5,000 more than in 1993. Mission Service Corps missionaries, numbering 2,016, and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions.

Christian Social Ministries—More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Church Extension—Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer.

Special Ministries—International ministries were conducted at the United Nations, in Washington, D.C., in 40 port cities, and among international students.

Prayer and Spiritual Awakening—The Home Missions Intercessory Prayerline received 82,000 calls in 1994.

ANNUAL REPORT
NORTH CAROLINA BAPTIST FOUNDATION, INC.

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today, are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances, their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina, 27511. Personal and confidential assistance is available by calling our office at 919-380-7334, or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994, were $47,312,575. A total of $1,241,756, was paid to Baptist churches, institutions, and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098, during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

ANNUAL REPORT
NORTH CAROLINA BAPTIST HOSPITALS, INC.

1995 - Meeting the Challenges of Health Care
"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing healthcare norms, we have not, nor will we deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST"

Affectionately known to many simply as "The Baptist," our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and

hus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION:
PASTORAL CARE AND CHURCH RELATIONS

In May, restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION

Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

THE CENTER FOR CONGREGATIONAL HEALTH

This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS

This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

THANK YOU LETTERS FROM MOTHER'S DAY OFFERING RECIPIENTS

"I would like to take this opportunity to tell you how grateful I am for the generous contribution made to help me with my recent medical expenses. I have been extremely concerned as to how this account would be settled. I never dreamed that such a fund was available. To all Southern Baptists across the state of North Carolina, I sincerely thank them for their generosity and concern for my well-being. This gift has definitely lightened my life's load. The gratitude I have in my heart is difficult to express on paper, but truly one deeply appreciated."

PASTORAL COUNSELING

With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

POINTS OF EXCELLENCE AND PROGRESS

- **FINANCIAL STEWARDSHIP** - Annually, Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at the other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide, we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.
- **QualChoice of NORTH CAROLINA** - A managed care plan providing quality health-care and patient physician choice. Established by the North Carolina Baptist Hospitals, Incorporated and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.
- **ACCREDITATION WITH COMMENDATION** - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96, we earned the distinction as one of America's most highly rated hospitals.

- **EMERGENCY DEPARTMENT/DIETARY BUILDING** - With a Fall 1995 opening date this 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.
- **COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY** - A 64,000 square foot facility scheduled for completion in the Summer of 1996.
- **STICHT CENTER ON AGING AND REHABILITATION** - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, geropsychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring of 1996.
- **HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS** - Specialists provide at home care such as intravenous chemotherapy, pain management, nursing care, and physical and occupational therapy.
- **COMMUNITY HOSPITAL ASSISTANCE** - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding health care delivery system.

"Please accept my sincere appreciation for the financial assistance you and Southern Baptists contributed toward my late husband's hospital bill. This was a gracious gesture on your part that truly helped lighten the financial burden left to me due to his extended illness. A gift of this magnitude will not be forgotten by me or my family. Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith."

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of North Carolina Baptists, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.

Respectfully submitted,
Len B. Preslar, Jr., President

THE NORTH CAROLINA MISSIONS OFFERING

Most of the North Carolina Missions Offering supports projects in the 80 associations (covering all 100 counties) across North Carolina. Many North Carolina Missions Offering projects are actually association/state mission programs receiving money and leadership support from both the Baptist State Convention and local associations.

For example, the Union Association automatically received 10 percent of the 1994 special offering collected in the association. In addition to the money sent directly to the association, other projects such as the Hispanic Language Mission, Multi-Housing and church-growth assistance were also funded by the North Carolina Missions Offering within Union Association.

The North Carolina Missions Offering also supports N. C. Woman's Missionary Union, N. C. Baptist Men (Brotherhood), Youth and Campus Ministries, and N. C. Baptist Assembly (Caswell). The number of individuals in the Union Association who participated in these programs in 1994 includes:

18 Boys to Camp Caraway
6 Boys to RA Congress
30 Girls to Camp Mundo Vista
43 Guests at NC Baptist Assembly (Caswell)
27 Medical/Dental Bus volunteers

36 Medical/Dental Bus patients
1 Missionary Kid*
2 Missionary Parents*
1 Retired Missionary*
2 Student Summer Missionaries serving from association in 1994
1 Student Summer Missionary serving from association in 1995
3 Student Summer Missionaries serving in association in 1995
3 Persons to RA Leadership Training
1 Person to Baptist Men's Convention
1 Participant in Baptist Men's Christian High Adventure
23 Participants in Baptist Men's World Missions Week

(*Missionary Kids, Missionary Parents, and Retired Missionaries receive birthday and Christmas gifts from WMU.)

The mission needs in North Carolina are substantial. Did you know that in North Carolina there are:

Over 6.9 million residents
Over 21,000 prison inmates
Over 27,000 beds in rest homes
Over 28,000 unwed mothers
Over 18,000 blind persons
Over 60,000 deaf persons
Over 175,000 seasonal farm workers
Over 100,000 people involved in alcohol/substance abuse
Over 25 million tourists who visit our state every year
Over 3 million unchurched people

Through the North Carolina Missions Offering, we can offer help and hope!

UNION COUNTY CRISIS ASSISTANCE MINISTRY REPORT

The Union County Crisis Assistance Ministry is a United Way agency designed to meet emergency needs of Union County residents. This service is provided on behalf of the religious/civic organizations and individuals of Union County.

The purpose of this agency is to assist families/individuals who are experiencing crisis by providing resources to meet their basic needs. Types of assistance given are rent, utility, fuel, and food. Most of the people referred to Crisis Assistance do not qualify for public subsidy such as AFDC and Food Stamps. Crisis Assistance Ministry is a referral only agency. Referrals are accepted from any minister/church in Union County, the Department of Social Services, Vocational Rehab., school counselors, Hospice, and other United Way agencies.

CAM is funded 100% administratively by United Way. The assistance given comes from contributions from churches, civic groups, and individual donors. Because of this unique arrangement with United Way, 100% of contributions from churches, civic groups, and individuals goes toward client assistance. For example, if your church gives $500 to Crisis Assistance, that $500 will go back to the community to assist those in need.

Not all referred to CAM receive financial assistance. In order to be good stewards of the donated money, all information given by the client is verified to determine eligibility. The client must be in a crisis, not chronic situation, must be able to maintain his basic expenses once the crisis has passed, and must have used what financial resources he has with good judgment. All assistance given is paid directly to the appropriate vendor. Money is never given to the client. In addition to financial assistance, Crisis Assistance makes referrals to other agencies when appropriate. The following report will give information as to the number of people referred to and assisted by CAM as well as comparison of services given over the last three years.

EMERGENCY AND ENERGY ASSISTANCE PROGRAMS:

No. of clients referred/interviewed in 1994:	441
No. of clients assisted in 1994:	310
No. of clients referred/interviewed in 1993:	355
No. of clients assisted in 1993:	241
No. of clients referred/interviewed in 1992:	396
No. of clients assisted in 1992:	259
No. of clients referred/interviewed in 1991:	442
No. of clients assisted in 1991:	296

Total amount of assistance given:
1991: $42,075
1992: $40,576
1993: $52,819
1994: $62,706 (unaudited)

Types of assistance given: Rent, Water, Utilities, Fuel, Medicine/Medical Supplies, Transportation, Food, Mortgages, Appliances. In addition to financial assistance, referrals for food were given to Operation Reach-Out and Loaves & Fishes which had an indirect monetary value of $1,525.

Many Baptist churches referred clients to CAM during 1994. The following Baptist churches in Union County contributed financially to Crisis Assistance Ministry:

Shiloh, Wingate, Marshville, Mt. Harmony, Monroe-First, Union Baptist Association, and Union Baptist Secretaries Association.

UNION COUNTY MINISTERIAL ASSOCIATION CHAPLAINS' REPORT

The support for the chaplaincy services has been a joint venture of the hospital and the Union Ministerial Association. The chaplain has been a contract worker until June, 1995. The transition of management for the hospital changed the chaplain from being a contract worker and placed him on the time clock.

A needful change was initiated this year. The hospital's lobby receptionist calls the churches and pastors when a member enters the hospital.

The chaplain's schedule is three mornings and two afternoons each week; also on call seven days per week.

Jesus is our paradigm when it comes to ministering to the whole person. All patients are ministered to regardless of race, color, or creed. Patient families and employees are ministered to as needed.

The following information gives an indication of the scope of the services rendered in the hospital setting.

1. The number of patient visits varies from the high teens to the mid thirties. The average per day will be in lower twenties.
2. The number of unchurched people entering the hospital will be near fifty-five percent. Efforts are made to see the unchurched patients daily. The reasoning for the effort is to encourage them in seeking out a church home after leaving the hospital.
3. It is impossible to predict the number of emergencies on a daily or weekly basis. The chaplain makes an effort to respond to each call that comes as the result of any emergency. This is also true for any call.

4. The hospital has assumed the salary and benefits of the chaplain. This does not mean there will be less interest from the hospital. It is my belief there will be a greater interest and desire to meet the needs of the community. The hospital can become a great resource for ministers and lay people in meeting the needs of the patients and the greater community.

Your prayerful support is encouraged as we seek to become more effective in ministering to the patients and community.

Respectfully submitted,
Rev. John Grant
Hospital Chaplain
